NOTICE OF INJURY TO AND
CLAIM AGAINST THE CITY OF MILWAUKEE

Notice is hereby given to, and claim is hereby made against, the City of Milwaukee (the "City") by Timothy J. Brophy, Jr. ("Claimant") this 10th day of May, 2004 as follows:

On and between February 1, 2004 and February 15, 2004 the City, through the Department of Neighborhood Services ("DNS"), caused to be razed the building on the property located at 2008A N. 2nd St., Milwaukee, WI, (the "Building"), of which Claimant was, and continues to be the owner, despite the fact that the Building had no structural defects, had significant rehabilitative work performed on it by Claimant's agents within the preceding 120 days, and was not occupied. Representatives of DNS had supervised, inspected and approved the rehabilitative work, and were aware that within the preceding 120 days the Building had been vandalized and that Claimant was in the process of completing repairs to the Building, and that the vandalism had no impact upon the structural integrity of the Building. At the time that it was razed, the Building was worth $100,000.00, and it would have cost no more than $20,000.00 to complete the repairs.

Wherefore, claim is made against the City in the amount of $100,000.00.
