BRADY STREET BUSINESS AREA
2003 OPERATING PLAN**

**BUSINESS IMPROVEMENT DISTRICT #11
BRADY STREET BUSINESS AREA
2003 OPERATING PLAN**

I. INTRODUCTION

In 1984, the Wisconsin legislature created s. 66.608 of the Statutes enabling cities to establish Business Improvement Districts (BIDS) upon the petition of at least one property owner within the proposed district. The purpose of the law is "....to allow businesses within those districts to develop, to manage and promote the districts and to establish an assessment method to fund these activities." Upon petition from property owners within the Brady Street Business District, the Common Council of the City of Milwaukee, on September 28, 1993, by Resolution File Number 930854, created BID No. 11 (Brady Street Business Area) and adopted its initial operating plan.

Section 66.608(3) (b), Wisconsin Statutes requires that a BID board "shall annually consider and make changes to the operating plan.....the board shall then submit the operating plan to the local legislative body for approval." The Board Of BID No.11 (Brady Street Business Area) submits this 2003 operating plan in fulfillment of statutory requirement.

This plan proposes a continuation and expansion of the activities described in the initial (JULY 1993) BID operating plan. Therefore, it incorporates by reference the earlier plan as adopted by the Common Council. In the interest of brevity, this plan emphasizes the elements which are required by section 66.608, Wis. Stats., the proposed changes for 2003, and does not repeat the background information which is contained in the earlier plan

II. DISTRICT BOUNDARIES

Boundaries of the district are shown on the map in Appendix A of this plan. A listing of the properties in the district is provided in Appendix B.

III. PROPOSED OPERATING PLAN

A. Plan Objectives

1. The Business Improvement District has been used to finance Brady Street property owners' share of "streetscape" improvements in the public sidewalk area.

The objectives of this streetscape project were as follows:

- a. Protected and reinforced the street's historic character
 - b. Acted as a catalyst for private investment
 - c. Improved the overall appearance and image of the street, as well as include a public art project which was done to enhance and encourage pedestrian traffic.
 - d. Enhanced safety and security by increasing the amount of street lighting.
2. Organize the commercial interests on the street in order to facilitate joint economic development.
 3. Work with area organizations, schools and churches to solidify, enhance and strengthen the residential base of the neighborhood.
 4. Work on creating and enhancing infrastructure to augment commercial connections to neighborhoods by facilitating and encouraging non- automotive modes of transportation.

B. Proposed Activities

Principal activities to be undertaken by the district will include:

1. Continue to monitor, maintain and repair the streetscape.
2. Monitor the installation and implementation of streetscape improvements, including new kiosks, and plan for gateways to the district.
3. Continue to market and promote the area through joint advertising, kiosk signage, sponsorship of events and seasonal decorations.
4. Refine the plan and begin installation of Crossroads' Project Phase 3 (the Marsupial Pedestrian Bridge).

5. Continue to work with County and State to rebuild Brady Street Pedestrian Bridge (Prospect Ave to the Lakefront)
6. Continue to investigate and study parking options and alternatives for patrons of the commercial district.

C. Proposed Expenditures:

Streetscape Loan Repayment #9:	\$58,698.00*
Capital Maintenance and repair	11,500.00
Trees / Cleaning / Upkeep	8,500.00
Advertising, Promotions, Events, & Seasonal Decorations:	27,500.00
Direct Operating Expenses.....	3,032.00
Parking.....	10,000.00
Staff	5,000.00

Total Expenditures:..... \$124,230.00

Proposed Income:

BID Assessments	122,050.00
Interest	1,580.00
Other Income.....	600.00

Total Income: \$124,230.00

*Annual payment of principal and interest on a loan of \$582,000.00, 15 year term, 6.25% interest rate.

D. Financing Methods:

It is proposed that the City of Milwaukee and the district jointly and cooperatively fund the streetscaping. The district's share of the cost of the streetscaping and the operating expenses of the district will be funded by special assessment on the properties within the district.

The district will enter into a development agreement with the City of Milwaukee. The agreement will include the issuing of municipal bonds for the district's portion of the

cost. The district shall pay each year for the term of the bonds, the amount necessary for principal, interest and other expenses on its portion of the cost.

The development agreement will constitute a long term commitment and the district will not be terminated until all repayments to the City have been made and adequate provision is made for the operation and management of the improvements financed through the district. The development agreement will be in addition to this operating plan. Adoption of the development agreement by both the City of Milwaukee and the BID Board will be necessary.

