## **Annual Report**

Over the course of 2002, the Historic King Drive Business Improvement District continued to see growth in the BID. The opening of the new Ponderosa across from the Ameritech King Commerce Center and the addition of Wong's Wok is hopefully a sign of further economic growth in the northern half of the district. The southern half of the district continued its strong growth with the addition Eat 3's within the former Sander's Superbowl site. Several buildings have begun to change hands as developers begin to speculate on two events that will change the southern half forever—the demolition of the Park East Freeway and the construction of the Harley Davidson Museum. The Park East Freeway project is scheduled for completion in June, 2004. The Harley Davidson project is scheduled for completion by 1st Quarter, 2005.

The housing market continued its growth with the Stumpf & Langhoff Company Building (formerly the Safer Liquor Building) currently under construction and the opening of Reservoir Lofts, an upscale condominium project. Cobblers Loft Condominium project announced the development of additional units within the Brewer's Hill neighborhood due to demand. The Mandel building was sold to New Land Development for future housing as well.

The King Drive BID continued to sponsor special events in order to promote the King Drive area to potential developers, retailers, and to the City of Milwaukee at large. This years Schlitz Park/Brewer's Hill Cycling Challenge had its largest international field. The future of the bike race is a challenge for 2003 as we seek additional sponsorship. More than 5,000 spectators were present as these riders competed on what is now being called, "The Toughest Short Course" on the tour.

Throughout 2002, the King Drive BID maintained its status as the place to watch. Property values within the BID increased by over 28%. While the number of major projects was down, efforts to focus on improving current businesses increased. By making these smaller businesses stronger, the BID has strengthened its base. This stronger base has already begun to produce major benefits for the area at large. The Board of Directors for the King Drive Business Improvement District is looking forward to 2003, its tenth anniversary.

Sincerely,

Sam Denny

Chairman of the Board

Historic King Drive BID #8

## Historic King Drive Business Improvement District BID Number 8 Year Ten Operating Plan

#### Introduction

In 1984, the Wisconsin Legislature created Sec. 66.608 of the Statutes enabling cities to establish Business Improvement Districts (BIDs) upon the petition of least one-property owner within the proposed district. The purpose of the law is "... to allow businesses within those districts to develop, manage and promote the districts and to establish an assessment method to fund these activities." On September 17, 1992, the Common Council of the City of Milwaukee by Resolution File Number 920644, created Business Improvement District Number 8 (Historic King Drive) and adopted its initial operating plan.

Section 66.608 (3) (b), Wis. Stats. requires that a BID Board of Directors "...shall annually consider and make changes to the operating plan. The Board shall then submit the operating plan to the local legislative body for its approval." The Board of Directors of Historic King Drive Business Improvement District Number 8 submits this 2003 Operating Plan in fulfillment of the statutory requirement.

This plan proposes a continuation of activities described in the initial (July 1992) BID Operating Plan. Therefore, it incorporates by reference the Year 1 Operating Plan as adopted by the Common Council of the City of Milwaukee. In the interest of brevity, this plan details the elements that are required by Sec. 6.608, Wis. Stats., and any proposed changes for 2002. It does not repeat the background information that is contained in the Year 1 Operating Plan nor includes the Business Improvement District statute, original petitions or the City of Milwaukee Attorney's Statement.

## Relationship To Milwaukee's Comprehensive Plan & Orderly Development of the City

No changes in District planning/zoning have occurred since adoption of the 2002 Operating plan.

#### District Boundaries

The Boundaries of the District are displayed in Appendix A. A complete listing of District properties both assessed and exempt is provided in Appendix B.

## **Proposed Operating Plan**

## Plan Objective

The objective of the Business Improvement District No. 8 is to develop, redevelop, maintain, operate and promote the area of Historic King Drive.

## **Proposed Activities**

The principal activities to be engaged in by Business Improvement District No. 8 during its tenth year of operations are to include but not limited to operating a district office to promote new

development and the increase value of present improvements by providing staffing, equipment, supplies and resources to:

- > Respond to questions about available space for lease or purchase;
- ➤ Coordinate and support volunteers to promote private and public financing of District development activities;
- > Coordinate business recruitment and business development;
- > Provide informational materials regarding business and property opportunities;
- > Encourage increased police protection and safety programs;
- > Maintain maintenance program;
- > Publish and distribute District information and promotional materials;
- > Initiate publicity and media coverage of District activities;
- > Promote the unique historical significance and commercial mix of the District;
- > Encourage design-sensitive renovations of buildings in the District;
- > Plan and coordinate special events; and
- > Review and implement redevelopment plan.

### **Financing Method**

The proposed expenditures will be financed from funds collected from the BID assessments, voluntary private contributions and public grants. The estimated assessed value of BID-eligible properties within the District is \$110,795,100. Approximately, \$149,460 or about fifty-eight percent of the BID budget will be raised through BID assessments. An additional \$21,000 or ten percent from the City of Milwaukee's contribution will serve as a second component of the BID's budget. The City of Milwaukee has provided this contribution since the BID's inception.

The BID Board of Directors shall have the authority and responsibility to prioritize expenditures, and to revise the budget as necessary during the year to match the funds available.

#### Method of Assessment

#### **Assessment Rate and Method**

The principle behind the assessment methodology is that each parcel's owner should pay for District development in proportion to the benefits derived. Obviously, not every parcel within the District will benefit equally, but it is assumed that development of the District will produce at least some minimum benefit for all parcels. Thus, a \$125 minimum assessment has been applied to taxable properties. Additionally, a cap of \$1,500 or maximum assessment per parcel is applied.

