To the Public Works Committee

Subject: Common Council Resolution File Number 130217

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 130217, being a resolution to grant a special privilege to Water Accelerator LLC to install and maintain four moveable planters in the public right-of-way for the premises at 247 West Freshwater Way, formally known as 223 West Pittsburgh Avenue.

The applicant is requesting permission to keep and maintain four moveable planters in the east sidewalk area of South 3rd Street adjacent to the main entrance of the building. The larger two planters are located adjacent to the building while the two smaller planters are placed adjacent to the street curb. It should be noted that the planters do not infringe upon the paved public sidewalk.

We are not aware that the presence of said planters will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said planters to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Ghassan Korban
Commissioner of Public Works

Art Dahlberg
Commissioner
Department of Neighborhood Services
