The principal amount of Bonds which may be issued hereunder and secured hereby shall not be limited, except as provided hereby or as may be provided by law.

(B) Each Series of Bonds shall be issued pursuant to a Series Resolution satisfying the requirements of Section 3.03; *provided, however*, that nothing contained herein shall be deemed to preclude or restrict the consolidation pursuant to a Series Resolution of any Bonds of any two or more separate Series authorized pursuant hereto and to any such Series Resolution to be issued pursuant to any of the provisions of Sections 3.04 and 3.05 into a single Series of Bonds for purposes of sale and issuance; provided that each of the conditions and other requirements contained in Sections 3.03, 3.04 and 3.05 as applicable to each such separate Series shall be met and complied with. Except as otherwise provided in this Section or in such Series Resolution, such a consolidated Series shall be treated as a single Series of Bonds for all purposes hereof.

Section 3.02. Pledge of Revenues, Funds and Other Moneys.

(A) The Bonds are limited special obligations of the City payable solely from and secured by the funds pledged therefor. There are hereby pledged as security for the payment of the principal and Redemption Price (if any) of, and interest on, the Bonds in accordance with their terms and the provisions of the Resolution, subject only to the provisions of the Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Resolution: (i) the proceeds of sale of the Bonds pending application thereof in accordance with the provisions hereof or of a Series Resolution, (ii) the Net Revenues, and (iii) all Funds and Accounts held under the Resolution other than (a) the Rebate Fund and (b) the Subordinate Obligation Fund, including the investments, if any, in such Funds and Accounts; and the Bondholders shall have a lien on, and a security interest in, such proceeds, Net Revenues, and Funds and Accounts for such purpose and subject to such provisions of the Resolution. The Bonds shall contain a recital that they are issued pursuant to the Act, which recital shall be conclusive evidence of their validity and of the regularity of their issuance.

Section 3.09. Special Provisions for Certain Bonds.

(A) A repurchase or redemption of any Option Bond pursuant to the provisions of a Series Resolution shall not cause any such Bond so repurchased or redeemed to lose the benefit of any security hereunder or to be no longer deemed to be Outstanding pursuant to Article XII. The repurchase or Redemption Price shall be financed by the proceeds of resale of the repurchased Bonds, from moneys received under a Support Facility or by any other lawful means, or by a combination of the foregoing.

(B) For purposes of calculating the payments into the Special Redemption Fund pursuant to Section 6.03 with respect to Variable Rate Bonds, the interest accrued or estimated by an Authorized Officer to accrue during the calendar month in which the payment is to be made shall be the amount of the required payment, subject in the case of an estimate to an adjustment at the end of the month.

The City may secure the Support Facility or Interest Rate Exchange Agreement by an agreement providing for the purchase of the Bonds secured thereby with such adjustments to the rate of interest, method of determining interest, maturity, or redemption provisions as specified in the Series Resolution. Debt Service with respect to any Bonds so

secured shall be calculated for purposes of the definition of Reserve Account Requirement by using the Assumed Long-Term Fixed Rate.

(C) The City may also agree in any agreement with the Support Facility Provider of such Support Facility or the Counterparty under an Interest Rate Exchange Agreement to reimburse directly such Support Facility Provider or Counterparty for any amounts paid under the terms of such Support Facility or Interest Rate Exchange Agreement, together with interest thereon (the "Support Facility Reimbursement Obligation"); *provided, however*, that no Support Facility Reimbursement Obligation shall be created, for purposes of the Resolution, until amounts are paid under such Support Facility or Interest Rate Exchange Agreement, as the case may be. Any such Support Facility Reimbursement Obligation may be secured by a lien on and pledge of the Net Revenues on a parity with the lien on and pledge of the Net Revenues created by Section 3.02 with respect to the Bonds (a "Parity Support Facility Reimbursement Obligation"). Any such Parity Support Facility Reimbursement Obligation shall be deemed to be a part of the Series of Bonds to which the Support Facility which gave rise to such Parity Support Facility Reimbursement Obligation relates, Payment of Support Facility Reimbursement Obligation may be made out of the Revenue Fund as provided in subsection (D) of Section 6.02.

All payments of or on account of interest to any registered Holder of any Bond (or to his registered assigns), and all payments of or on account of principal to any Holder of any Bond, shall be valid and effectual and shall be a discharge of the City and the Paying Agents, in respect of the liability upon the Bonds or claims for interest, as the case may be, to the extent of the sum or sums paid.

Section 4.04. Bond Registry. At all times during which any Bonds remain outstanding and unpaid, the Paying Agent shall keep or cause to be kept at its Principal Office books (herein referred to as the "Bond Registry") for the registration and transfer of Bonds. Upon presentation at its Principal Office for such purpose the Paying Agent, under such reasonable regulations as it may prescribe, shall register or transfer, or cause to be registered or transferred, on said Bond Registry, Bonds as hereinbefore set forth. The Bond Registry shall at all times be open for inspection by the City or its duly authorized agent or representative. At reasonable times and under reasonable procedures established by the Paying Agent, the Bond Registry pertaining to Bonds in registered form and any such lists may be copied by the City or inspected and copied by the Holders (or a designated representative thereof) of ten percent (10%) or more in principal amount of Bonds then Outstanding, such ownership and the authority of any such designated representative to be evidenced to the satisfaction of the Paying Agent. The Paying Agent shall furnish to each Paying Agent for a Series of Bonds such information from the

Bond Registry at such times as is necessary in order for such Paying Agent to effect payment of the principal and Redemption Price, if any, of and interest on the Bonds of such Series.

Section 4.05. Transfer of Bonds.

(A) Any fully registered Bond, unless or except as may otherwise be provided in the Series Resolution authorizing the issuance of such Bond, may, in accordance with its terms, be transferred upon the Bond Registry required to be kept pursuant to the provisions of Section 4.05, by the person in whose name it is registered, in person or by such Holder's duly authorized attorney, upon surrender of such fully registered Bond to the Paying Agent for cancellation, accompanied by delivery of a written instrument of transfer duly executed by the registered Holder in person or such Holder's duly authorized agent, in form satisfactory to the Paying Agent.

(B) Whenever any fully registered Bond shall be surrendered for transfer, the City shall execute and deliver, at the Principal Office of the Paying Agent (or send by registered mail to the new Holder thereof at such Holder's request, risk and expense), in the name of the transferee or transferees, a new duly executed fully registered Bond or Bonds, of the same Series, interest rate and maturity and for a like aggregate principal sum. To the extent of denomination authorized in respect of any such Bond, one such fully registered Bond may be transferred for several such fully registered Bonds of the same Series, interest rate, maturity and aggregate principal amount, and several such fully registered Bonds may be transferred for one or several such fully registered Bonds of the same Series, interest rate, maturity and aggregate principal amount. Unless or except as may otherwise be provided in the Series Resolution authorizing the issuance of the Bonds of the Series, all transfers pursuant to this Section shall be made without expense to the Holder of such Bonds, except as otherwise herein provided, and except that the Paying Agent shall require the payment by the Holder of the Bond requesting such transfer of any tax or other governmental charges required to be paid with respect to such transfer. All fully registered Bonds surrendered pursuant to this Section shall be canceled.

(C) Unless or except as may otherwise be provided in a Series Resolution, neither the City nor the Paying Agent shall be required (a) to transfer or exchange Bonds during a period beginning at the opening of business on the Record Date next preceding an interest payment date on the Bonds or next preceding the date (as determined by the Paying Agent) of any selection of Bonds of a particular Series to be redeemed and ending on such interest payment date, or for period of fifteen days next preceding the date (as determined by the Paying Agent) of any selection of Bonds to be redeemed or thereafter until after the first mailing of notice of redemption of any proposed redemption of Bonds; or (b) to transfer or exchange any Bonds called for redemption.

Section 4.06. Exchange of Bonds.

(A) Bonds of a Series, upon surrender thereof at the Principal Office of the Paying Agent, together with an assignment duly executed by the Holder or such Holder's authorized agent in such form as shall be satisfactory to the Paying Agent, may, at the option of the Holder thereof, be exchanged for an equal aggregate principal amount of Bonds of the same Series and maturity, of any denomination or denominations authorized by the Resolution, and bearing

interest at the same rate, and in the same form as the Bonds surrendered for exchange. All Bonds of a Series so surrendered pursuant to this Section shall be canceled by the Paying Agent. Any Bonds of a Series to be delivered to the Holder upon any such exchange shall be delivered to the Holder at the Principal Office of the Paying Agent, or sent by mail to the Holder thereof at such Holder's request, risk and expense.

(B) The Series Resolution authorizing the issuance of a Series of Bonds may establish the periods within which the Paying Agent for such Series shall not be required to provide for the exchange of Bonds of such Series.

(C) Unless or except as may otherwise be provided in the Series Resolution authorizing the issuance of the Bonds of a Series, all exchanges pursuant to this Section shall be made without expense to the Holders of such Bonds, except as otherwise herein provided, and except that the Paying Agent shall require the payment by the Holder of the Bond requesting such exchange of any tax or other governmental charges required to be paid with respect to such exchange.

Section 4.07. Mutilated, Lost, Stolen or Destroyed Bonds.

(A) In case any Bond shall at any time become mutilated in whole or in part, or be lost, stolen or destroyed, or be so defaced as to impair the value thereof to the Holder of such Bond, the City shall execute and deliver at the Principal Office of the Paying Agent (or send by registered mail to the Holder thereof at his request, risk and expense), a new Bond of the same Series, interest rate and maturity and of like tenor and effect in exchange or substitution for and upon the surrender for cancellation of such defaced, mutilated or partly destroyed Bond, or in lieu of or in substitution for such lost, stolen or destroyed Bond. In any such event the applicant for the issuance of a substitute Bond shall furnish the City and the Paying Agent evidence or proof satisfactory to an Authorized Officer and the Paying Agent of the loss, destruction, mutilation, defacement or theft of the original Bond, and of the ownership thereof, and also such security and indemnity as may be required by the City and the Paying Agent. Any duplicate Bond issued under the provisions of this Section in exchange and substitution for any defaced, mutilated or partly destroyed Bond or in substitution for any allegedly lost, stolen or wholly destroyed Bond, shall be entitled to the identical benefits under the Resolution as was the original Bond in lieu of which such duplicate Bond is issued, and shall be entitled to equal and proportionate benefits with all the other Bonds of the same Series issued hereunder. Neither the City nor the Paying Agent nor any other Paying Agent appointed hereunder shall be required to treat both the original Bond and any duplicate Bond as being outstanding for the purpose of determining the principal amount of Bonds which may be issued hereunder or for the purpose of determining any percentage of Bonds outstanding hereunder, but both the original and duplicate Bond shall be treated as one and the same.

(B) Notwithstanding the provisions of subsection (A) of this Section as to the issuance of duplicate or replacement Bonds: (i) if any such lost, stolen, destroyed, defaced or mutilated Bond has matured or been called for redemption and the date fixed for the redemption thereof has arrived, at the opinion of the City, payment of the amount due thereon may be made without the issuance of any duplicate or replacement Bond upon receipt of like evidence, indemnity, security and expenses and the surrender for cancellation of any such defaced or mutilated Bond

and upon such other conditions as the City may prescribe; (ii) if any such lost, stolen, destroyed, defaced or mutilated Bond shall mature or is of a class or Series which shall mature within one year following the date of application for a duplicate Bond, or has been called or will be called, or is in a class or Series which has been called or will be called, for redemption within one year following such date, instead of issuing a duplicate or replacement Bond the City upon receiving like evidence, indemnity, security and expenses and the surrender for cancellation of any such defaced or mutilated Bond and upon such other conditions as the City may prescribe, may issue or cause to be issued a transferable certificate of ownership to the applicant and pay on such certificate the interest and the Redemption Price or the principal sum thereof, on the interest payment dates and the redemption date or maturity date, upon surrender of such certificate, and all such transferable certificates of ownership shall be in such form as may be determined by the City or as otherwise provided by law; and (iii) if the provisions of applicable law shall provide for the payment of lost, stolen, destroyed, mutilated or defaced Bonds in lieu of the issuance of duplicates or certificates of ownership therefor, such lost, stolen, destroyed, mutilated or defaced Bonds may be paid in accordance with the provisions of such laws.

(C) All expenses necessary for the providing of any duplicate Bond or certificate of ownership shall be borne by the applicant therefor.

Section 4.08. Disposition and Destruction of Bonds.

(A) All Bonds surrendered to the Paying Agent for such Bonds for payment shall be canceled upon such payment by such Paying Agent.

