Description of work Install two new power interconnect boxes on the west column of the Wells Street canopy over the sidewalk.
Date issued 11/20/2014 **PTS ID** 99164 **COA, new electrics for bus hook-ups on wells Street**

In accordance with the provisions of Section 320-21 (11) and (12) of the Milwaukee Code of Ordinances, the Milwaukee Historic Preservation Commission has issued a certificate of appropriateness for the work listed above. The work was found to be consistent with preservation guidelines. The following conditions apply to this certificate of appropriateness:

The conduit for the boxes will be run as inconspicuously as possible from the top of the limestone facade under the canopy, then along the inside of the cornice and down the western-most cast iron column. All conduits will be painted out to blend with the color of the surrounding building materials. No holes will be drilled into the cast iron column. All attachments will be made with straps that will be trimmed as neatly as possible.

All work must be done in a craftsman-like manner, and must be completed within one year of the date this certificate was issued. Staff must approve any changes or additions to this certificate before work begins. Work that is not completed in accordance with this certificate may be subject to correction orders or citations. If you require technical assistance, please contact Paul Jakubovich of the Historic Preservation staff as follows: Phone: (414) 286-5712 Fax: (414) 286-3004 E-mail: pjakub@milwaukee.gov. If permits are required, you are responsible for obtaining them from the Milwaukee Development Center. If you have questions about permit requirements, please consult the Development Center's web site, www.milwaukee.gov/build, or call (414) 286-8210.