Allocation of the district's annual expenses will be based on each individual property's assessed valuation as a percentage of the district's total assessed valuation. It is proposed to raise \$122,050.00 in 2003 through BID assessments. (see Appendix B). The BID Board will have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

E. Bid Board

The Board's primary responsibility will be implementation of this Operating Plan. This will require the Board to negotiate with providers of services and materials to carry out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan and to ensure district compliance with the provisions of applicable statutes and regulations.

The Bid Board is structured and operates as follows:

1. Board size - Seven
2. Composition - At least three members shall be owners or occupants of property within the District. Any non-owner or non-occupant appointed to the Board shall be a resident of the City of Milwaukee. The Board shall elect its Chairperson from among its members.
3. Term - Appointments to the Board shall be for a period of three years.

4. Current Board: Ellen Callahan - Chair
Julilly Kohler - Vice-President
Pat Suminski - Treasurer
Leroy Buth – Director
Michael Eitel – Director
Josephine Fazio – Director
5. Compensation - None
6. Meetings - All meetings of the Board shall be governed by the Wisconsin Open Meetings Law.
7. Record Keeping - Files and records of the Board's affairs shall be kept pursuant to public records requirements.
8. Staffing - The Board may employ staff and/or contract for staffing services pursuant to this plan and subsequent modifications thereof.
9. Meetings - The Board shall meet regularly, at least twice a year. The Board has adopted rules of order (by-laws) to govern the conduct of its meetings.

IV. METHODS OF ASSESSMENT

A. Assessment Rate and Method

The principle behind the assessment methodology is that each property should contribute to the BID in proportion to the benefit derived from the BID. After consideration of other assessment methods, it was determined that assessed value of a property was the characteristic most directly related to the potential benefit provided by the BID. Therefore, an assessment on the assessed value of the property was selected as the basic assessment methodology for this BID.

As of January 1, 2003, the property in the proposed district has a total assessed value of approximately \$38.0 million. Appendix B shows the projected BID assessment for each property in the district.

B. Excluded and Exempt Property

The BID law requires explicit consideration of certain classes of property. In compliance with the law the following statements are provided.

1. State Statute 66.608(1)(f)lm: The district will contain property used exclusively for manufacturing purposes, as well as properties used in part for manufacturing. These properties will be assessed according to the method set forth in this plan because it is assumed that they will benefit from development in the district.
2. State Statute 66.608(5)(a): Property known to be used exclusively for residential purposes will not be assessed; such properties will be identified as BID Exempt Properties in Appendix B, as revised each year.
3. In accordance with the interpretation of the City Attorney regarding State Statute 66.608(1)(b), property exempt from general real estate taxes have been excluded from the district. Privately owned tax exempt property which is expected to benefit from district activities may be asked to make a financial contribution on a voluntary basis.

V. RELATIONSHIP TO MILWAUKEE COMPREHENSIVE PLAN AND ORDERLY DEVELOPMENT OF THE CITY

A. Area Planning and Zoning

No changes in District planning or zoning have occurred since adoption of the initial operating plan in 1993.

B. City Role in District Operation

The City of Milwaukee has committed to helping private property owners in the District promote its development. To this end, the City has played a significant role in the creation of the Business Improvement District and in the implementation of the Operating Plan. In particular, the City will:

1. Provide technical assistance to the proponents of the district through adoption of the Plan, and provide assistance as appropriate thereafter.
2. Monitor and, when appropriate, apply for outside funds which could be used in support of the district.

3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
4. Receive annual audits as required per sec. 66.608(3)(c) of the BID law.
5. Provide the Board, through the Tax Commissioner's Office on or before June 1st of each Plan year, with the official City records on the assessed value of each tax key number with the district, as of January 1st each Plan year, for purposes of calculating the BID assessments.
6. Encourage the State of Wisconsin, Milwaukee County and other units of government to support the activities of the district.

VI. FUTURE YEAR OPERATING PLANS

A. Phased Development

It is anticipated that the BID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in this Operating Plan.

Section 66.608(3)(a) of the BID law requires the Board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the complete development program, it focuses upon 2003 activities, and information on specific assessed values, budget amounts and assessment amounts are based on anticipated 2003 conditions. Greater detail about subsequent year's activities will be provided in the required annual Plan updates, and approval by the Common Council of such Plan updates shall be conclusive evidence of compliance with this Plan and the BID law. NOTE: Amended Improvements List approved by the Common Council March 12, 2001 – See Appendix D.

In later years, the Bid Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the consent of the City of Milwaukee.