(B) All canceled Bonds shall be delivered to the City or as it may direct. Upon the written request of the City, such Paying Agent, however, in lieu of such cancellation and delivery, may destroy such Bonds. If any Bonds are destroyed by a Paying Agent, the City may require that such destruction be done in the presence of its appointee or officer. If a Paying Agent shall destroy any Bonds, it shall deliver a certificate of such destruction to the City.

Section 4.09. Temporary Bonds. Any Series of Bonds may be initially issued in temporary form exchangeable for definitive Bonds when ready for delivery. The temporary Bonds may be printed, lithographed or typewritten, shall be of such denomination as may be determined by the City, and may contain such reference to any of the provisions of the Resolution as may be appropriate. Every temporary Bond shall be executed by the City upon the same conditions and in substantially the same manner as the definitive Bonds. If the City issues temporary Bonds it will execute and furnish definitive Bonds without delay, and thereupon the temporary Bonds shall be surrendered, for cancellation, at the Principal Office of the Paying Agent and the Paying Agent shall deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of authorized denominations, of the same Series and maturity or maturities. Until so exchanged, the temporary Bonds shall be entitled to the same benefits under the Resolution as definitive Bonds delivered under the Resolution.

Section 4.10. CUSIP Identification Numbers. At the sale option of the City, CUSIP identification numbers may be printed on the Bonds of any Series of Bonds, but no such number shall be deemed to be a part of any Bond or a part of the contract evidenced thereby, and no

liability shall hereafter attach to the City or any Officer or agent thereof (including the Paying Agents) because of or on account of said CUSIP identification numbers or any use made thereof.

Section 4.11. Book-Entry Bonds.

(A) The Bonds of any Series may be issued as Book-Entry Bonds. For each Series of Bonds issued as Book-Entry Bonds, the Bonds shall be issued in the form of one or more fully-registered immobilized certificates for each Series representing the aggregate principal amount of the Bonds of such Series, which Bonds shall (except as provided in paragraph (H) below) be registered in the name of the Depository or its nominee; *provided* that if the Depository shall request that the Bonds be registered in the name of a different nominee, the Paying Agent shall exchange all or any portion of the Bonds by Series for an equal aggregate principal amount of Bonds registered in the name of such other nominee or nominees of the Depository. No person other than the Depository or its nominee shall be entitled to receive from the City or the Paying Agent either a Bond or any other evidence of ownership of the Bonds, or any right to receive any payment in respect thereof unless the Depository or its nominee shall transfer record ownership of all or any portion of the Bonds by Series on the Bond Registry, in connection with discontinuing the book-entry system as provided in paragraph (H) below or otherwise.

(B) Except as otherwise provided herein or in a Series Resolution, so long as the Bonds or any portion thereof are registered in the name of the Depository or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Bonds shall be made to the Depository or its nominee in immediately available funds on the dates provided for such payments under the Resolution or a Series Resolution and at such times as provided in the representation letter delivered to the Depository. Each such payment to the Depository or its nominee shall be valid and effective to fully discharge all liability of the City or the Paying Agent with respect to the principal or Redemption Price, if any, of or interest on the Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Bonds Outstanding of any maturity, the Paying Agent for such Bonds shall not require surrender by the Depository or its nominee of the Bonds so redeemed, but the Depository (or its nominee) may retain such Bonds and make an appropriate notation on the Bond certificate as to the amount of such partial redemption; *provided* that the Depository shall deliver to the Paying Agent, upon request, a written confirmation of such partial redemption and thereafter the records maintained by the Paying Agent shall be conclusive as to the amount of the Bonds of such maturity which have been redeemed.

(C) All transfers of the Bonds of such Series issued in Book-Entry Form shall be effected as set forth in Sections 4.05 and 4.06; *provided* that the City understands and agrees that the Depository shall establish procedures with its participants for recording and transferring the ownership of beneficial interests in each Bond of such Series.

(D) Except as otherwise provided herein or in a Series Resolution, the City and the Paying Agent may treat the Depository (or its nominee) as the sole and exclusive Holder of the Bonds registered in its name for the purposes of payment of the principal or Redemption Price, if any, of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under the Resolution (except that for purposes of notice to the Depository, such notice shall be given at least two (2) days prior to the

date of any required notice to Bondholders), registering the transfer of Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the City nor the Paying Agent shall be affected by any notice to the contrary. Neither the City nor the Paying Agent shall have any responsibility or obligation to any participant in the Depository, any person claiming a beneficial ownership interest in the Bonds under or through the Depository or any such participant, or any other person which is not shown on the Bond Registry as being a Holder, with respect to either: (1) the Bonds; or (2) the accuracy of any records maintained by the Depository or any such participant; or (3) the payment by the Depository or any such participant of any amount in respect of the principal or Redemption Price, if any, of or interest on the Bonds; or (4) any notice which is permitted or required to be given to Holders under the Resolution; or (5) the selection by the Depository or any such participant of any person to receive payment in the event of a partial redemption of the Bonds; or (6) any consent given or other action taken by the Depository as Holder.

(E) So long as the Bonds or any portion thereof are registered in the name of the Depository or any nominee thereof, all notices required or permitted to be given to the Bondholders under the Resolution shall be given to the Depository as provided in the representation letter to be delivered to the Depository, in form and content satisfactory to the Depository, the City and the Paying Agent for such Bond.

(F) In connection with any notice or other communication to be provided to Bondholders pursuant to the Resolution by the City or the Paying Agent with respect to any consent or other action to be taken by Bondholders, the Depository shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action; *provided* that the City or the Paying Agent may establish a special record date for such consent or other action. The City or the Paying Agent shall give the Depository notice of such special record date not less than fifteen (15) calendar days in advance of such special record date to the extent possible.

(G) Any successor Paying Agent shall, in its written acceptance of its duties as a paying agent, agree to take any actions necessary from time to time to comply with the requirements of such representation letter.

(H) The book-entry system for registration of the ownership of the Book-Entry Bonds may be discontinued at any time if either: (1) after notice to the City and the Paying Agent, the Depository determines to resign as securities depository for such Bonds; or (2) after notice to the Depository and the Paying Agent, the City determines that a continuation of the system of book-entry transfers through the Depository (or through a successor securities depository) is not in the best interests of the City. In each of such events (unless in the case described in clause (2) above, the City appoints a successor securities depository), the Bonds shall be delivered in registered certificate form to such persons, and by Series in such maturities and principal amounts, as may be designated by the Depository, but without any liability on the part of the City or the Paying Agent for the accuracy of such designation, whenever the Depository requests the City to do so, the City shall cooperate with the Depository in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

(I) The City may hereafter amend any Series Resolution authorizing the issuance of a Series of Bonds, without notice to, or consent of, the Bondholders of any of the Series of Bonds in order: (i) to offer to Bondholders, the option of receiving the Bonds of any Series in certificated form, or (ii) to require the execution and delivery of certificates representing a portion or all of any Series of Bonds: (A) if the Depository shall cease to serve as a securities depository and no successor can be found to serve upon terms satisfactory to the City, or (B) if the City determines that it would be in its best interest or in the best interests of Bondholders of any Series of Bonds that they obtain certificates.

ARTICLE V

Redemption of Bonds

Section 5.01. Redemption of Bonds. The Bonds of a Series may be subject to redemption prior to their stated maturities upon such terms and conditions and at such dates and Redemption Prices or premiums as shall be set forth in the Series Resolution authorizing a Series of Bonds and upon the further terms and conditions as are hereinafter set forth.

Section 5.02. Selection of Bonds for Redemption. In the event of the redemption at any time of only a part of the Bonds of a Series, the Bonds to be redeemed shall be redeemed in such order as is set forth in the Series Resolution authorizing a Series of Bonds. Whenever provision is made in any Series Resolution for the selection by lot of Bonds to be redeemed, the Paying Agent for such Bonds in any manner which it deems fair shall select the particular Bonds to be redeemed from among those Bonds which are then subject to redemption and to selection by lot for such redemption. The Paying Agent shall promptly notify the City and each other Paying Agent for the Bonds of the Series of Bonds of which such Bond to be redeemed is one, in writing, of the numbers of the Bonds so selected for redemption.

Section 5.03. Notice of Redemption.

(A) Notice of the redemption of any Bond shall be mailed not less than thirty (30) days prior to the redemption date, by first class mail, postage prepaid, to the Holder of such Bond of record as of the date of the notice at the address of such Holder as it appears on the Bond Registrar. Notice of redemption of Bonds may, at the sole option of the City, also be given by publication (except as provided below), not less than thirty (30) days prior to the date fixed for the redemption thereof, of one such notice in one issue of an Authorized Newspaper. So long as the Depository is the Holder of the Bonds, notice of redemption may be given in accordance with the procedures of the Depository. Failure to receive such notice by any Holder of any Bond, nor any defect in any notice so mailed, shall not affect the sufficiency of the proceedings for the redemption of any of such Bonds.

(B) The City, at its election, may provide in a notice of redemption of Bonds that such redemption is conditional upon the occurrence or non-occurrence of an event.

(C) The City shall give written notice to the Paying Agent of its election to redeem Bonds at least forty-five (45) days prior to the redemption date, or such shorter period as shall be acceptable to the Paying Agent and if notice of redemption is to be published by the Paying

Agent, such notice shall contain all the information necessary to enable the Paying Agent to publish the notice of redemption in the manner aforesaid. As to Bonds which are redeemable by the Paying Agent without action being taken by the City under the terms of the Resolution, the Paying Agent shall proceed to mail without further direction from the City, and at the Written Request of the City, also publish, notice of redemption of such Bonds at the time specified in the Resolution. Whenever notice of redemption has been duly given as herein provided the Paying Agent shall transfer to the Paying Agent or Paying Agents for the Bonds so to be redeemed amounts in cash which, in addition to other moneys, if any, held by such Paying Agent or Paying Agents for such purpose, will be sufficient to redeem on the redemption date, all the Bonds so to be redeemed.

(D) Each notice of redemption, whether published or mailed, shall state: (i) the title of the Bonds to be redeemed, the Series designation (if any) thereof, the redemption date, the place or places of redemption and the Redemption Price or redemption premium, if any, payable upon such redemption; (ii) if less than all the Bonds of a particular Series are to be redeemed, the numbers of the Bonds to be redeemed; (iii) that the interest on the Bonds, or on the principal amount thereof to be redeemed, designated for redemption in such notice shall cease to accrue from and after such redemption date; and (iv) that on said date there will become due and payable on each said Bond the principal amount thereof to be redeemed at the then applicable Redemption Price (or together with the then applicable redemption premium, if any) and the interest accrued on such principal amount to the redemption date; *provided* that in the event such notice is conditional upon the occurrence or nonoccurrence of an event, clauses (iii) and (iv) shall be adapted to reflect such conditional nature of the call. Each notice of redemption mailed to the Holder of a fully registered Bond to be redeemed shall, if less than the entire principal sum thereof is to be redeemed, also state the principal amount thereof to be redeemed and that such fully registered Bond must be surrendered to the Paying Agent in exchange for the payment of the principal amount thereof to be redeemed and the issuance of a new Bond or Bonds equal in principal amount to that portion of the principal sum not to be redeemed of the Bond to be surrendered, as provided in Section 5.04.

(E) The Paying Agent shall not give any notice of redemption of Bonds, whether by mail, publication or otherwise, other than redemption by mandatory Sinking Fund Installments and excepting any notice which refers to Bonds which are to be advance refunded, unless the City has deposited in the Special Redemption Fund sufficient funds to pay the Redemption Price of the Bonds to be redeemed or such redemption of Bonds is conditional as in Section 5.03(B) provided.

Section 5.04. Partial Redemption of Bonds. In the event that part only of the principal sum of a Bond shall be called for redemption or prepaid, payment of the amount to be redeemed or prepaid shall be made only upon surrender of such Bond to the Paying Agent. Upon surrender of such Bond, the City shall execute and deliver to the registered owner thereof, at the Principal Office of the Paying Agent, a new fully executed Bond or Bonds, of authorized principal sums equal in aggregate principal amount to, and of the same Series, maturity and interest rate as the unredeemed portion of the Bond surrendered.

Section 5.05. Effect of Redemption. If a Bond is subject by its terms to prior redemption and has been fully called for redemption and notice of the redemption thereof has

been duly given as hereinbefore provided and if moneys for the payment of such Bond (or of the principal amount thereof to be redeemed) at the then applicable Redemption Price or together with the then applicable premium, if any, and the interest to accrue to the redemption date on such Bond (or the principal amount thereof to be redeemed) are held for the purpose of such payment by the Paying Agent or other Paying Agent for the Series of Bonds of which such Bond is one, then such Bond (or the principal amount thereof to be redeemed) so called for redemption shall, on the redemption date designated in such notice, become due and payable, and interest on said Bond (or the principal amount thereof to be redeemed) so called for redemption shall cease to accrue.

