SUBJECT: 4TH ALD. DIST. – FILE #030615
INSTALL FOUR-WAY STOP ON
WEST KILBOURN AVENUE AND NORTH 26TH STREET

Dear Chairperson:

This is in response to a request we received from Mr. Todd Honeyager to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the crash data received from the Milwaukee Police Department revealed an increase in crashes at this intersection that would warrant the above captioned control. We, therefore, in the interest of public safety, recommend the installation of a four-way stop control at this intersection.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