B. Amendment, Severability and, Expansion

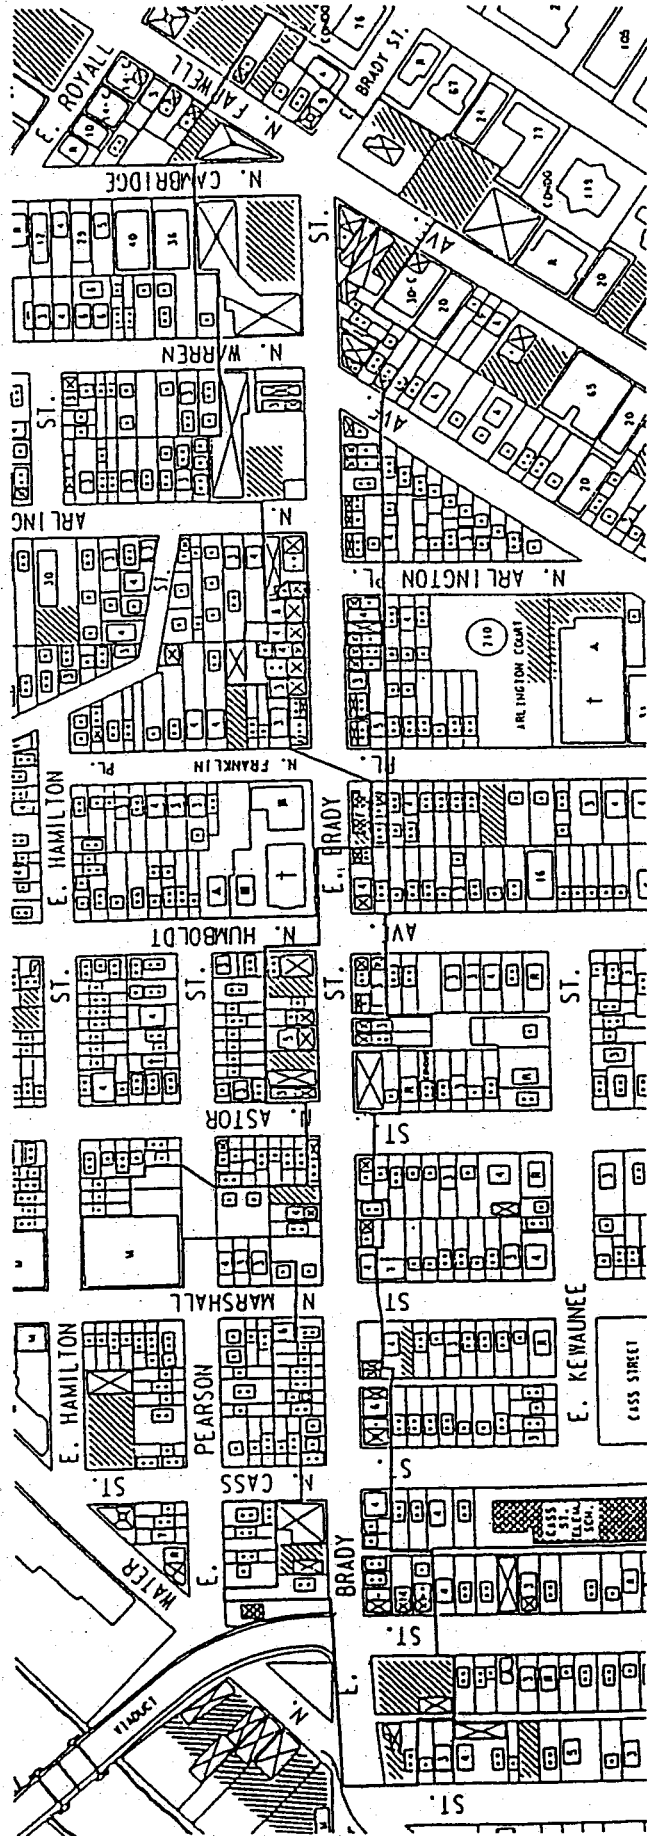

This BID has been created under authority of section 66.608 of the Statutes of the State of Wisconsin. Should any court find any portion of this Statute invalid or unconstitutional, its decision will not invalidate or terminate the BID and this BID Plan shall be amended to conform to the law without need of reestablishment.

Should the legislature amend the Statute to narrow or broaden the process of a BID so as to exclude or include as assessable properties of a certain class or classes of properties, then this BID Plan may be amended by the Common Council of the City of Milwaukee as and when it conducts its annual Operating Plan approval and without necessity to undertake any other act. This is specifically authorized under Section 66.608(3)(b).
