The Honorable
Members of the Zoning, Neighborhoods and Development Committee

Honorable Members:

Pursuant to s. 295-307-7-b of the Milwaukee Code of Ordinances, the Zoning Code Technical Committee, on June 24, 2015, reviewed Common Council File Number 150280, an ordinance relating to the regulation of automatic changeable message signs (both versions – Substitute 1 and Proposed Substitute A).

Based on this review, the Committee found as follows:

- With respect to legality and enforceability, both versions of the proposed ordinance meet this standard.
- With respect to administrative efficiency, the ordinance, as written, fails to meet this standard, but could be revised to meet it.
- With respect to consistency with the format of the zoning code, the ordinance as written, fails to meet this standard, but could be revised to meet it.

Respectfully Submitted,

Teodros W. Medhin, Ph.D.
Chair, Zoning Code Technical Committee
