To the Public Works Committee

Subject: Common Council Resolution File Number 130982

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 130982, being a resolution to grant a special privilege to WIS27 LLC to construct and maintain a portion of a barrier free access ramp and landscape curbing in the public right-of-way for the premises at 635 North 26th Street, previously known as 2601 North Wisconsin Avenue.

The applicant is requesting permission to construct and maintain two sections of concrete landscape curbing and a portion of a barrier free access ramp in the south sidewalk area of West Wisconsin Avenue. The items encroach into the public right-of-way between 2 and 5 inches and are all located behind the paved public sidewalk such that they do not interfere with pedestrian traffic.

We are not aware that the presence of said items will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said items to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
