Dear Sir,

RE: SISTER-CITY RELATIONSHIP BETWEEN THE CITY OF MILWAUKEE AND BOMET, KENYA

Greetings from the County of Bomet!

We are pleased to note that Pan African Community Association (PACA) has agreed to sponsor the relationship between the City of Milwaukee, Wisconsin and Bomet County, Kenya.

Bomet Development Trust (BDT), the entity mandated to work with PACA in the sister-city relationship process, is registered under Public Trustee Act, Laws of Kenya. Its membership (trustees) is drawn from the business and farming community, the civil society (CSOs), person representing the youth and women.

The main objective of BDT is to undertake and promote development initiatives in Bomet County in general and in the development of the town of Bomet in particular. BDT receives support from the County Government of Bomet, which is fully behind the current sister-city relation initiative between Bomet and the City of Milwaukee.

We thus look forward to a fruitful relationship between PACA, the City of Milwaukee and ourselves in the coming months and years.

Yours Sincerely

Bill Rutto
Managing Trustee
