To the Public Works Committee

Subject: Common Council Resolution File Number 131508

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 131508, being a resolution to grant a special privilege to Bridgestone Retail Operations LLC to keep and maintain a roof projection in the public right-of-way for the premises 3540 South 27<sup>th</sup> Street.

The applicant is requesting permission to construct, keep and maintain an excess roof projection in and above the east, variable width sidewalk area of South 27<sup>th</sup> Street. The 48-foot long section of roof projects 6 feet into the public way in excess of the 3 feet allowed under Section 245-4-1 of the Milwaukee Code of Ordinances.

We are not aware that the presence of said roof projection will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said roof projection to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Ghassan Korban  
Commissioner of Public Works

Art Dahlberg
