To Whom It May Concern:

I would like to appeal the decision on C.I. File No: 04-S-372.

I was parked on the correct side of the street and handicap sticker was displayed. I would like my money back for the tow and the ticket.

The information given to me is that I can get the money back in full for both. I now have the red overnight parking permit.

I notice the city always comes up with something when they are in the wrong.

Thank you,
Berlinda D Berry

Attention: City Clerk

I'm filing a claim against the city for the tow and parking ticket I had to pay. May of 2004, my car was towed.

I had a handicap parking ticket in the window. I had to pay to get the car out of pound and pay a ticket.

I just received my red overnight parking permit, which lasts for one year the week of September 27, 2004. I had to go down to the communication center to receive this information.

The city attorney did not explain this information to me. I had to investigate and find this out on my own.

This problem is still causing me not to renew my car plates and yes I have paid the ticket.

Damages seeking are the tow for May 2004 and the ticket I had to pay.

Thank you,

Berlinda D. Berry