Section 5.06. Cancellation of Redeemed Bonds. All Bonds surrendered or redeemed pursuant to the provisions of this Article shall be canceled.

ARTICLE VI

(A) There is hereby created a special fund to be known as the “Water System Revenue Fund” (the “Revenue Fund”) into which all Revenues collected by the City have been and shall be deposited, from which the Revenues shall be appropriated and expended for operating expenses of the Water System, other purposes of the Water System, and in which certain working capital and operating reserves for purposes of the Water System have been and shall be maintained. Section 6.02. Revenue Fund.

(A) From and after the time of delivery of the first Bond executed and delivered under the Resolution, Revenues shall be collected by the City and deposited, as soon as practicable, into the Revenue Fund. From the amounts deposited in the Revenue Fund, the City shall transfer to the Operation and Maintenance Fund sufficient moneys to pay the current Operation and Maintenance Expenses of the Water System, transfer to the Rebate Fund such amount as is necessary to pay the rebate amount due the United States Treasury Department under Section 148 of the Code or to set aside as a reserve for such payment and make the transfers to other Funds and Accounts as in subsection (B) of this Section 6.02 provided.

(B) In each month, the City, after making the transfer, if any, to the Operating and Maintenance Expenses for such month and setting aside an amount sufficient to pay the Operating and Maintenance Expenses expected to be incurred for the balance of such month and making the transfer, if any, to the Rebate Fund as provided in Section 6.07, shall retain, apply or transfer on the fifth (5th) day prior to the end of each month, unless otherwise provided below, a sufficient amount of moneys in the Revenue Fund in the following order of priority:

(1) To the Special Redemption Fund, if and to the extent required so that the balance therein shall equal the Accrued Debt Service for all Bonds Outstanding and the interest accrued on all Bond Anticipation Notes outstanding on said date;

(2) To the Reserve Fund, if and to the extent required by a Series Resolution either (i) an amount such that the balance in each Reserve Account shall equal its Reserve Account Requirement on said date, or (ii) an amount such that if the same amount were deposited in each month the amount of any deficiency in a Reserve Account shall be eliminated at the end of the twelfth (12th) month following the first credit;

(3) In the Revenue Fund, a reasonable and necessary amount for working capital and operating reserves;

(4) To the Subordinate Obligation Fund, the amount, if any, required to be deposited in such Fund pursuant to the resolution authorizing issuance of the Subordinate Obligations payable from such Fund;

(6) To the Surplus Fund, such amounts as shall remain in the Revenue Fund.

(C) All reasonable and necessary Operation and Maintenance Expenses shall be paid from the Operation and Maintenance Fund as the same become due and payable and, except for the Rebate Fund, prior to any transfer or payment to other funds and accounts set forth herein.

(D) The City may, if provided in a Series Resolution authorizing the Bonds of a Series, directly payout of the Revenue Fund reimbursements to Support Facility Providers whose Support Facilities have been drawn upon, after payments have been made to the Special Redemption Fund.

(E) In the case of multiple deficiencies among multiple Reserve Accounts, amounts deposited into the Reserve Fund pursuant to subsection (B) of this Section 6.02 shall be allocated ratably among such Reserve Accounts having a deficiency without preference or priority of any kind.

Section 6.03. Special Redemption Fund.

(A) The City shall payout of the Special Redemption Fund to each Paying Agent: (i) on or before each interest payment date for any of the Bonds or Bond Anticipation Notes the amount required for the interest payable on such date; (ii) on or before each principal payment date, an amount equal to the principal, if any, due on such date by reason of maturity or by reason of the payment of any Sinking Fund Installment; and (iii) on or before any redemption date for the Bonds, the amount required for the payment of the Redemption Price of and interest on the Bonds then to be redeemed. Such amounts shall be applied by each Paying Agent on and after the due dates thereof. The City shall also payout of the Special Redemption Fund the accrued interest included in the purchase price of Bonds purchased for retirement.

(B) Amounts accumulated in the Special Redemption Fund by reason of the payment of any Sinking Fund Installment may be applied by the City, on or prior to the sixtieth (60th) day preceding the due date of such Sinking Fund Installment, to: (i) the purchase of Bonds of the maturity for which such Sinking Fund Installment was established, or (ii) the redemption of such Bonds at the applicable Redemption Price, if then redeemable by their terms. All such purchases of Bonds shall: (i) be made at prices not exceeding the applicable Redemption Price of such Bonds plus accrued interest; (ii) be made as arranged by the City in such manner and from such sellers or brokers at such prices as the City shall determine; and (iii) be made to insure that delivery of the Bonds so purchased shall not occur later than the sixtieth (60th) day next preceding the redemption date to which the Sinking Fund Installment is to be applied. The applicable Redemption Price of any Bonds (or principal amount of maturing Bonds) so purchased or redeemed shall be deemed to constitute part of the Special Redemption Fund until such Sinking Fund Installment date, for the purpose of calculating the amount of such Account. As soon as practicable after the sixtieth (60th) day preceding the due date of any such Sinking Fund Installment, the City shall proceed to call for redemption on such due date Bonds of the maturity for which such Sinking Fund Installment was established (except in the case of Bonds maturing on a Sinking Fund Installment date) in such amount as shall be necessary to complete the retirement of the unsatisfied balance of such Sinking Fund Installment after making allowance for any Bonds purchased or redeemed pursuant to this Section 6.03 which the City has applied as a credit against such Sinking Fund Installment as provided in subsection (D) of this Section 6.03. The City shall payout of the Special Redemption Fund to the appropriate Paying

Agents, on or before the redemption date, the amount required for the redemption of the Bonds so called for redemption, and such amount shall be applied by such Paying Agents to such redemption.

(C) The amount, if any, credited to the Special Redemption Fund from a Series Interest Account (as hereafter defined) in the Construction Fund shall be applied to the payment of interest on the Bonds as the same becomes due and payable as provided in Section 6.09(D).

(D) Upon any purchase or redemption pursuant to subsection (B) of this Section 6.03 of Bonds of any Series and maturity for which Sinking Fund Installments shall have been established: (i) if the principal amount of the Bonds so purchased is less than or equal to the next succeeding Sinking Fund Installment for such Series there shall be credited to the next such Sinking Fund Installment an amount equal to the principal amount of the Bonds of such Series so purchased; and (ii) if the principal amount of the Bonds so purchased is greater than the next succeeding Sinking Fund Installment, there shall be credited toward each such Sinking Fund Installment thereafter to become due an amount bearing the same ratio to such Sinking Fund Installment as the total principal amount of such Bonds so purchased or redeemed bears to the total principal amount of all such Sinking Fund Installments to be so credited or, at the option of the City, an amount equal to the next succeeding Sinking Fund Installment. The portion of any such Sinking Fund Installment remaining after the deduction of any such amounts credited toward the same (or the original amount of any such Sinking Fund Installment if no such amounts shall have been credited toward the same) shall constitute the unsatisfied balance of such Sinking Fund Installment for the purpose of calculation of Sinking Fund Installments due on a future date.

(E) Moneys set aside from time to time with any Paying Agent for the purpose of paying the principal and Redemption Price (if any) of, and interest on, the Bonds shall be held in trust for the Holders of the Bonds in respect of which the same shall have been so set aside. Until so set aside, all moneys in the Special Redemption Fund shall be held in trust for the benefit of the Holders of all Bonds at the time outstanding, equally and ratably.

(F) When Bonds of a Series are refunded in whole or in part or are otherwise paid within the meaning of Article XII, moneys may be withdrawn from the Special Redemption Fund to pay or provide for the payment of such Bonds or refunded Bonds, as the case may be; *provided* that immediately after such withdrawal or transfer there shall be on credit to the Special Redemption Fund an amount equal to the Accrued Debt Service for the Bonds then Outstanding after taking into account such refunding or payment.

Section 6.04. Reserve Fund and Reserve Accounts.

(A) The City shall maintain each Reserve Account in an amount equal to the applicable Reserve Account Requirement, which requirement may be satisfied with (i) one or more Support facilities, (ii) Investment Securities, (iii) cash deposits, or (iv) any combination thereof. All Investment Securities shall be valued in accordance with the provisions of Section 6.12. If on any valuation date as provided in Section 6.12, the amount on deposit in a Reserve Account is more than its Reserve Requirement, unless otherwise determined by the City pursuant

to subsection (F) of this Section 6.04, the amount of such excess shall be transferred to the Special Redemption Fund.

(B) If at any time a Reserve Account holds a Support Facility and Investment Securities, the Investment Securities shall be liquidated and the proceeds applied for the purposes for which the Reserve Account moneys may be applied pursuant to this Section 6.04 prior to any draw being made on the Support Facility. If the Reserve Account holds Support Facilities issued by more than one Support Facility Provider, then draws shall be made under such Support Facilities on a pro rata basis to the extent of available funds. Amounts deposited in a Reserve Account for the purpose of restoring amounts withdrawn therefrom shall be applied first to pay the applicable Support Facility Reimbursement Obligation and thereby reinstate the Support Facility.

(C) The amounts held in a Common Reserve Account are held for the equal benefit and security of all Common Reserve Bonds secured by and entitled to the benefits of such Common Reserve Account and are pledged and assigned for that purpose. On the date of issuance of any Series of Bonds intended to be Common Reserve Bonds, the City, pursuant to the Series Resolution or a Written Certificate of the City, shall specify the particular Common Reserve Account securing such Series of Common Reserve Bonds and the amount and source of any deposit to be made to fund any required deposit to the applicable Common Reserve Account to increase the amount held therein to its Reserve Account Requirement. The amounts held in a Series Reserve Account are held for the exclusive benefit of the Bonds of that Series and are pledged and assigned for that purpose. On the date of issuance of such Series, the City, pursuant to the Series Resolution or a Written Certificate of the City shall specify the amount and source of any deposit to be made to fund any required deposit to the applicable Series Reserve Account.

(D) If on the date preceding a principal or interest payment date, the amount held in the Special Redemption Fund for the payment of a particular Series of Bonds shall be less than the Accrued Debt Service for all Bonds of such Series then Outstanding, the City shall pay out of the applicable Reserve Account maintained for such Series, to the Special Redemption Fund for disbursement to the Paying Agent for such Series the amount necessary to cure the deficiency. In the case of multiple deficiencies among multiple Series of Common Reserve Bonds, entitled to the benefit and security of the same Common Reserve Account, such withdrawal shall be made ratably among the various Series having a deficiency, without preference or priority of any kind.

(E) Amounts in a Reserve Account may be withdrawn and deposited in trust to pay or provide for the payment of Bonds pursuant to Section 12.01; *provided* that immediately after such withdrawal the amount on deposit in such Reserve Account equals or exceeds its Account Reserve Requirement.

Section 6.05. Renewal and Replacement Fund. Amounts in the Renewal and Replacement Fund may be withdrawn by the City at any time for the payment of expenses with respect to the Water System for the acquisition of capital equipment and for repairs, renewals, replacements or capital maintenance items. Amounts in the Renewal and Replacement Fund may also be withdrawn at any time and deposited into the Special Redemption Fund, any Reserve Account, the Rebate Fund or the Surplus Fund.

Section 6.06. Subordinate Obligation Fund. Moneys on credit to the Subordinate Obligation Fund shall be applied by the City solely in accordance with the provisions of, and subject to the priorities and limitations and restrictions provided in, the resolution of the City securing or evidencing such Subordinate Obligations. Any moneys credited to the Subordinate Obligation Fund shall be immediately free and clear of the lien and pledge created by the Resolution.

Section 6.07. Rebate Fund.

(A) If and to the extent required by the Code, an Authorized Officer shall periodically, at such times as may be required to comply with the Code, determine the amount of Rebatable Amount with respect to each Series of Tax-exempt Bonds and thereafter (i) transfer from any of the Funds and Accounts pledged or held hereunder other than the Special Redemption Fund, the Reserve Fund or the Subordinate Obligation Fund and credit to the Rebate Fund, all or a portion of the Rebatable Amount with respect to such Series of Bonds and (ii) payout of the Rebate Fund to the Department of the Treasury of the United States of America the amount, if any, required by the Code to be rebated thereto. Moneys in the Rebate Fund and the subaccounts therein are not available for the benefit of the Holders of the Bonds and are not pledged to the payment of the Bonds or the interest thereon.

