Regarding:

Your Class B Tavern License Application as agent for "Kipper LLC" for "Fore Milwaukee" at 530 N Water St.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. This report is written by Police Officer Gilbert Gwinn, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

The following applies to corporate officer Vjetor Isaj:

- On 02/08/02, Isaj was charged with Battery and Criminal Damage to Property by Cudahy Police Department. On 04/05/02, the charge of battery was amended to Disorderly Conduct and he was found guilty and fined. There was no disposition reported on the criminal damage charge.

Officers walked through the bar and did a rough count of about 140 patrons in the bar. When officers asked an employee working the door how many people were in the club and if he had a clicker with the exact amount of patrons, the employee working the door could not provide the officer with the count, nor did he possess a clicker with the count. Officers then spoke with Jared Siemers and brought to his attention that his license allows him to only operate till 1:30 am. Siemers stated that this was wrong and the officer asked Siemers to show him the license showing otherwise. Siemers provided his license where it showed his business must be closed by 1:30 am. Siemers continued to say this was wrong and asked to remain open till 2:30 am. Siemers was advised he could not and must close at time the license stated. Officers returned to the business at 1:30 am and observed the bar just starting to get patrons out of the establishment. At 1:50 am, the bar was free of patrons. A verbal warning was issued to the bar owner that in accordance with their license, all patrons must be out of the bar at 1:30 am and no later.

2. On 10/21/12 at 1:00 am, Milwaukee police went to 231 E Buffalo to meet with the owners and licensee regarding the hours of closing on their Class B Tavern license. Jared Siemers, along with Attorney Michael Whitcomb, were there and contended that the hours on the license was a typo by the city clerk and went on to say that they city can not modify the closing time of 2:30 am, as set by the State. A police sergeant advised them that for the time being, they needed to follow the terms stated on their license and close at 1:30 am. Attorney Whitcomb stated that his clients would be taking the citation for patrons after hours and remain open till 2:30 am. The police sergeant advised the Whitcomb that Siemers would not only be cited for patrons after hours, but police would also shut them down. Siemers, along with his partner, Sean Pliss, stated they would close at 1:30 am and would take care of licensing issues on Monday morning.

At 1:50 am, Milwaukee police went to 231 E Buffalo to verify that they were closed. Police observed a large group of people milling about on the sidewalk in front of the business and when officers drove by, observed a full bar with a large number of patrons inside. Police conducted a license premise check and observed patrons to be dancing and drinking. The DJ was still playing music and the bartenders were still serving. A police sergeant responded to the bar and ordered a count of patrons, which was found to be 167 patrons. A count of employees was also done and found to be at 23. Capacity posted was 170. Seimers was advised that citations would be issued for over capacity and patrons after hours.

REDACTED RECORD

I will have the matter looked into.

Sent from my iPhone

On Jun 18, 2014, at 5:01 PM,

There is a serious problem with Oak's Capacity at 231 E. Billialo, its astonishing how they eyen got the inspectors to OK a capacity of 250. The square footage is not enough to hold 250 ppl. Its not more than 2000 square feel in there.

Even if the square footage was correct the bathrooms do not correspond with the capacity srequirements anyway. There are 2 stalls in avoinces, and 2 stalls in the mens, as well as 1 unisex bathroom. Those stall numbers do not work for a capacity of 250. The 2 most important factors towards a capacity are both under the limit.

Ast looked up the license hearing of March 2013, Nancy O'Keefe (Executive Directive of the Third Ward) specifically objected to the capacity change of 170 to 250. That objection was agreed upon by the board. Oak's license was renewed, but without the change of capacity to 250 people. So why are they still openly operating at a 250 capacity. Look up their facebook as they say they are a capacity of 250, and the pictures are sickening how jam packed it is.

Its also important to note that the amount of people they keep in there is over 250.

There needs to be an investigation on this matter asap.

Lyas with my wife there one night. We were both getting bumped around so randomly that she sprained her ankle. People were shoulder to shoulder packed in there. It took too much time to get out to the front door. I asked for the manager, but the person pointed to the other side where I just came from and I was not going back that way. I did some research to come up with the information I just gave you. I guess my wife's sprained ankle and the obviousness of the capacity disgusted me to the point of my investigation. Someone will get huit one day. And I know the Third Ward's integrity is on the line. I live in that area. That place is definitely a NIGHT CLUB as Nancy Okeefe clearly objected to at the license hearing.