The use of a minimum and maximum value is designed to reflect the expected benefits to the area by the BID. Since most of the proposed BID activities are district-wide and not property specific, the proposed minimum assessment is designed to spread a level of cost to all properties within the District. Above this minimum level, it is believed that there will be some additional benefits received based upon the value of the property. However, these benefits are not necessarily directly proportional to value. Therefore, a cap of \$1,500 is proposed since no one large property stands to gain significantly more benefits than other properties.

BID-eligible properties are assessed in the following manner:

- An unimproved tax parcel is assessed at a rate of \$4/1,000 of assessed value up to a maximum BID Assessment of \$1,500. No minimum assessment is applied to unimproved parcels.
- There is a \$125 minimum assessment on all BID-eligible improved tax parcels valued at \$10,000 or less.
- For improved tax parcels valued over \$10,000, the assessment is \$125 plus \$4/1,000 assessed value for the amount over \$10,000, up to a maximum of \$1,500.

## **Excluded and Exempt Property**

The Business Improvement District law requires explicit consideration of certain classes of property. In compliance with the law, the following statements are provided:

- Sec 66.608 (1) (f): "The District will contain property used exclusively for manufacturing purposes, as well as, properties used in part for manufacturing. These properties will be assessed according to the method set for in the BID plan because it is assumed that they will benefit from development in the District."
- Sect 66.608 (5) (a): "Property known to be used exclusively for residential purposes will not be assessed."

## **City Role In District Operation**

The City of Milwaukee has committed assistance to private property owners in the District to promote the area's development. To this end, the City of Milwaukee has played a significant role in the creation of the Business Improvement District, and intends to assist in the implementation of the Operating Plan. In particular, the City of Milwaukee will:

- > Provide assistance as appropriate to the BID Board of Directors;
- Monitor and apply for outside funding which could be used in support of the District;
- > Collect BID assessments and maintain them in a segregated account;
- Disburse all funds of the District, no earlier then January 31, 2003 and no later then March 31, 2003. Disbursement of the full amount assessed by the District shall be made without reference to the amount of assessments collected by the City by the date of disbursement;
- ➤ Obtain a copy of the annual audit from the **BID** Board of Directors as required per Sec. 66.608 (3) (c) of the BID law prior to September 1 of the following year;
- Provide the Board of Directors through the Tax Commissioner's office on or before July 1 of each plan year with the official City of Milwaukee records on the assessed value of each tax key number within the district as of January 1 of each plan year and provide an update immediately prior to preparation of tax bills for purpose of calculating the actual BID assessments for the following plan year; and
- > Encourage the State of Wisconsin, County of Milwaukee and other units of government to support the activities of the District.

The presentation of this plan to the City of Milwaukee shall be deemed a standing order of the Board of Directors under Sec. 66.60 8 (4) Wis. Stats. to disburse the BID assessments without

necessity of an additional disbursement agreement, disbursement method or accounting method. Budget authority made under this plan shall be shown in the City's budget as a line item.

## Business Improvement District No. 8 Board of Directors

The current BID No. 8 Board of Directors is comprised as follows:

## Term Expiring 2004

- > Steve Bialk
- > Samuel Denny
- J. Allen Stokes
- ➤ Chuck Coakley
- > Bezelee Martin

## Tern Expiring 2003

- > Robert Ferriday III
- > Fletcher Crawford
- > Sherman Hill
- David Rotter
- > Suhail Sarsour
- ▶ Daniel Zens
- ▶ Jai Barber
- > Stacy Hasan

As stated in BID No. 8's bylaws, the Board of the Directors will be composed of fifteen board members of whom 12 shall be owners of commercial property and/or operators of businesses within the District boundaries. The remaining 3 board positions shall be open to representatives that function within the environs of the District. If the Board size increases to more than 15, all additional Board members must be commercial property owners and/or operators of businesses within the District.

## Contracting with BID #8

Any contracting with the BID shall be exempt from the requirements of Sec 62.15, Wis. Stats. because such contracts shall not be for the construction of improvements or provision of materials. If the BID does contract for the construction of improvements or provisions of material, it shall follow the requirements of such statutes to the extend applicable. Further, the annual accounting required under Sec 66.608 (3) (c) Wis. Stats., shall be deemed to fulfill the requirements of Sec 62.15 (14) Wis. Stats. The BID Board of Directors and the City of Milwaukee shall comply with the provisions of Sec. 66.60 before the City inserts assessments for this BID plan onto the tax bills for the parcels assessed thereunder, only to the extent required by law, to create a lien on the parcels assessed.

## Severability And Expansion

The Historic King Drive BID No. 8 was created under authority of Sec. 66.608 of the Statutes of the State of Wisconsin.

Should any court find any portion of this statute invalid or unconstitutional said decision will not invalidate or terminate the Business Improvement District, and this plan shall be amended to conform to the law without need of re-establishment.

Should the Wisconsin State Legislature amend the statue to narrow or broaden the process of a Business Improvement District so as amongst other things to exclude or include as assessable properties a certain class or classes or properties, then this BID plan may be mended by the Common Council of the City of Milwaukee as and when it conducts its annual budget approval and without necessity to undertake any other act.

All the above is specifically authorized under Section 66.608 (3) (b).

## Future Year's Operating Plans

It is anticipated that the BID will continue to revise and develop the operating plan annually, in response to changing development needs and opportunities in the District, in accordance with the purposes and objectives defined in the initial operating plan.

Section 66.608 (3) (a) of the BID law requires the BID Board of Directors and the City of Milwaukee to annually review and make changes as appropriate in the District plan. Therefore, this documents focuses upon Year Eight activities. Information on specific assessed value, budget amount and assessment amount is based on Year Nine conditions.

In later years, the BID plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessment shall not be materially altered, except with the consent of the City of Milwaukee.