(B) If and to the extent necessary to comply with any covenant established in a Series Resolution authorizing a Series of Bonds regarding maintaining the exclusion of interest on Tax-exempt Bonds from gross income for Federal income taxation purposes, the City may establish a subaccount in the Rebate Fund with respect to such Series of Bonds or provide for the establishment of such subaccount in such Series Resolution.

Section 6.08. Surplus Fund.

(A) The City shall transfer from the Surplus Fund: (i) to the Special Redemption Fund the amount necessary (or all the moneys in the Surplus Fund if less than the amount necessary) to satisfy any deficiencies in payments to the Special Redemption Fund required by Section 6.03; (ii) in the event of any transfer of moneys from any Reserve Account, to such Reserve Account the amount necessary to cure any resulting deficiency in such Reserve Account; (iii) such amount as the City may, in its discretion, determine to set aside in reserve for meeting the deficiencies referred to in clauses (i) through (ii) of this subsection (A); and (iv) *provided* that all transfers and reserves therefor referred to in clauses (i) through (ii) of this subsection (A) shall have heretofore been made, to the Subordinate Obligation Fund the amount, if any, necessary to satisfy any deficiency therein.

(B) Amounts in the Surplus Fund not required to meet a deficiency referred to in subsection (A) of this Section 6.08 shall be applied to any of the following purposes: (1) the Costs of Improvements, or the provision of one or more reserves therefor; (2) the purchase at such price or prices as the City may deem advisable or redemption of any Bonds and expenses of such purchase or redemption at any time; or (3) for any other purpose authorized by the laws of the State in connection with the Water System, including reimbursement to the City of advances made by the City to the Water System.

Section 6.09. Construction Fund.

(A) As soon as practicable on the date of delivery of the Bonds of a Series, there shall be deposited in the Construction Fund the amount required to be deposited therein pursuant to the Series Resolution. In addition, the City shall deposit in the Construction Fund such moneys other than proceeds of the Bonds as the City shall determine to be proper or appropriate to pay the Costs of Improvements.

(B) The Series Resolution authorizing the issuance of any Series of Bonds (exclusive of Refunding Bonds) may create and establish one or more separate special series accounts (a "Series Account") in the Construction Fund, with such designation as may be appropriate. In the event any interest on such Bonds is to be capitalized from the proceeds of such Bonds, there shall be created in the Construction Fund a special series account (a "Series Interest Account") with such designation as may be appropriate.

(C) Moneys, including proceeds of the Bonds of a Series, which are credited to the Construction Fund or Series Account shall be applied to the payment of the Costs as shall be specified in the applicable Series Resolution. Any balance remaining in the Construction Fund or such Series Account upon completion of payment of such Costs may be used for any lawful purpose of the City; *provided* that the City shall have obtained an Opinion of Counsel that any such application will not impair the exemption from Federal income taxation of interest on any of the Tax-exempt Bonds.

(D) Moneys credited to a Series Interest Account shall be used for the purpose of paying interest on the Bonds of designated Series on or before the fifth (5th) day preceding the end of the month next preceding the maturity of an installment of interest on the Bonds for the payment of which moneys have been credited to a Series Interest Account, the City shall transfer from a Series Interest Account for credit to the Special Redemption Fund an amount which, together with any moneys theretofore held in the Special Redemption Fund, shall be sufficient to pay such next maturing installment of interest on such Bonds.

(E) Payments from the Construction Fund shall be as specified in the Series Resolution authorizing the issuance of a Series of Bonds.

(F) Moneys, including proceeds of the Bonds, in the Construction Fund, pending their application as provided in the Resolution and Series Resolution shall be subject to a prior and paramount lien and charge in favor of the Holders of the Bonds, and the Holders of the Bonds shall have a valid claim on such moneys for the further security of the Bonds until paid out or transferred as herein provided. In the event that there is an insufficiency in the Special Redemption Fund to pay Debt Service after all transfers, have been made pursuant to and in accordance with Article VI, the City shall transfer from the Construction Fund such amount (or all remaining amounts in such Construction Fund) as is deemed necessary by the Comptroller of the City for deposit in the Special Redemption Fund, which, together with the amounts then on credit to the Special Redemption Fund, is sufficient to pay Debt Service.

Section 6.10. Operation and Maintenance Fund.

(A) Amounts in the Operation and Maintenance Fund and any subaccount therein, pending their application, shall be subject to a prior and paramount lien and charge in favor of the Holders of the Bonds, and the Holders of the Bonds shall have a valid claim on such moneys for the further security of the Bonds until paid out or transferred as herein provided. In the event that there is an insufficiency in the Special Redemption Fund to pay Debt Service after all transfers have been made pursuant to and in accordance with Article VI, the City shall transfer from the Operation and Maintenance Fund such amount as is deemed necessary by the Comptroller of the City for deposit in the Special Redemption Fund, which, together with the amounts then on deposit in the Special Redemption Fund, is sufficient to pay Debt Service.

(B) Amounts in the Operation and Maintenance Fund shall be used to pay Operation and Maintenance Expenses.

Section 6.11. Investment of Funds.

(A) Moneys in the Special Redemption Fund shall, to the fullest extent practicable and reasonable, be invested and reinvested solely in noncallable Investment Securities which shall mature or be subject to redemption at the option of the holder thereof on or prior to the respective dates when the moneys in the Special Redemption Fund will be required for the purposes intended. Moneys in a Reserve Account not required for immediate disbursement for the purpose for which the Reserve Account is created shall, to the fullest extent practicable and reasonable, be invested and reinvested solely in, and obligations deposited in the Reserve Account shall be, noncallable Investment Securities which shall mature or be available at par at or prior to three (3) years from the date of investment thereof.

(B) Moneys in the Revenue Fund not required for immediate disbursement for the purpose for which such Fund is created shall, to the fullest extent practicable and reasonable, be invested and reinvested to the extent allowed by law, solely in, and obligations deposited in such Fund shall be, Investment Securities which shall mature or be subject to redemption or payment at the option of the holder thereof, not later than such times as shall be necessary to provide moneys when needed to provide payments from such Fund.

(C) Moneys in the Construction Fund not required for immediate disbursement for the purposes for which said Fund is created shall, to the fullest extent practicable and reasonable, be invested and reinvested to the extent allowed by law, solely in, and obligations deposited in such Fund shall be, Investment Securities which shall mature or be subject to redemption or payment at par at the option of the holder thereof not later than such times as shall be necessary to provide moneys when needed to provide payments from such Fund or Account.

(D) To the extent permitted in the Resolution, all income received from the investment or reinvestment of moneys in the Funds and Accounts established hereunder shall be deposited in the respective Fund and Account from which such investments are made and applied as a credit against the next succeeding deposit or credit required to be made pursuant to Section 6.02; *provided, however*, that, except as to the Subordinate Obligation Fund, all or a portion of the income received from the investment or reinvestment of moneys in any such Fund

and Account may be deposited in the Revenue Fund or the Construction Fund, including a Series Interest Account therein; and *provided, further, however*, that all income received from the investment or reinvestment of moneys in any Series Interest Account shall be credited to the Special Redemption Fund.

(E) Nothing in the Resolution shall prevent any Investment Securities acquired as investments of funds held under the Resolution from being issued or held in book-entry form.

(F) Neither the Comptroller of the City nor any Paying Agent shall be liable for any depreciation in value of any investments made by the City.

Section 6.12. Valuation and Sale of Investment Securities.

(A) Investment Securities in any Fund or Account created under the provisions of the Resolution shall be deemed at all times to be part of such Fund or Account and any profit realized from the liquidation of such investment shall be credited to such Fund or Account and any loss resulting from liquidation of such investment shall be charged to such Fund or Account. Any net profits remaining after accumulating the sum of all profits realized and losses suffered from the liquidation of such investments in any Fund or Account during each semiannual period ending January 1 and July 1 shall be transferred or paid as provided in subsection (D) of Section 6.09.

(B) In computing the amount in any Fund or Account, Investment Securities therein shall be valued as follows: (1) investments that mature in two (2) years or less shall be valued at amortized/accreted value; (2) investments that mature in more than two (2) years shall be valued at the lower of amortized/accreted value, or market; and (3) investments with no stated maturity, such as mutual funds, shall be valued at market. Such valuations shall include accrued interest, and may take into account hedge features as part of, or separate from, the investments, such as the ability of the City to sell the investment at a predetermined price. The City shall determine the value of Investment Securities held in any Fund or Account as frequently as it deems necessary, but not less often than annually.

(C) Except as otherwise provided in the Resolution, any Depositary shall use its best efforts to sell at the best price obtainable, or present for redemption, any Investment Securities held in any Fund or Account whenever it shall be necessary, and upon oral request (later confirmed in writing) from an Authorized Officer in order to provide moneys to meet any payment or transfer from such Fund or Account. No Depositary shall be liable or responsible for any loss resulting from any such investment, sale, liquidation or presentation for investment made in the manner provided above.

ARTICLE VII

Concerning the Paying Agents and Depositaries

Section 7.01. Appointment of Depositaries; Acceptance of Duties. The Comptroller of the City may appoint one or more Paying Agents and Depositaries as of the date of issuance and delivery of the first Series of Bonds and may at any time or from time to time appoint one or more other Paying Agents or other Depositaries having the qualifications set forth in Section 6.13; *provided* that notwithstanding Section 6.13, the Treasurer of the City may be designated Paying Agent and/or Depositary. Each Paying Agent, other than the Treasurer of the City, and each Depositary, other than the Treasurer of the City, shall signify its acceptance of the duties and obligations imposed upon it by the Resolution by executing and delivering to the City a written acceptance thereof.

Section 7.02. Statement by Paying Agents and Depositaries Hereunder of Funds and Accounts and Other Matters. Not more than sixty (60) days after the close of each Fiscal Year, each Paying Agent and Depositary appointed hereunder shall furnish the City, a statement setting forth (to the extent applicable) in respect to such Fiscal Year: (i) all transactions relating to the receipt, disbursement, and application of all moneys received by such Paying Agent or Depositary pursuant to the terms of the Resolution; (ii) the amount held by such Paying Agent or Depositary at the end of such Fiscal Year on deposit in or to the credit of each Fund and Account provided for in the Resolution and the value of Investment Securities therein; (iii) a brief description of all obligations held by such Paying Agent or Depositary as an investment of moneys in any Fund or Account hereunder as of the end of such Fiscal Year; (iv) the principal amount of Bonds purchased by such Paying Agent or Depositary during such Fiscal Year from moneys available therefor in any Fund or Account pursuant to the provisions of the Resolution and the respective purchase price of such Bonds; (v) in the case of the Depositary, the principal amount of Bonds redeemed or retired during such Fiscal Year and the Redemption Prices thereof, if any; and (vi) any other information which the City may reasonably request.

Section 7.03. Paying Agents or Depositaries Hereunder Not Liable for Acts of the City or Other Paying Agents or Depositaries; No Representations by Paying Agent or Depositary. No Paying Agent or Depositary hereunder shall be responsible or have any liability for any act of the City or of any other Paying Agent or Depositary. No Paying Agent or Depositary hereunder shall be responsible in any manner whatsoever for the correctness of the recitals, statements and representations in the Resolution or in the Bonds, all of which are made by the City solely. No Paying Agent or Depositary hereunder makes any representation as to the validity of the Resolution or of the Bonds issued hereunder, and no Paying Agent or Depositary hereunder shall incur any liability or responsibility in respect of any such matters.

Section 7.04. Paying Agents and Depositaries May Buy, Hold, Sell or Deal in Bonds and Other Indebtedness of the City. Each Paying Agent and each Depositary and its respective directors, officers, employees or agents, may in good faith buy, sell, own, hold and deal in any of the Bonds issued under the provisions of the Resolution and may join any action which any Holder of a Bond may be entitled to take, with like effect as if such Paying Agent or Depositary were not a Paying Agent or any Depositary, as the case may be, under the Resolution. Any Paying Agent or any Depositary may in good faith hold any other form of indebtedness of the City; own, accept or negotiate any drafts, bills of exchange, acceptances or obligations of the City, and make disbursements for the City and enter into any commercial or business arrangement therewith.

Section 7.05. Reimbursement of Paying Agents and Depositaries for Fees, Expenses and Charges. Each Paying Agent and each Depositary shall also be entitled to reasonable fees and to reimbursement by the City for all expenses and charges reasonably incurred by it in the performance of its duties hereunder. No Paying Agent or Depositary shall have a lien for such fees and reimbursement on the moneys pledged to secure the Bonds hereunder at any time held by it hereunder, prior to the lien or claim of the Holders of the Bonds on all such moneys.

