Re: Resolution relating to the claim of Audrey White
C.I. File No.: 08-L-27

Dear Council Members:

We return the enclosed document which has been filed with the City Clerk and ask that it be introduced and referred to the Committee on Judiciary & Legislation with the following recommendation.

Claimant, Audrey White, 8530 West Denver Avenue, Milwaukee, WI 53224 alleges that on December 12, 2007 she sustained damages when a City water main break caused the power in the area of her property located at 2470 North 22nd Street to be shut off. She claims damages in the amount of \$11,882.72.

Our investigation reveals the Milwaukee Water Works (MWW) received a report of a leak on the date in question and arrived shortly thereafter at the scene of the leak, West Wright Street, between North 21st Street and North 23rd Street. The dispatched MWW investigator confirmed there was a possible break in a 30 inch water main. The main was shut off. Due to the scope of the damages the decision was made to clean up and secure area. A private contractor was then hired to make the extensive repairs to the MWW facilities that were damaged.

The MWW responded to the water main break in a timely manner and followed standard procedures regarding the repair activities. Therefore, we recommend that this claim be denied.

Very truly yours,
