This is not a bill; please do not send a check. This informational mailing is intended to assist with your budgeting process.

Thank you for your membership in the 116-year-old League of Wisconsin Municipalities. The League is here to support you and other local community leaders as you serve the people of Wisconsin; and we are your advocate in Madison and Washington D.C. Your support makes that possible.

To help our communities with budgeting, your League board of directors has asked us to let you know what your 2015 dues (payable in January) will be. In July, the board voted to establish the dues for 2015, approving an overall increase of 2%. Since the League dues formula is based upon population and equalized value growth, some communities will see a lower increase while others may see a slightly larger change. We will send you a dues invoice in December for payment in January. Because your community is a member of the Urban Alliance, the 2015 dues total for your community includes a 10% surcharge to cover the expenses of the Urban Alliance.

We anticipate exciting new opportunities for Wisconsin's cities and villages in 2015, and we know from long experience that there will be plenty of challenges. In both cases, the League will be there as your partner, voice and resource. Thank you for your continued commitment to the League of Wisconsin Municipalities, and please do not hesitate to call me directly if you have any questions or ideas. My personal cell phone number is 608-347-1792.

Your partner in service,

Jerry Deschane
Executive Director
Thank you.