I will be looking for a major change and some serious police monitoring of that place in the near future.

4. On 09/21/2013 Milwaukee police responded to a fight complaint at 2300 West State Street, which was upgraded to a shots fired complaint. Investigation revealed there was a disagreement between patrons while inside the LBJ Club at 2302 West State Street. This became a fight outside the club during which a shot was fired from a handgun by one of the combatants. Milwaukee police incident report #13-264-0016 filed.

Item #3 previously reported, disposition added 01/21/2015.

- 5. On 03/20/2014 Milwaukee police responded to the shooting at 2302 West State Street (Talk of the Town). Investigation revealed the suspect was inside the business playing pool. The suspect began to wave a firearm around inside the business. A armed security guard stated the suspect was pushed out the front door. The armed security guard exited the building a short while later to check the perimeter. The security guard stated he heard shots fired and was shot in the neck. The security guard reentered the business and layed on the floor. While on the floor a patron took and carried away his firearm. Police were then called to St Josephs Hospital for a gunshot victim. The victim stated he was at the business and observed the suspect with the gun and observed the security guard chase the suspect out of the building. While outside the victim observed the security guard and the suspect exchange gunfire at which time the victim was shot in the foot. Officers recovered 16 spent casings from two different types of firearms. The establishment did have video but officers were unable to recover it on the night of the incident. Milwaukee police incident report #140890013 filed.

On 04/16/2014, the applicant and her fiancé (Christopher Jones) met with representatives from the Milwaukee police department and the District Attorney's office at Milwaukee police district #3 in response to the shooting described in item #5. During this meeting, the applicant explained that she employs security through a third party she knows only as "Don" and pays the security guards in cash. The applicant told police that what happens outside of the business is not her responsibility and inquired about not having any security so she would not have to deal with the responsibilities. The applicant told police she would impose an age restriction during all hours of operation, and she planned on shutting down the pool table at night. She also stated she would keep two security officers on weekends.
- 7. On 04/26/2014 Milwaukee police responded to a battery complaint at Mt. Sinai Hospital. Investigation revealed the victim had been a patron of the business at 2302 West State Street (Talk of the Town) around 2:00am, where she had been punched and slapped by another patron. Milwaukee police incident report #141160036 filed.

8. On 07/17/2014 Milwaukee police responded to a shots fired complaint at 2302 West State Street (Talk of the Town). Surveillance video obtained from the business shows the suspect exit an auto parked on the same corner as the business. The suspect appears to have dialog with a person in front of the business; the suspect then enters the business. The suspect orders a drink, and exits the business. The suspect has a dialog with the same person he encountered when he entered the business, who follows the suspect back to his car. As the suspect car is driving away, the suspect appears to fire several shots at this same person. There was damage to the building as a result of this incident, but no injuries were reported. Milwaukee police incident report #141980018 filed.

PA-33E Narrative

This report is written by P.O. Frank YINKO, District Three, Late Power Shift. The following information is based on Squad 3340's (P.O. Corianna CHISUM and P.O. Scott WIETING) incident reports (IR# 141980018) and surveillance video. On 07-17-14, Squad 3340 was dispatched to a Shots Fired call at 2302 W. State St. (Talk of the Town).

P.O. CHISUM reported unknown actor(s) fired multiple rounds from the street. One bullet went through the window of an occupied business (Talk of the Town). According to witness statements, there were patrons seated inside of the premises near the front window at the time of the shots fired. The patrons were in close proximity (within 4 feet) of where the round entered the window. The patrons who were seated in close proximity did not stay on scene, therefore were not listed as victims in the original report. No patrons were struck by rounds fired. Another round shattered the front glass swing door of an occupied residence (1012 N. 23rd St.). That round did not enter the residence, and the bullet fragment was located on the porch. P.O. CHISUM and P.O. WIETING recovered seven 9mm casings in the street between 2302 W. State St. and 2314 W. State St. Additionally, 3 bullet fragments were found in the street directly in front of 2302 W. State St. One of the bullets fired struck the front window located on the south wall (facing W. State St.) of the premises. This bullet went in through the front window and struck the window frame of a window located on the east wall

