MUNICIPAL AGREEMENT AMENDMENT NO. 1

Wisconsin Department of Transportation

2000 S.84.09(1) Wis. Stats.

Utility Project ID Number	County	UA Number
1060-05-48	Milwaukee	200
Road Name		Highway IH 43 from Wells Street
Marquette Interchange Reconstruction (1060-05-71)		to North Avenue
Utility name		
City of Milwaukee - Department of Public Works - Milwaukee Water Works (Water	er)	

The agreement in effect between the above named Utility and the State of Wisconsin, Department of Transportation, Division of Transportation Infrastructure Development for the performance of certain work on the above project shall be changed in the following particulars. The acceptance of this amendment by the Utility and its approval by the Wisconsin Department of Transportation shall constitute a mutual agreement as part of the original agreement binding upon both parties in the same manner as though the essence of the amendment had originally been in the agreement.

Reason for Amendment:

This Municipal Agreement Amendment No. 1 is to add the North Leg (1060-05-71), the second construction contract in the reconstruction of the Marquette Interchange. The original Municipal Agreement for this Parcel was executed under the construction contract for West Clybourn Street (1060-05-78).

Change to Current Agreement

ITEM	EXPLANATION		
City Water facilities.	Addition of relocations, reconstructions and adjustments of City Water facilities as necessary for the reconstruction of the North Leg of the Marquette Interchange.		

The parties have caused this Agreement to be executed by their proper officers and representatives on the date shown.

GRANTOR, for and in consideration of the sum of grants and conveys any and all rights and interest which, by virtue of prior title, easement, license, or other legal devices, GRANTOR holds in the land described below to the State of Wisconsin, Department of Transportation, GRANTEE, for the purposes of constructing, operating, and maintaining a public highway and appurtenant facilities on, over, under, or across the said land; provided, however that GRANTOR reserves to itself the subordinate right to cross, traverse, or otherwise occupy said land with its present and future underground water lines, appurtenant facilities, and supporting structures in a manner consistent with the purposes of this conveyance and in a manner which will not interfere with normal highway maintenance and operation; provided, further, that the costs of any relocation or alteration, now or in the future, of the water lines, appurtenant facilities, or supporting structures when required by the GRANTEE for any reason, including accommodating future expanded or additional highway facilities on, over, under or across said land, will be paid by the GRANTEE; provided, however, that the costs of such relocation or alteration, or of the installation of new or additional facilities when done at the instance of and for the purposes of the GRANTOR, will be defrayed by the GRANTOR.

This conveyance shall be binding on the GRANTOR, GRANTEE, and their respective successors and assigns.

Any person named in this conveyance may make an appeal from the amount of compensation within six months after the date of recording of this conveyance as set forth in s.32.05(2a) Wisconsin Statutes. For the purpose of any such appeal, the amount of compensation stated on the conveyance shall be treated as the award, and the date the conveyance is recorded shall be treated as the date of taking and the date of evaluation.
