To the Honorable Common Council
Zoning, Neighborhoods and Development Committee
City of Milwaukee

Dear Committee Members:

Attached is File No. 020636, relating to the final plat of Parklawn Resubdivision, being a proposed residential subdivision containing 5 blocks for existing multi-family residential buildings and 20 lots for future construction and sale of single-family dwellings, located on the west side of North 6th Street and North of West Vine Street, in the 1st Aldermanic District.

The plat has been reviewed and approved by the City Engineer and Commissioner of Public Works.

Since the subject final plat is in accord with the approved preliminary plat, Chapter 119 of the Milwaukee Code, and Chapter 236 of the Wisconsin Statutes, the City Plan Commission at its regular meeting on August 12, 2002 recommended approval of the attached resolution.

Sincerely,

Julie A. Penman
Commissioner
Department of City Development