P.O. WIETING interviewed the licensee, Dyan A. WARD, who was present at the premises during the incident. WARD stated at approximately 1:40am, approximately 8 gunshots were heard and one of the bullets penetrated the south-facing window of the premises. WARD stated there were no fights inside of the premises that would have lead to the shots being fired. WARD stated a black male, wearing a white tee shirt and black pants, came inside the premises immediately after the shots were fired. WARD stated the man thought he was shot, but soon realized that he was not. The male left the scene before police arrived on scene.

of the premises. The bullet fragment was found on the floor in the southeast corner of the premises.

I obtained the surveillance video from WARD on 07-29-14. The video showed the suspect exit the front passenger door of a small 2-door vehicle on the same corner as the premises. The suspect appeared to have dialog with a citizen in front of the premises before he entered. The suspect ordered a drink, and soon exited the premises. The suspect, and the same citizen, appeared to exchange dialog again. The citizen followed the suspect to his vehicle, and as the vehicle drove away, the suspect appeared to fire several rounds at the same citizen. Another citizen fell out of a large, dark SUV, which was parked in front of 2302 W. State St. This citizen was the male who entered the premises, and believed he was shot. These two citizens entered the same large, dark SUV and left the scene north on N. 23rd St. before police arrived on scene.

I advised the licensee, Dyan A. WARD, on 07-19-14, at 9:38pm, that I would file a Licensed Premise Report regarding this incident.

Responding Squads:

Squad 3340 - P.O. Corianna CHISUM and P.O. Scott WIETING

Squad 3456 - P.O. Jason SCHULZ and P.O. Procopio ORLANDO

Squad 1930 - Forensic Investigator Lee VEDBRAATEN

NARRATIVE SECTION: This report is written by P.O. Ashley VAN DRISSE, assigned to District 3, late power shift.

This report is a summary from IR# 14-089-0013 (Recklessly Endangering Safety) which occurred on Sunday, March 30, 2014 at 1:50AM, at the "Talk of the Town" tavern located at 2302 W. State St. This establishment does hold a valid City of Milwaukee Class "B" Tavern license and Public Entertainment Premises license.

At 1:53AM, several Milwaukee Police Department patrol units (see below) responded to this location to investigate a shooting in which the armed security guard, later identified as Romero R. WILSON, M/B, 01-31-80, was shot.

Upon arrival, it was determined that WILSON was shot in the neck while outside of the tavern. A suspect, described as a, B/M, 25 to 30 yoa, 6'02, 170, medium complexion, with short dreads, was a patron of the tavern prior to the shooting and was observed possessing a handgun while inside the tavern.

According to witness statements, the suspect was inside the tavern that evening when an argument transpired in the rear of the tavern by the pool table. The suspect was then seen pulling a handgun from his pants pocket and waving the gun back and forth as he backed out of the bar towards the front door. The suspect was then subsequently pushed out of the tavern. About 5 minutes later, WILSON went outside to check the "Perimeter" of the tavern, when several gunshots rang out. WILSON then ran back to the front door of the tavern screaming that he had been shot. WILSON then reentered the tavern and laid down on the floor. While he was on the floor, a patron of the tavern took and carried away his firearm (Glock 22).

A short time later, another victim, Dale D. FISHER, M/B, 05-27-77, was discovered at St. Joseph's Hospital with a gunshot wound to his foot. FISHER stated that he sustained his gunshot wound during the shooting that occurred outside of this tavern. In regards to the incident, FISHER stated that he saw the suspect inside the tavern with a gun and ran out the back door to get away. FISHER stated that while he was outside the tavern he observed the suspect running in his direction with WILSON following after. FISHER then stated that WILSON took cover behind a vehicle and began firing his gun at the suspect. The suspect then fired back. FISHER stated that he realized he was then shot and was driven to the hospital.

Officers onscene did recover 16 spent casingns (9MM and 40 CAL).

