Honorable Milele A. Coggs
Alderman, 6th Aldermanic District
Room 205, City Hall

SUBJECT: 6th ALD. DIST. - FILE #141490
INSTALL STOP SIGN ON WEST NASH STREET
AT NORTH 13TH STREET

Dear Alderman Coggs:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northwest corner of the intersection in the form of a hill and a bush that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

INSTALL STOP SIGNS ON WEST AUER AVENUE
AT NORTH 33RD STREET

Dear Alderman Wade:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northeast and southeast corners of the intersection in the form of a hill and a building that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

Dear Alderman Zielinski:

However, in compliance with your request, legislation will be prepared for consideration at the next Public Safety Committee meeting.

Very truly yours,
