The Honorable Common Council
Public Safety Committee

Milwaukee, Wisconsin 53202

Attention: Alderman Donovan, Chair and Committee Members

During the past twenty years, I have held several managerial positions within City Government. As I commence my twenty- first year of employment with the City of Milwaukee, I am extremely delighted to have been reappointed to the position of Safety Director by Mayor Tom Barrett. I am scheduled to appear for my confirmation hearing on May 29, 2008 before the Public Safety Committee. I am requesting your endorsement and support of my reappointment as Safety Director assigned to the Milwaukee Police Department.

I have attached for your perusal an updated copy of my Vitae and the most recent 2007 Accomplishments of the MPD-Safety Division.

I maybe reached at 935-7991 to discuss any of your inquiries.

Thank you in advance for your support.

Respectfully,

Florence H. Dukes
Safety Director