Also, during this incident, the licensee, Dyan WARD'S, vehicle, which was parked at approximately 1011 N. 23rd St. was shot into four times causing moderate damage.

This tavern does have a functioning video surveillance system, but the footage could not be recovered on the night of this incident.

Dyan WARD was advised of this report while onscene.

NARRATIVE SECTION: This report is written by P.O. Ashley VAN DRISSE, assigned to District 3, late power shift.

On Wednesday, April 16, 2014 at 2:30PM, a problem solving meeting was held at District 3, in regards to the "Talk of the Town" tavern, located at 2302 W. State St. Those present were myself, P.O. Elizabeth HALLMAN, P.O. Thomas GUTHRIE, P.O. Melissa JONES, LT. Michael SCHMITZ, A.D.A. Christopher LADWIG, the licensee, Dyan A. WARD and her fiance, Christopher L. JONES. This meeting was set-up in response to the double shooting that occurred on March 30, 2014 (IR#14-089-0013), which involved security personnel and patrons of the tavern.

Some points of discussion were the functions of security personnel, in which Dyan WARD stated she employs two security guards on the weekend (one armed) and one during the week to check ID's and conduct pat-downs for weapons on patrons as they enter the establishment. Security also escorts any unruly patrons from the premises if need be.

WARD stated that her current security guards are from an unknown company and the point of contact is a subject named "Don" (no further information). WARD stated that her unarmed security guard's name is "Christopher" (no further information) and that the armed security guard, which is provided by "Don", varies so she does not recall any names of the armed security personnel. WARD also stated that she does not have any contracts with a security company or the security guards and that she pays them in cash. When concerns were raised about her security practices (liabilities) and ways to help better the issue (contracts), WARD responded by inquiring about not having any security at all so she wouldn't have to deal with any of the responsibilities, however it was brought to her attention that she has noted in her plan of operation that she will have at least one security guard on the premises during hours of operation.

When asked about possible incidents that may occur outside her tavern, WARD explained that whatever happens outside her tavern are not her responsibility. It was explained to WARD that if an incident occurs outside of her tavern involving patrons or other effects of the tavern, it could fall onto the business and thus becoming her responsibility.

When WARD was asked about how she would help to deter any future violent incidents from occurring at the tavern, WARD explained that she plans on imposing an age restriction during all hours of operation, instead of only 25 and up after 12:00AM, which is currently in place. WARD also stated that she plans on shutting the pool table down at night, because she has noticed some issues occurring between her patrons in regards to the game during the night hours. WARD also stated that she would continue to keep two security officers on the weekend days, due to the high volume of patrons.

This report is written by P.O. Elizabeth HALLMAN, assigned to District Three, Late Power Shift. The following information is based on IR #14-116-0036.

On 04-26-14 at 5:21am, P.O. Sean AINES and P.O. Scott WIETING, Squad 3350, were dispatched to a Battery complaint at Mt. Sinai Hospital. They spoke to the victim, Mildred HAYNES (B/F 1/16/75), who stated that she was battered at the bar located at 2302 W. State St. HAYNES stated that at approximately 2:00am on 04-26-14, she had been speaking with a subject at the bar who she only knows as "D-Boy". HAYNES stated that her and D-Boy had both been drinking and were both intoxicated when D-Boy began making sexual references towards HAYNES and when she denied his requests, he became angry towards her, yelling and suddenly became aggressive and grabbed her hair with his left hand and then slapped her across the face using his right hand. HAYNES explained that they began to tussle back and forth where D-Boy then grabbed ahold of HAYNES' shirt and punched her approximately 5 times in the left temple area causing pain, without consent. HAYNES related that D-Boy also ripped her shirt almost completely, exposing part of her chest.

P.O. AINES observed that HAYNES had swelling to her left temple area, where she had reportedly been struck. HAYNES also showed P.O. AINES strands of her hair that had been pulled out during the assault.

On 05-05-14, we conducted follow up at 2302 W. State St., WARD stated that she only knows "D-Boy" as D-Boy and that he is in his 20's and comes up to the bar once in a while. WARD did not recall the battery incident. WARD was notfied at 9:15pm of the PA-33.
