Honorable Michael J. Murphy
Alderman, 10th Aldermanic District
Room 205, City Hall

SUBJECT: 10th ALD. DIST. - FILE #140412
INSTALL STOP SIGNS ON WEST DIXON STREET
AT SOUTH 78TH STREET

Dear Alderman Murphy:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northeast and northwest corners of the intersection in the form of a hill that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

INSTALL STOP SIGN ON NORTH COLONIAL DRIVE
AT NORTH 98TH STREET

Dear Alderman Bohl:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the southeast corner of the intersection in the form of bushes that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

INSTALL YIELD SIGNS ON WEST NASH STREET
AT NORTH 99TH STREET

Dear Alderman Bohl:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the southwest corner of the intersection in the form of bushes that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the yield control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,