ARTICLE VIII

Covenants to Secure Bonds

The City hereby covenants and agrees with the Holders of all Bonds issued pursuant to the Resolution, and to the extent provided in a Series Resolution, all Support Facility Providers, as follows:

Section 8.01. Maintenance of the Properties of the Water System; Keeping the Sewerage System in Good Repair. The City shall: (i) maintain, preserve and keep, or cause to be maintained, preserved and kept, the properties of the Water System and all additions and betterments thereto and extensions thereof, and every part and parcel thereof in good repair, working order and condition; (ii) from time to time make, or cause to be made, all necessary and proper repairs, renewals, replacements, additions, extensions and betterments thereto, so that at all times the business carried on in connection therewith shall be properly and advantageously conducted; and (iii) comply, or cause to be complied, with the terms and conditions of any permit or license for the Water System or any part thereof issued by any Federal or State governmental agency or body and with any Federal or State law or regulation applicable to the construction, operation, maintenance and repair of the Water System or requiring a license, permit or approval therefor.

Section 8.02. Rates and Charges.

(A) The City shall fix, charge and collect such Water Services Charges as shall be required in order that in each Fiscal Year the Net Revenues shall be not less than the Net Revenue Requirement for such Fiscal Year. The failure in any Fiscal Year to comply with the

foregoing rate covenant in this subsection (A) shall not constitute an Event of Default if the City shall comply with subsection (B) of this Section 8.02.

(B) Prior to the end of each Fiscal Year the Commissioner of Public Works of the City shall complete a review of the financial condition of the Water System for the purpose of estimating whether the Net Revenues for such Fiscal Year and for the next succeeding Fiscal Year will be sufficient to comply with the rate covenant in subsection (A) of this Section 8.02 and shall by a Written Certificate of the City make a determination with respect thereto. Such review shall take into consideration the completion of any uncompleted Improvement and the issuance of future Series of Bonds if necessary to finance the completion of such Improvements. Such Written Certificate shall set forth a reasonably detailed statement of the actual and estimated Revenues, Operation and Maintenance Expenses, Aggregate Debt Service, and any other estimates or assumptions upon which such determination was based, and shall be filed with the City Clerk on or before July 1 in each year. If it is determined in such Written Certificate that the Revenues may not be so sufficient, the Commissioner of Public Works of the City shall forthwith make a study for the purpose of determining a schedule of Water Service Charges which, in the opinion of the Commissioner of Public Works, will cause sufficient Revenues to be collected in the following Fiscal Year to comply with such rate covenant in subsection (A) of this Section 8.02 and will cause additional Revenues to be collected in such following and later Fiscal Years sufficient to eliminate the amount of any deficiency at the earliest practicable time, or the Commissioner of Public Works may elect to cause the Consulting Engineer to make such a study and render such opinion. The Common Council shall as promptly as practicable but no later than the one hundred twenty (120) days following such determination by the Commissioner of Public Works, or receipt of the Consulting Engineer's recommendation, adopt and place in effect a schedule of Water Service Charges as so determined or recommended pursuant to this Section 8.02.

Section 8.03. Sale, Lease or Other Disposition of Properties of the Water System.

The properties of the Water System shall not be sold, mortgaged, leased or otherwise disposed of except as provided in this Section.

(1) The properties of the Water System may be sold, leased, or otherwise disposed of in their entirety if, simultaneously with such sale, lease or other disposition thereof, provision is made for the payment of all Bonds then Outstanding and such Bonds are no longer deemed Outstanding within the meaning of Section 12.01.

(2) Any portion of the properties of the Water System may be sold, leased, or otherwise disposed of on such terms and conditions as may be determined by the City if the value of such portion of the properties as of the date of such sale, lease or disposition does not exceed five percent (5%) of the net book assets of the Water System as of the last day of the preceding Fiscal Year as shown in the most recent audited financial statements of the City. Any part of the properties of the Water System having a value as of the date of the sale, lease or disposition which exceeds five percent (5%) of the net book assets of the Water System as of the last day of the preceding Fiscal Year as shown in the most recent audited financial statements of the City may be sold, leased, or otherwise disposed of if the Consulting Engineer shall certify to the City in writing that the terms and conditions of the proposed sale, lease or other disposition of any such

properties are fair and reasonable, and that the estimated Revenues to be derived from the remaining properties of the Water System, after taking into consideration the use by the City of the proceeds of such proposed sale, lease or other disposition of such properties, will be sufficient to enable the City to comply with all covenants and conditions of the Resolution. Proceeds of any sale, lease or other disposition of any portion of the properties of the Water System pursuant to this paragraph shall be paid into the Special Redemption Fund and applied to the purchase or redemption of Bonds or into the Revenue Fund and applied by the City for the purpose of constructing extensions, betterments or improvements to the Water System as the City shall determine.

(3) Buildings and any other portion of the works, plant and facilities of the Water System and real and personal property comprising a part thereof, which, in the opinion of the Commissioner of Public Works, shall have become unserviceable, inadequate, obsolete, worn out, or unfit to be used in the operation of the Water System, or no longer necessary, material to, or useful in such operation may be sold, leased, or otherwise disposed of. Proceeds of any such sale, lease or other disposition of any portion of the properties of the Water System pursuant to this paragraph shall be paid into the Revenue Fund.

(4) If permitted by the laws of the State, the City may transfer without consideration the properties comprising the Water System to a public corporation or political subdivision of the State; *provided* such corporation or subdivision assumes all of the City's or the City's obligations and duties hereunder.

(5) In the event that any part of the properties of the Water System shall be transferred from the City through the operation of law (including condemnation), any moneys received by the City as a result thereof shall be paid: (i) if such proceeds are not in excess of \$250,000, into the Revenue Fund; or (ii) if such proceeds are in excess of \$250,000: (a) into the Special Redemption Fund and or (b) into the Construction Fund and used to finance Improvements.

Section 8.04. Insurance.

(A) Except as provided in subsection (C) of this Section 8.04, the City shall keep, or cause to be kept, the works, plants and facilities comprising the properties of the Water System and the operations thereof insured to the extent available at reasonable cost with responsible insurers, with policies payable to the City, against risks of direct physical loss, damage to or destruction of the above-ground structures, and the equipment and contents therein, of the Water System arising from accidents, casualties or negligence, and other causes customarily insured against, at least to the extent that similar insurance is usually carried by utilities operating like properties, including liability insurance and workman's compensation insurance; *provided, however,* that any time while any contractor engaged in constructing any part of the Water System shall be fully responsible therefor, the City shall not be required to keep such part of the Water System insured. All policies of insurance shall be for the benefit of the Holders of the Bonds and the City as their respective interests may appear.

(B) In the event of any loss or damage to the properties of the Water System covered by insurance, the City will: (i) with respect to each such loss, promptly repair and reconstruct to the extent necessary to the proper conduct of the operations of the Water System the lost or damaged portion thereof and shall apply the proceeds of any insurance policy or policies covering such loss or damage for that purpose to the extent required therefor, unless, in case of loss or damage involving \$250,000 or more, the City shall determine that such repair and reconstruction not be undertaken; and (ii) if the City shall not use the entire proceeds of such insurance to repair or reconstruct such lost or damaged property, the proceeds of such insurance policy or policies or any portion thereof not used for such repair or reconstruction, as the case may be, shall be paid into the Revenue Fund.

(C) If the City does not obtain insurance from responsible insurers as in subsection (A) of this Section 8.04 provided, and the City fails to carry insurance against any of the risks normally insured against by operators of facilities similar to the Water System, it must secure the concurrence of an independent insurance consultant. In making its decision whether to concur, the independent insurance consultant shall: (i) make an estimate of the added financial risks, if any, assumed by the City as a result of the failure to insure; (ii) consider the availability of commercial insurance, the terms upon which such insurance is available and the costs of such available insurance, and the effect of such terms and costs upon the City's costs and charges for its services; and (iii) determine whether the added financial risk, if any, being assumed by the City is prudent in light of the savings to be realized in light of the general availability of insurance.

(D) Nothing contained herein shall prohibit or be deemed to prohibit the City from including insurance required by this Section 8.04 from being maintained as part of a blanket insurance policy of the City.

Section 8.05. Consulting Engineer. The Common Council or the Commissioner of Public Works may from time to time retain and appoint, as Consulting Engineer, an independent consulting engineer or engineering firm or corporation having special skill, knowledge and experience in analyzing the operations of water systems, preparing rate analyses, forecasting the loads and revenues of water systems, preparing feasibility reports respecting the financing of water systems and advising on the operation of water facilities, who shall be available to advise the City, upon request, and to make such investigations and determinations as may be necessary from time to time under the provisions of the Resolution.

Section 8.06. Books of Account; Annual Audit. The City shall maintain and keep proper books of account relating to the Water System and in accordance with generally accepted accounting principles. Within two hundred forty (240) days after the end of each Fiscal Year, the City shall cause such books of account to be audited by an independent certified public accountant. The audit required by this Section may be part of a comprehensive audit of the City; *provided* that the Water System in such audit is treated as an "enterprise fund" and the revenues and expenses of the Water System are stated in a manner which permits identification by category of the sources and uses of the Revenues. A copy of each audit report shall be prepared in conformity with generally accepted accounting principles and shall be filed promptly with the Common Council.

Section 8.07. Punctual Payment of Bonds. The City shall duly and punctually pay, or cause to be paid, but only from the Revenues, income and other funds herein specified, the principal and Redemption Price (if any) of, and interest on, each and every Bond on the dates and at the places, and in the manner provided in the Bonds according to the true intent and meaning thereof, and the City shall faithfully do and perform and at all times fully observe and keep any and all of its covenants, undertakings, stipulations and provisions contained in the Bonds and in the Resolution.

Section 8.08. Payment of Taxes and Other Claims. The City shall from time to time duly pay and discharge, or cause to be paid and discharged, all taxes, assessments and other governmental charges, or payments in lieu thereof, lawfully imposed upon the properties of the Water System (or any part thereof) or upon the Net Revenues or income received therefrom when the same shall become due, as well as all lawful claims for labor, material and supplies, which, if not paid, might become a lien or charge upon said properties or any part thereof, or upon the Revenues derived from the ownership or operation of the Water System, or which might in any way impair the security of the Bonds, except any such assessments, charges or claims which the City shall in good faith contest as to validity.

Section 8.09. Extension of Payment of Bonds. The City will not, directly or indirectly, extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any claims for interest by the purchase of such Bonds or claims for interest or by any other arrangement and in case the maturity of any of the Bonds or the time for payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled, in case of any default under the Resolution, to the benefit of the Resolution or to any payment out of any assets of the City or the funds (except funds held in trust for the payment of particular Bonds or claims for interest pursuant to the Resolution) held by the Paying Agents, except subject to the prior payment of the principal of all Bonds issued and Outstanding the maturity of which has not been extended and of such portion of the accrued interest on the Bonds as shall not be represented by such extended claims for interest. Nothing herein shall be deemed to limit the right of the City to issue Refunding Bonds as provided in the Resolution and such issuance shall not be deemed to constitute an extension of maturity of Bonds.

Section 8.10. Sound Improvements and Extensions. The City shall not expend any of the income, revenues, receipts, profits and other moneys derived by it from the ownership or operation of the Water System for any renewals, replacements, additions, betterments and improvements to, or extensions of, the Water System which, in the sole opinion of the Commissioner of Public Works, will not properly and advantageously contribute to the conduct of the business of the Water System in an efficient and economical manner unless required to do so to permit the continued operation of the Water System or to preserve or protect the Water System.

Section 8.11. Further Assurances. The City shall, at any and all times, insofar as it may be authorized so to do, pass, make, do, execute, acknowledge and deliver all and every such further resolutions, indentures, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming any and all of the rights, Revenues and other funds hereby pledged or charged with

or assigned to the payment of the Bonds or intended so to be, or which the City or the City may hereafter become bound to pledge or charge or assign.

Section 8.12. Protection of Security. The City is duly authorized under all applicable law to create and issue the Bonds, to adopt the Resolution and to pledge the Revenues and other moneys, securities and funds purported to be pledged by the Resolution in the manner and to the extent provided in the Resolution. The Revenues and other moneys, securities and funds so pledged are and will be free and clear of any pledge, lien, charge or encumbrance thereon or with respect thereto prior to, or of equal rank with, the pledge created by the Resolution, except as otherwise expressly provided herein, and all action on the part of the City to that end has been duly and validly taken. The Bonds are and will be valid and legally enforceable obligations of the City in accordance with their terms and the terms of the Resolution. The City shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Revenues and other moneys, securities and funds pledged under the Resolution and all the rights of the Bondholders hereto against all claims and demands of all persons whomsoever.

