City Clerk
Attn: Claims

200 E. Wells Street, Room 205 Milwaukee, WI 53202-3567

SS 8 NV C BOY 70

Dear Sir:

We are filing a claim under WI stats Section 893.80(1) with regard to the sewer back up of May 14, 2004 that took place in our home at 2610 W. Villard Avenue, Milwaukee. During the heavy rainfall on Friday 5/14/04 the MMSD refused to open the gates to the river and lake and as a result of the City's negligence sewer water backed up into our basement. We had one foot of sewer water in our basement before we could get a pump connected and remove the sewer water out of our house.

During this time my wife was making frantic calls to MMSD. After being passed from one department to another she finally had someone tell her they could not let the sewer water into the lake because of fines being levied against them. The gates had been opened at 3 PM but it takes awhile to empty and just be patient. It was now after 5 PM, so we just gave up trying to reach anyone and started trying to salvage our belongings.

Enclosed is a list of items that had to be disposed of. All of our receipts, warranties and cancelled checks have been destroyed, not too mention school year books, photo albums and children's school and sports awards.

We were so distressed at the damage caused by this negligence that we called Alderman Hamilton and let him know how this one action by the City of Milwaukee caused us so much anger, frustration and heartbreak. Alderman Hamilton visited our home on Monday 5/17/04 and listened to our story and toured the damage to our basement. He also assisted us in filling out the basement back-up paperwork giving information to the City of Milwaukee and MMSD dated 5/24/04 (enclosed).

We have also worked with Mr. David Brown, with GAB Robins North America, Inc. who came to house and evaluated our claim. The carpeting, paneling, and insulation have to be replaced in the basement. Please do not delay in processing this claim, so we can proceed and complete the process of returning our basement and our lives back to normal.

Sincerely.

Cliff and Laura Van Beek 2610 W. Villard Avenue Milwaukee, WI 53209
