Re: C.I. File No. 1029-2014-990 (Communication From Derrick Bush)

To whom it may concern,

This letter is requesting a hearing and a formal appeal against the City Of Milwaukee decision to deny the below stated claim of damages. I am providing you with the circumstances that caused my vehicle to be damaged within the last 120 days on a damaged road in Milwaukee, Wisconsin. As a part of my job it requires me to drive a specific route Monday through Friday between 11:45 p.m. and 12:00 a.m. (midnight) from my home address listed above to 803 West Vliet Street-Milwaukee, Wisconsin. Nonetheless, during the month of February 2014 my vehicle was damaged while driving southeast on Highway 41 in the far right lane at the on ramp of Lisbon Avenue and North Avenue in Milwaukee, Wisconsin.

There was a large hole that did not have any prevention measures such construction cones or barriers to prevent drivers from encountering this damaged area of the road on the highway listed above. My vehicle basically dropped down into this large hole as I drove over it. The next morning I noticed fluid leaking from the under body of my vehicle. When I took my vehicle in to get inspected there was damage to the transmission.

There is an invoice attached with this letter providing proof of the amount requesting for reimbursement. I, Derrick Bush, can be reached at 414-213-1689 or at the address listed above if you have any additional questions, need additional information, or general concerns regarding examination of this claim for reimbursement.

Sincerely,

Derrick Bush