Section 8.13. Exclusion of Interest on Tax-exempt Bonds for Federal Income Taxation Purposes. This section shall apply only to Tax-exempt Bonds.

In order to maintain the exclusion from gross income for purposes of federal income taxation of interest on the Tax-exempt Bonds of any Series, the City shall comply with the provisions of the Code applicable to such Bonds, including without limitation the provisions of the Code relating to the computation of the yield on investments of the Gross Proceeds of such Bonds, reporting of earnings on the Gross Proceeds of such Bonds, and rebates of Rebatable Amount to the United States Treasury Department. In furtherance of the foregoing, the City shall comply with the Tax Certificate relating to such Bonds or such instructions as may be delivered by Bond Counsel at the time such Bonds are issued as to compliance with the Code with respect to such Bonds, as such instructions may be amended from time to time, as a source of guidance for achieving compliance with the Code.

The City shall not take any action or fail to take any action with respect to the application and investment of Gross Proceeds of Tax-exempt Bonds or use, ownership or management of the Water System or any facility or project thereof or any Improvement thereto which would cause a failure to comply with the provisions of Sections 103 and 141 to 150 of the Code, such covenant to be effective (i) throughout the term of such Bonds, and (ii) through the date that the final rebate, if any, must be made to the United States Treasury Department in accordance with Section 148 of the Code with respect to such Bonds.

Notwithstanding any other provision hereof to the contrary, the City's failure to comply with the provisions of the Code applicable to the Tax-exempt Bonds of a Series shall not entitle the Holder of Bonds of any other Series, or any trustee acting on their behalf, to exercise any right or remedy provided to Holders of Bonds hereunder based upon the City's or the City's failure to comply with the provisions of this Section or of the Code.

Section 8.14. Annual Budget.

A copy of each such report shall be filed and maintained in the records of the City.

ARTICLE IX

Defaults; Remedies; Bondholders' Committee

Section 9.01. Events of Default. Each of the following events is hereby defined as and declared to be and shall constitute an "Event of Default":

(a) if payment of the principal and Redemption Price (if any) of any Bond, shall not punctually be made when due and payable, whether at the stated maturity thereof or upon proceedings for the redemption thereof (whether by voluntary redemption or a mandatory sinking fund redemption or otherwise);

(b) if payment of the interest on any Bond shall not punctually be made when due;

(c) if the provisions of any Series Resolution with respect to mandatory Sinking Fund Installment payments or the redemption of Term Bonds therefrom, as the case may be, shall not punctually be complied with at the time and in the manner specified in such Series Resolution;

(d) if the City shall fail to duly and punctually perform or observe any other of the covenants, agreements or conditions contained in the Resolution or in the Bonds, on the part of the City to be performed, and such failure shall continue for ninety (90) days after written notice thereof from the Holders of not less than twenty percent (20%) of the Bonds then Outstanding; *provided*, that if such failure shall be such that it cannot be corrected within such ninety (90) day period, it shall not constitute an Event of Default if corrective action is instituted within such period and diligently pursued until the failure is corrected; and

(e) if the City shall: (i) admit in writing its inability to pay its debts generally as they become due; or (ii) file a petition in bankruptcy or seeking a composition of indebtedness under the provisions of any Federal or state bankruptcy or similar law; or

Section 9.02. Notice to Bondholders of Event of Default. Immediately after the occurrence of an Event of Default as defined in items (a) through (c) of Section 9.01, or within thirty (30) days after any Paying Agent knows of any other Event of Default, the Paying Agent or Paying Agents shall give notice of all such Events of Default to the Bondholders, all other Paying Agents and Support Facility Providers, and each rating agency rating the Bonds, in the manner provided in Section 13.04, unless such Events of Default shall have been cured before the giving of such notice.

Section 9.03. Acceleration of Bonds. If an Event of Default shall happen and shall not have been remedied, then and in every such case the Holders of not less than twenty-five percent (25%) in principal amount of the Bonds then Outstanding, by notice in writing to the City, may declare the principal of all the Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and be immediately due and payable. The right of the Holders of not less than twenty-five percent (25%) in principal amount of the Bonds then Outstanding to make any such declaration, however, shall be subject to the condition that if, at any time after such declaration, but before the Bonds shall have matured by their terms, all overdue installments of interest upon the Bonds, together with interest on such overdue installments of interest to the extent permitted by law and all other sums then payable by the City under the Resolution (except the principal of, and interest accrued since the next preceding interest date on, the Bonds due and payable solely by virtue of such declaration) shall either be paid by or for the account of the City or provision satisfactory to the Holders of a majority in principal amount of the Bonds then Outstanding shall be made for such payment, and all defaults under the Bonds or under the Resolution (other than the payment of principal and interest due and payable solely by reason of such declaration) shall be cured or be secured to the satisfaction of the Holders of a majority in principal amount of the Bonds then Outstanding or provision deemed by such Holders of the Bonds to be adequate shall be made therefor, then and in every such case the Holders of a majority in principal amount of the Bonds then Outstanding, by written notice to the City, may rescind such declaration and annul such default in its entirety, but no such rescission shall extend to or affect any subsequent default or impair or exhaust any resulting right or power.

Section 9.04. Inspection of Books and Records; the City to Account as Trustee for Express Trust.

(A) The City covenants that if an Event of Default shall have happened and shall not have been remedied, the books of record and account of the City relating to the Water System and all other records relating thereto shall at all times be subject to the inspection and use of the Holders of twenty-five percent (25%) in principal amount of the Bonds then Outstanding and of their respective agents and attorneys or of any committee therefor.

(B) The City covenants that if an Event of Default shall have happened and shall not have been remedied, the City will continue to account, as a trustee of an express trust, for all Revenues and other moneys, securities and funds pledged under the Resolution.

Section 9.05. Application of Revenues in an Event of Default.

(A) During the continuance of an Event of Default as defined in items (a) through (c) of Section 9.01 or of any other Event of Default as defined in Section 9.01 resulting in an Event of Default as defined in items (a) through (c) of Section 9.01, the Revenues received by a receiver appointed pursuant to the provisions of Section 9.06 as the result of the taking of possession of the business and properties of the Water System, shall be applied by the receiver: first, to the payment of all necessary and proper Operation and Maintenance Expenses of the Water System and all other proper disbursements or liabilities made or incurred by the receiver; second, to the then due and overdue payments into the Special Redemption Fund, including the making up of deficiencies therein; and last, for any lawful purpose in connection with the Water System.

(B) In the event that at any time the funds held by the receiver pursuant to the preceding subsection (A) shall be insufficient for the payment of the principal and Redemption Price (if any) of, and interest then due on, the Bonds, such funds (other than funds held for the payment or redemption of particular Bonds and all Revenues and other moneys received or collected for the benefit or for the account of Holders of the Bonds by the receiver shall be applied as follows:

(1) Unless the principal of all of the Bonds shall have become due and payable,

First, to the payment of all necessary and proper Operation and Maintenance Expenses of the Water System and all other proper disbursements or liabilities made or incurred by the receiver;

Second, to the payment to the persons entitled thereto of all installments of interest then due (including any interest on overdue principal) in the order of the maturity of such installments, earliest maturities first, and if the amounts available shall not be sufficient to pay in full any installment or installments of interest maturing on the same date, then to the payment thereof ratably, according to the amount due thereon, to the persons entitled thereto, without any discrimination or preference; and

Third, to the payment to the persons entitled thereto of the principal and premium, if any, due and unpaid upon the Bonds at the time of such payment without preference or priority of any Bond over any other Bonds, ratably, according to the amounts due respectively for principal and redemption premium, without any discrimination or preference.

- (2) If the principal of all of the Bonds shall have become due and payable,

First, to the payment of all necessary and proper Operation and Maintenance Expenses of the Water System and all other proper disbursements or liabilities made or incurred by the receiver;

Second, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over principal or of any installment of interest over any other installment of interest, or of any Bond over any other Bonds, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference.

(C) Whenever moneys are to be applied pursuant to the foregoing paragraphs, such moneys shall be applied by the receiver at such times, and from time to time, as it in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future.

(D) If and whenever all overdue installments of interest on all Bonds, together with the reasonable and proper charges, expenses, and liabilities of the Holders of the Bonds, their respective agents and attorneys, and all other sums payable by the City under the Resolution including the principal and Redemption Price (if any) of all Bonds which shall then be payable, shall either be paid in full by or for the account of the City or provision satisfactory to the receiver shall be made for such payment, and all defaults under the Resolution or the Bonds shall be made good and secured to the satisfaction of the receiver or provision deemed by the receiver to be adequate therefor, the receiver shall pay over to the City all of its moneys, securities, funds and Revenues then remaining unexpended in the hands of the Bondholders' Committee described in Section 9.01, control of the business and possession of the property of the City shall be restored to the City, and thereupon the City shall be restored to its former positions and rights under the Resolution, and all Revenues shall thereafter be applied as provided in Article VI. No such payment over to the City by the receiver or resumption of this application of Revenues as provided in Article VI, shall extend to or affect any subsequent default under the Resolution or impair any right consequent thereon.

Section 9.06. Suits at Law or Equity and Mandamus; Appointment of a Receiver. If an Event of Default shall happen and shall not have been remedied, then and in every such case, but subject to the provisions, limitations and conditions of Sections 9.04 and 9.05 so far as the remedies provided in said Sections are concerned, the Holder of any Bond at the time Outstanding shall be entitled, for the equal benefit and protection of all Holders of the Bonds similarly situated, to proceed, protect and enforce the rights vested in such Holder by the Resolution by such appropriate judicial proceeding as such Holder shall deem most effectual to protect and enforce any such right, either by suit in equity or by action of law, whether for the specific performance of any covenant or agreement contained in the Resolution, or in aid of the exercise of any power granted in the Resolution, or to enforce any other legal or equitable right vested in the Holders of Bonds by the Resolution or by law; *provided, however*, that no judicial

proceeding shall be brought seeking the appointment of a receiver to take possession of the Water System or to manage, receive and apply the Revenues unless the Holders of not less than a majority in principal amount of the Bonds then Outstanding or a Bondholders' Committee representing the Holders of not less than a majority in principal amount of the Bonds then Outstanding shall have joined in or consented to such proceeding.

Section 9.07. Bondholders' Committee. If an Event of Default shall happen and shall not have been remedied, the Holders of not less than twenty-five percent (25%) in principal amount of the Bonds then Outstanding may call a meeting of the Holders of Bonds for the purpose of electing a Bondholders' Committee. Such meeting shall be called and proceedings thereat shall be conducted as provided for other meetings of Bondholders pursuant to Section 11.02. At such meeting the Holders of not less than a majority of the principal amount of the Bonds then Outstanding must be present in person or by proxy in order to constitute a quorum for the transaction of business, less than a quorum, however, having power to adjourn from time to time without any notice other than that required by subsection (D) of said Section 11.02. A quorum being present at such meeting, the Bondholders present in person or by proxy may, by the votes cast by the Holders of a majority in principal amount of the Bonds so present in person or by proxy, elect one or more persons who may or may not be Bondholders to the Bondholders' Committee which shall act as trustee for all Bondholders. The Bondholders present in person or by proxy at said meeting, or at any adjourned meeting thereof, shall prescribe the manner in which the successors of the persons elected to the Bondholders' Committee at such Bondholders' meeting shall be elected or appointed, and may prescribe rules and regulations governing the exercise by the Bondholders' Committee of the power conferred upon it herein, and may provide for the termination of the existence of the Bondholders' Committee.

Section 9.08. Bondholders May Direct Proceedings. Anything contained in the Resolution to the contrary notwithstanding, the Holders of not less than a majority in principal amount of the Bonds at the time Outstanding shall be authorized and empowered (1) to direct the time, method, and place of conducting any proceeding for any remedy available to the Holders of the Bonds; or (2) on behalf of the Holders of the Bonds then Outstanding, to consent to the waiver of any Event of Default or its consequences. No waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

Section 9.09. Remedies Not Exclusive; Waivers of Default; Abandonment of Proceedings; Adverse Determination.

(A) No remedy by the terms of the Resolution conferred upon or reserved to the Holders of the Bonds is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given hereunder to the Holders of the Bonds or now or hereafter existing at law or in equity or by statute.

