May 19,2003

Good morning, Committee Members.

My name is "Red" Christensen, and I am the General Manager of Yellow Cab of Milwaukee, Inc., which is a registered corporation with the State of Wisconsin. Under the Chapter 100 Public Passenger Vehicle Regulations, Milwaukee Code of Ordinances, we are requesting the use of the color white for all Yellow Cab of Milwaukee, Inc. vehicles.

One of every three of Yellow Cab of Milwaukee, Inc.'s vehicles will be a wheelchair accessible minivan. These vehicles will be 2000 to 2003 Ford Windstars minivans, equipped with taxi meters. Please see attachment.

The citizens and visitors of Milwaukee have voiced a need for demand-response wheelchair accessible services, and minivans. Many taxi companies have already implemented wheelchair accessible taxi cabs, in cities across the country.

A number of requests for wheelchair accessible vehicles have come from travellers at the airport, where request-demand is especially important. Yellow Cab of Milwaukee, Inc. is ready to provide this much-needed service.

As per the Chapter 100 ordinance, my request today is that the Committee approve the color white for Yellow Cab of Milwaukee, Inc.

Thank you.
