Mr. Tony Zielinski
Common Council Administration Manager
City Clerk's Office
City Hall, Room 205

Dear Mr. Zielinski:

The Health Department is submitting the following grant resolutions for Common Council approval:

Pilot Ordinance Evaluation Grant - This resolution approves changes to the existing grant funded by the Batelle Organization. Additional funding has been received and the grant has been extended for an additional nine months. The purpose of the grant is to evaluate the feasibility, costs and effectiveness of the Pilot Project for lead based paint hazard control in residential property.

Tobacco FACTS Grant - This is a new mini-grant funded by the State of Wisconsin. The grant will sponsor a FACT event (Family and Community Town Suppers) in 2003.

Coordinated Community Response Grant - Funded by the U.S. Department of Justice through the State of Wisconsin Office of Justice Assistance, this continuing grant will enhance and expand the Coordinated Community Response coordinated by the City of Milwaukee's Commission on Domestic Violence.

Sexually Transmitted Diseases Grant - This resolution amends C.C. File 020043 which approved the application, funding and expenditures to this grant. An amendment is required because of additional funding being received.

Lead Poisoning Prevention Grant - This is a continuing grant funded by the Centers for Disease Control through the State of Wisconsin Division of Health and Family Services. The grant supports comprehensive and coordinated services to lead-poisoned children and their families. Position changes are included in the resolution.

2003 Consolidated Contract - This amendment approves changes to the 2003 Consolidated Contract, originally approved by C.C. File 021548. Additional funding is being received. Position changes are included in the resolution.

All appropriate paperwork is attached. Thank you for your consideration.

Sincerely,

Janet Nell
Administrative Specialist-Sr.