(B) No delay or omission of any Holder of Bonds to exercise any right or power arising upon the occurrence of a default hereunder, including an Event of Default, shall impair any right or power or shall be construed to be a waiver of any such default or to be an acquiescence therein. Every power and remedy given by this Article to the Holders of Bonds may be exercised from time to time and as often as may be deemed expedient by such Holders.

(C) In case the Holders of the Bonds or a Bondholders' Committee formed pursuant to Section 9.07 shall have proceeded to enforce any right under the Resolution and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Holders of the Bonds or such Bondholders' Committee, then and in every such case the City and the Holders of the Bonds shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Holders of the Bonds shall continue as if no such proceedings had been taken.

ARTICLE X

Amending and Supplementing of Resolution

Section 10.01. Amending and Supplementing of Resolution Without Consent of Holders of Bonds.

(A) The City, from time to time and at any time and without the consent or concurrence of any Holder of any Bond, may adopt a Series Resolution (i) for the purpose of providing for the issuance of Bonds pursuant to the provisions of Article III hereof; (ii) to make any changes, modifications, amendments or deletions hereto which may be required to permit the Resolution to be qualified under the Trust Indenture Act of 1939 of the United States of America; or (iii) if the rights of the Holders of the Bonds then Outstanding shall not be materially adversely affected thereby, a Supplemental Resolution (herein defined and referred to as a "Supplemental Resolution") for any one or more of the following purposes:

(1) to make any changes or corrections in the Resolution as to which the City shall have been advised by counsel that the same are verbal corrections or changes or are required for the purpose of curing or correcting any ambiguity or defective or inconsistent provision or omission or mistake or manifest error contained in the Resolution, or to insert in the Resolution such provisions clarifying matters or questions arising under the Resolution as are necessary or desirable;

(2) to add additional covenants and agreements of the City for the purpose of further securing the payment of the Bonds;

(3) to surrender any right, power or privilege reserved to or conferred upon the City by the terms of the Resolution;

(4) to confirm as further assurance any lien, pledge or charge, or the subjection to any lien, pledge, or charge, created or to be created by the provisions of the Resolution;

(5) to grant to, or to confer upon, the Holders of the Bonds any additional rights, remedies, powers, authority or security that lawfully may be granted to or conferred upon them; and

(6) to modify in any other respect any of the provisions of the Resolution.

(B) Except for Series Resolutions authorizing the issuance of Bonds pursuant hereto, the City shall not adopt any Supplemental Resolution authorized by the foregoing provisions of this Section unless in the Opinion of Counsel (which opinion may be combined with the opinion required by Section 10.04) the adoption of such Supplemental Resolution is permitted by the foregoing provisions of this Section and the provisions of such Supplemental Resolution do not materially adversely affect the rights of the Holders of the Bonds then Outstanding.

(C) The City shall furnish a notice of each amendment or supplement made pursuant to this Section 10.01 and a copy of the Supplemental Resolution effecting such amendment or supplement to each Rating Agency which has rated the Bonds at least fifteen (15) days prior to the effective day of the Supplemental Resolution.

Section 10.02. Amendment of Resolution With Consent of Holders of Bonds.

(A) With the consent of the Holders of not less than a majority of the Bonds then Outstanding, the City from time to time and at any time may adopt a resolution amendatory hereof or supplemental hereto (herein also defined and referred to as a "Supplemental Resolution") for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, the Resolution, or modifying or amending the rights and obligations of the City hereunder, or modifying or amending in any manner the rights of the Holders of the Bonds then Outstanding; *provided, however*, that without the specific consent of the Holder of each such Bond which would be affected thereby, no Supplemental Resolution amending or supplementing the provisions hereof shall: (1) change the fixed maturity date for the payment of the principal of any Bond or the dates for the payment of interest thereon or the terms of the redemption thereof, or reduce the principal amount of any Bond or the rate of interest thereon or the Redemption Price (or the redemption premium) payable upon the redemption or prepayment thereof; or (2) reduce the aforesaid percentage of Bonds, the Holders of which are required to consent to any Supplemental Resolution amending or supplementing the provisions of the Resolution; or (3) give to any Bond or Bonds any preference over any other Bond or Bonds secured hereby; or (4) authorize the creation of any pledge of the Revenues and other moneys pledged hereunder, prior, superior or equal to the pledge of and lien and charge thereon created herein for the payment of the Bonds except to the extent provided in Article III hereof; or (5) deprive any Holder of the Bonds in any material respect of the security afforded by the Resolution; *provided further, however*, that without the specific consents of the Holders of not less than a majority in principal amount of the Term Bonds then Outstanding and affected thereby, no Supplemental Resolution amending or supplementing the provisions of the Resolution shall (a) change the amount of any Sinking Fund Installments for the retirement of Term Bonds or the due dates of such installments or the terms for the purchase or redemption thereof from such installments, or (b) reduce the aforesaid percentage of Term Bonds, the Holders of which are required to consent to any such Supplemental Resolution. (Nothing in this paragraph contained, however, shall be construed as making necessary the approval of the Holders of the Bonds of the adoption of any Supplemental Resolution authorized by the provisions of Section 10.01.) A modification or amendment of the provisions of Article VI with respect to the Revenue Fund or the Special Redemption Fund or a Reserve Account shall not be deemed a change in the terms of payments; *provided* that no such modification or amendment shall, except upon the consent of the Holders of all Bonds then Outstanding affected thereby, reduce the amount or amounts required to be credited to the Special Redemption Fund and a

Reserve Account. Any Series Resolution authorizing Bonds that are insured as to the payment of principal and interest may provide that the bond insurer of such Bonds shall be considered the Holder of such Bonds for purposes of this Section 10.02, except that such bond insurer shall not be considered the Holder of such Bonds with respect to any consent to any amendment, modification or waiver of Section 8.13.

(B) The proof of the giving of any consent required by this Section and of the holding of Bonds for the purpose of giving consents shall be made in accordance with the provisions of Article XI. It shall not be necessary that the consents of the Holders of the Bonds approve the particular form of wording of the proposed amendment or supplement or of the Supplemental Resolution affecting such amendment or supplement, but it shall be sufficient if such consents approve the substance of the proposed amendment or supplement. After the Holders of the required percentage of Bonds shall have filed their consents to the amending or supplementing hereof pursuant to this Section, the City shall mail a copy of such notice by first class mail, postage prepaid, to each registered Holder of Bonds then Outstanding, at his address, if any, appearing upon the registry books, but failure to mail copies of said notice to any of said Holders shall not affect the validity of the Supplemental Resolution effecting such amendments or supplements or the consent thereto. (Nothing in this paragraph contained, however, shall be construed as requiring the giving of notice of any amending or supplementing of the Resolution authorized by Section 10.01.) A record, consisting of the papers required by this Section, shall be proof of the matters therein stated until the contrary is proved. No action or proceeding to set aside or invalidate such Supplemental Resolution or any of, the proceedings for its adoption shall be instituted or maintained unless such action or proceeding is commenced within sixty (60) days after the publication of the notice required by this paragraph.

(C) With respect to any Supplemental Resolution amending or supplementing the provisions of the Resolution and requiring the consent of the Holders of Outstanding Bonds pursuant to subsection (A) of this Section, any Series Resolution may refer to such Supplemental Resolution and may provide that the Holders of the Series of Bonds authorized by such Series Resolution shall be deemed to have consented to any and all of the additions, amendments and modifications to the Resolution contained in such Supplemental Resolution with the same effect as any Holder who shall have consented to such addition, amended and modification in the manner required by this Section 10.02 and Article XI. Each such consent shall be effective as of the date of original issuance of such Series or as of any date subsequent thereto as shall be determined by the City.

(D) The City shall furnish a notice of each amendment or supplement made pursuant to this Section 10.02 and a copy of the Supplemental Resolution effecting such amendment or supplement to each Rating Agency which has rated the Bonds at least fifteen (15) days prior to the effective day of the Supplemental Resolution.

Section 10.03. Notation Upon Bonds; New Bonds Issued Upon Amendments. Bonds delivered after the effective date of any action taken as provided in this Article may bear a notation as to such action, by endorsement or otherwise and in form approved by the City. In that case, upon demand of the Holder of any Bond Outstanding at such effective date and the presentation of such Holder's Bond for the purpose at the Principal Office of the Paying Agent or transfer agent hereunder for such Bond and at such additional offices, if any, as the City may

select and designate for that purpose, a suitable notation shall be made on such Bond. If the City shall so determine, new Bonds, so modified as in the opinion of the City to conform to the amendments or supplements made pursuant to this Article, shall be prepared, executed and delivered, and upon demand of the Holder of any Bond then Outstanding shall be exchanged without cost to such Holder, for Bonds then Outstanding, upon surrender of such Outstanding Bonds.

Section 10.04. Effectiveness of Supplemental Resolution. Upon the adoption (pursuant to this Article and applicable law) by the City of any Supplemental Resolution amending or supplementing the provisions of the Resolution and the delivery to the Comptroller of the City of an Opinion of Counsel that such Supplemental Resolution is in due form and has been duly adopted in accordance with the provisions hereof and applicable law and that the provisions thereof are valid and binding upon the City (upon which opinion the Comptroller of the City shall be fully protected in relying), or upon such later date as may be specified in such Supplemental Resolution, (i) the Resolution and the Bonds shall be modified and amended in accordance with such Supplemental Resolution, (ii) the respective rights, limitations of rights, obligations, duties and immunities under the Resolution of the City, or any Paying Agent and the Holders of the Bonds shall thereafter be determined, exercised and enforced under the Resolution subject in all respects to such modifications and amendments; and (iii) all of the terms and conditions of any such Supplemental Resolution shall be a part of the terms and conditions of the Bonds and of the Resolution for any and all purposes.

Section 10.05. Supplemental Resolution Affecting Comptroller and Fiscal Services Hereunder and Paying Agents. No Supplemental Resolution changing, amending or modifying any of the rights, duties and obligations of the Comptroller of the City or any Paying Agent may be adopted by the City or be consented to by the Holders of the Bonds without written consent of the Comptroller of the City or such Paying Agent.

ARTICLE XI

Execution of Instruments by Holders of Bonds; Ownership of Bonds; Meetings of Holders of Bonds; Exclusion of Bonds Owned by the City

Section 11.01. Execution of Requests, Directions and Consents and Other Instruments and Proof of Same; Ownership of Bonds and Proof of Same.

(A) Any request, direction, consent or other instrument required by the Resolution to be signed or executed by Holders of Bonds may be signed or executed by such Holders in person or by an agent or agents duly appointed in writing, and may be in any number of concurrent writings of substantially similar tenor. Proof of the execution of any such request, direction, consent or other instrument or of a writing appointing any such agent, and of the holding or ownership of Bonds, shall be sufficient for any purpose of the Resolution and shall be conclusive in favor of the City, the Comptroller of the City and any Paying Agent hereunder with regard to any action taken by them under such request, direction, consent or other instrument or of a writing appointing any such agent, if made in the following manner: the fact and date of the execution by any person of any such request, direction, consent or other instrument in writing

may be proved by the certificate of any notary public or other officer in any jurisdiction who, by the laws thereof, has power to take acknowledgments of deeds to be recorded within such jurisdiction, to the effect that the person signing such request, direction, consent or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness to such execution.

(B) Nothing contained in this Section shall be construed as limiting the Comptroller of the City, in his discretion, to the proof above specified, it being intended that the Comptroller of the City in his discretion may accept any other evidence of the matters herein stated which to them may seem sufficient. Any request, direction, consent or vote of the Holder of any Bond shall bind and be conclusive upon the Holder of such Bond giving such request, direction or consent or casting such vote and upon every future Holder of the same Bond in respect of anything done or suffered to be done by the City or the Comptroller of the City or otherwise, or by the Holders of other Bonds, in pursuance of such request, direction, consent or vote, and whether or not such future Holder has knowledge of or information as to such request, direction, consent or vote; *provided* that any request, direction, consent or vote of the Holder of a Bond required by any of the provisions hereof may be revoked by the Holder giving such request, direction, consent or vote or by a subsequent Holder, if such revocation in writing is filed with the Comptroller of the City prior to the time when the request, direction, consent or vote of the percentage of the Holders of the Bonds required by such provision shall have been given and action taken by the City or the Comptroller of the City or otherwise, or by the Holders of other Bonds, under authority of such request, direction, consent or vote.

