I won't be able to make that meeting but wonder how much influence a new Sam's Club would have on (1) Woodman's and (2) the park that is right there. I am not particularly keen on any idea that will swallow up a good portion of that beautiful park!

FYI, Plans have been submitted to build a Sam's Club and filling station (for members only) on the Northeast corner of 124th and Bradley. This plan will be discussed at the City Plan Commission meeting on Monday, June 9, 2014, at 1:35pm, in the 1st Floor Boardroom at 809 N. Broadway. It is anticipated that this project will then be presented to the Common Council's Zoning, Neighborhood and Development Committee on July 15, 2015.

I have attached a copy of the City Plan Commission Agenda for your information.
