

Tammy J. Babisch

Tammy Babisch is the General Manager with Reit Management and Research responsible for management of Milwaukee Center, 100 East Wisconsin Avenue, a single story, single tenant suburban property and a portfolio of medical office buildings throughout southeastern Wisconsin. Prior to joining RMR, Tammy was employed by Transwestern where she managed both downtown, high rise office product and suburban product in the metro-Milwaukee area. Ms. Babisch was formerly the Senior Vice President and Director of Property Management for Great Lakes REIT, a publicly-traded real estate investment trust which owned and managed 37 office properties aggregating 5.4 million square feet of space primarily in the upper Midwest. Ms. Babisch worked for Great Lakes REIT from 1998 to 2004. Transwestern acquired Great Lakes REIT in 2004.

From 1993 to 1997, Ms. Babisch was employed by the John Buck Company as the Operations Manager for Milwaukee Center. From 1990 to 1993, she worked for both the Trammell Crow Company and Compass Management and Leasing as an assistant building manager of U.S. Bank Center, a 1.3 million square foot class A property in downtown Milwaukee. Ms. Babisch has earned both the CPM and RPA designations, is a licensed real estate broker. In 2008 she earned the LEED AP certification from the United States Green Building Council. In 2002 she was awarded the CREW Women in Real Estate Leadership award. She served multiple terms on the Board of BOMA-Wisconsin. Ms. Babisch received her Bachelor's Degree from the University of Wisconsin.