(C) Anything in the Resolution to the contrary notwithstanding, the City, the Comptroller of the City and any Paying Agent hereunder, may deem and treat the person in whose name any Bond shall at the time be registered on the Bond Registry kept for that purpose pursuant to the Resolution, as the absolute owner of such Bond for all purposes whatsoever, including payment thereof, and neither the City, the Comptroller of the City nor any Paying Agent hereunder shall be affected by any notice to the contrary. The payment of or on account of principal to or upon the order of the person in whose name a Bond shall at the time be registered on said Bond Registry and the payment of interest to or upon the order of any person in whose name any Bond in fully registered form shall at the time be registered on said Bond Registrar, shall be valid and effectual fully to satisfy and discharge all liability hereunder upon such Bond to the extent of the sum or sums so paid.

Section 11.02. Meetings of Holders of Bonds.

(A) The City or the Holders or not less than twenty percent (20%) in principal amount of the Bonds then Outstanding may at any time call a meeting of the Holders of the Bonds for the purpose of the consenting to, the approving, the requesting or the directing, by the Holders of the Bonds, of any action required to be consented to or approved by them hereunder or which they may request or direct hereunder to be taken, or for the making by the Holders of the Bonds of any appointments they may make hereunder, or for the purpose of taking any other action which the Holders of the Bonds may take hereunder, or for any other purpose concerning the payment, security and enforcement of the Bonds. Every such meeting shall be held at such place as may be specified in the notice calling such meeting. Written notice of such meeting, stating the place and time of the meeting and in general terms the business to be submitted, shall be mailed to the

Holders of Bonds whose names and addresses then appear upon the Bond Registrar hereof, by the City or the Holders of the Bonds calling such meeting, not less than thirty (30) nor more than sixty (60) days before such meeting, and shall be published at least once on any day of the week, in an Authorized Newspaper, the date of such publication to be not less than thirty (30) days nor more than sixty (60) days preceding the meeting; *provided, however*, that the mailing of such notice shall in no case be a condition precedent to the validity of any action taken at any such meeting. Any meeting of the Holders of the Bonds shall, however, be valid without notice if the Holders of all Bonds then Outstanding are present in person or by proxy or if notice is waived before or within thirty (30) days after the meeting by those not so present.

(B) Attendance and voting by Holders of Bonds at meetings thereof may be in person or by proxy. Bondholders may, by an instrument in writing under their hands, appoint any person or persons with full power of substitution, as their proxy to attend and vote at any meeting for them.

(C) Persons named elected by the Holders of a majority in principal amount of the Bonds represented at the meeting in person or by proxy shall act as temporary Chairman and temporary Secretary of any meeting of Holders of Bonds. A permanent Chairman and a permanent Secretary of such meeting shall be elected by the Holders of a majority in principal amount of the Bonds represented at such meeting in person or by proxy. The Permanent Chairman of the meeting shall appoint two (2) Inspectors of Votes who shall count all votes cast at such meeting, except votes on the election of Chairman and Secretary as aforesaid, and who shall make and file with the Secretary of the meeting and the City their verified report of all such votes cast at the meeting.

(D) The Holders of the same principal amount of the Bonds required by other provisions hereof to consent to, approve, request, or direct any action proposed to be taken at a meeting of Holders of the Bonds, or required by other provisions hereof to make appointments proposed to be made at such meeting, or required by other provisions hereof to take any other action proposed to be taken at such meeting, must be present at such meeting in person or by proxy in order to constitute a quorum for the transaction of such business, less than a quorum, however, having power to adjourn the meeting from time to time without other notice of such adjournment than the announcement thereof at the meeting; *provided, however*, that if such meeting is adjourned by less than a quorum for more than ten (10) days, notice of such adjournment shall be published by the City at least five (5) days prior to the adjournment date of the meeting in an Authorized Newspaper.

(E) Any registered Holder of a Bond and any Holders of a certificate provided for in this Section shall be entitled in person or by proxy to attend the vote at such meeting as Holder of the Bond or Bonds registered or certified in his name without producing such Bond or Bonds (unless the Bond or Bonds described in any such certificate shall be registered in the name of or be produced by some other person at such meeting). Such persons and their proxies shall, if required, produce such proof of personal identity as shall be satisfactory to the Secretary of the meeting. All other persons seeking to attend or vote in such meeting must produce the Bond or Bonds claimed to be owned or represented at such meeting.

(F) All proxies presented at such meeting shall be delivered to the Inspectors of Votes and filed with the Secretary of the meeting. The right of a proxy for a Holder of a Bond to attend the meeting and act and vote thereat may be proved by a written proxy executed by such Holder as aforesaid.

(G) Officers or nominees of the City may be present or represented at any meeting of the Holders of the Bonds and take part therein, but shall not be entitled to vote thereat, except for such Officers or nominees who are Holders of Bonds or proxies for Holders of Bonds.

(H) The vote at any such meeting of the Holder of any Bond, or such Holder's proxy, entitled to vote thereat shall be binding upon such Holder and upon every subsequent Holder of such Bond (whether or not such subsequent Holder has notice thereof).

(I) Any Supplemental Resolution authorizing the issuance of Bonds in uncertificated form may contain appropriate provisions supplemental to those in this Section governing the participation of the Holders of such Bonds in any meetings held pursuant to this Section.

Section 11.03. Exclusion of Bonds Held by or for the City and of Bonds No Longer Deemed Outstanding Hereunder. The City may require each Holder of a Bond or Bonds before his demand, request, direction, consent, vote or waiver shall be deemed effective, to reveal if the Bonds as to which such demand, request, direction, consent, vote or waiver is made, granted, cast or given are disqualified as provided in this Section.

Defeasance; Moneys Held For Payment Of Defeased Bonds

Section 12.01. Discharge of Liens and Pledges; Bonds No Longer Outstanding and Deemed to be Paid Hereunder.

(A) Except as otherwise provided in Section 3.09 with regard to Option Bonds, the obligations of the City under the Resolution and the liens, pledges, charges, trusts, covenants and agreements of the City herein made or provided for, shall be fully discharged and satisfied as to any Bond and such Bond shall no longer be deemed to be Outstanding hereunder:

(i) when such Bond shall have been canceled, or shall have been surrendered for cancellation or is subject to cancellation, or shall have been purchased by or behalf of the City from moneys held under the Resolution; or

(ii) as to any Bond not canceled or surrendered for cancellation or subject to cancellation or so purchased, when payment of the principal and Redemption Price (if

any) of such Bond, plus interest on such principal to the due date thereof (whether such due date be by reason of maturity or upon redemption or prepayment, or otherwise) either (a) shall have been made or caused to be made in accordance with the terms thereof, or (b) shall have been provided for by irrevocably depositing with the Paying Agent for such Bond, in trust, and irrevocably appropriating and setting aside exclusively for such payment, either (1) moneys sufficient to make such payment or (2) noncallable Refunded Municipal Obligations or noncallable Government Obligations, maturing as to principal and interest in such amount and at such times as will insure, together with any cash deposit, the availability of sufficient moneys to make such payment, whichever the City deems to be in its best interest, and, if the City determines it to be in its best interest as verified by an independent nationally recognized firm of certified public accountants in a report delivered to the City and the Comptroller of the City, and all necessary and proper fees, compensation and expenses of the Comptroller of the City and the Paying Agents pertaining to the Bond with respect to which such deposit is made shall have been paid or the payment thereof provided for to the satisfaction of the Comptroller of the City and said Paying Agents.

At such time as a Bond shall be deemed to be no longer Outstanding hereunder, as aforesaid, such Bond, except for the purposes of any payment from such moneys, Refunded Municipal Obligations or Government Obligations, shall no longer be secured by or entitled to the benefits of the Resolution.

(B) Notwithstanding the foregoing, in the case of a Bond which is to be redeemed or otherwise prepaid prior to its stated maturity, no deposit under clause (b) of subparagraph (ii) of subsection (A) above shall constitute such payment, discharge and satisfaction as aforesaid until such Bond shall have been irrevocably designated for redemption or prepayment and proper notice of such redemption or prepayment shall have been previously given in accordance with Section 5.03 or provision shall have been irrevocably made for the giving of such notice.

(C) All income from all Refunded Municipal Obligations and Government Obligations in the hands of the Paying Agents pursuant to this Section which is not required for that payment of the Bonds and interest and premium thereon with respect to which such moneys shall have been so deposited, shall be paid to the City for deposit in the Revenue Fund free and clear of any trust, lien, security interest, pledge or assignment securing any Bonds or otherwise existing under the Resolution.

(D) Notwithstanding any provision of any other section of the Resolution which may be contrary to the provision of this Section, all moneys, Refunded Municipal Obligations or Government Obligations set aside and held in trust pursuant to the provisions of this Section for the payment of Bonds (including interest and premium thereof, if any) shall be applied to and used solely for the payment of the particular Bond (including interest and premium thereof, if any) with respect to which such moneys and Investment Securities have been so set aside in trust.

(E) Anything in Article X to the contrary notwithstanding, if moneys, Refunded Municipal Obligations or Government Obligations have been deposited or set aside with a Paying Agent pursuant to this Section for the payment of a specific Bond and such Bond shall be

deemed to have been paid and to be no longer Outstanding hereunder as provided in this Section, but such Bond shall not have in fact been actually paid in full, no amendment to the provisions of this Article shall be made without the consent of the Holder of each Bond affected thereby.

(F) The City may at any time surrender to a Paying Agent for a Series of Bonds for cancellation by it any Bonds of such Series previously executed and delivered, which the City may have acquired in any manner whatever, and such Bonds upon such surrender for cancellation shall be deemed to be paid and no longer Outstanding hereunder.

Section 12.02. Bonds Not Presented for Payment When Due; Moneys Held for the Bonds After Due Date of Bonds. Subject to the provisions of the next sentence of this paragraph and to the extent permitted by law, if any Bond shall not be presented for payment when the principal thereof shall become due, whether at maturity or at the date fixed for the redemption thereof, or otherwise, and if moneys or Investment Securities shall at such due date be held by a Paying Agent therefor, in trust for that purpose sufficient and available to pay the principal and Redemption Price (if any) of such Bond, together with all interest due on such Bond to the due date thereof or to the date fixed for redemption thereof, all liability of the City for such payment shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of such Paying Agent, to hold said moneys or Refunded Municipal Obligations or Government Obligations without liability to the Holder of such Bond for interest thereon, in trust for the benefit of the Holder of such Bond who thereafter shall be restricted exclusively to said moneys or Refunded Municipal Obligations or Government Obligations for any claim of whatever nature of his part on or with respect to said Bond, including any claim for the payment thereof. The City shall be entitled to receive annually from a Paying Agent all earnings on moneys or Refunded Municipal Obligations or Government Obligations held by such Paying Agent remaining unclaimed by the Holders of Bonds. Any such moneys or Refunded Municipal Obligations or Government Obligations held by any Paying Agent remaining unclaimed by the Holders of such Bonds for five (5) years after the principal of the respective Bonds with respect to which such moneys or Refunded Municipal Obligations or Government Obligations have been so set aside has become due and payable (whether at maturity or upon redemption or prepayment or otherwise) shall upon the written request of the City be paid to the City, against its written receipt therefor, and the Holders of such Bonds shall thereafter be entitled to look only to the City for payment thereof. Before being required to make any such payment to the City, such Paying Agents may, at the expense of the City, publish in an Authorized Newspaper, a notice, in such form as may be deemed appropriate by such Paying Agents, listing the Bonds so payable and not presented and stating that such moneys remain unclaimed and that after a date set forth therein any balance thereof then remaining will be returned to the City.

Section 13.05. Waiver of Notice. Whenever in the Resolution the giving of notice by mail, publication, or otherwise is required, the giving of such notice may be waived by the person entitled to receive such notice, and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Any publication, if any, to be made under the provisions of the Resolution in successive weeks may be made in each instance upon any business day of the week and need not be made on the same day of any succeeding week nor in the same newspaper for any or all of the successive publications, but may be made in separate newspapers permitted by such provisions. Section 13.08. Partial Invalidity.

(A) If any one or more of the covenants or agreements or portions thereof provided in the Resolution on the part of the City or the Comptroller of the City or any Paying Agent to be performed should be determined by a court of competent jurisdiction to be contrary to law, then such covenant or covenants, or such agreement or agreements, or such portions thereof, shall be deemed severable from the remaining covenants and agreements or portions thereof provided in the Resolution and the invalidity thereof shall in no way affect the validity of the other provisions of the Resolution or of the Bonds, but the Holders of the Bonds shall retain all the rights and benefits accorded to them hereunder and under any applicable provisions of law.

(B) If any provisions of the Resolution shall be held or deemed to be or shall, in fact, be inoperative or unenforceable or invalid as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable or invalid in any other case or circumstance, or of rendering any other provision or provisions herein contained inoperative or unenforceable or invalid to any extent whatever.
