JOB EVALUATION REPORT

City Service Commission Meeting: June 24, 2014

HEALTH DEPARTMENT

Current	Request	Recommendation
Public Health Nurse Supervisor PR 1DX (\$54,322 - \$76,046)	Manager of Nursing Practice PR 1DX (\$54,321 - \$76,046)	Nursing Practice Manager PR 1DX (\$54,322 - \$76,046)
The recommended title of Nursing Practice Manager more accurately reflects the duties and responsibilities of the job and conforms to the titling conventions used by the Department of Employee Relations.		

Background

The Health Department requested that a current position of Public Health Nurse Supervisor be changed to Manager of Nursing Practice. In reviewing this request, a revised job description prepared by the department was reviewed.

Duties, Responsibilities & Requirements

The purpose of this position is to provide leadership and management oversight to the Health Department's nursing practices, assuring that Public Health Nurses demonstrate quality nursing practices, ensuring that protocols and policies reflect current nursing practice, and assuring that nursing programs are compliant with state statutes and other laws governing public health nursing practices. This position, under the general direction of the Health Operations Administrator, identifies and addresses nursing standards of practice consistent with program needs. This Manager will work under the general direction of the Health Operations Administrator.

The position requires a bachelor's degree in nursing and four year of related nursing experience. These requirements have not, however, been assessed for purposes of staffing.

Recommendation

In order to more accurately reflect the duties and responsibilities of this job, it is recommended that this position's title be changed from Public Health Nurse Supervisor to Nursing Practice Manager. There is no change in pay level associated with this recommendation.
