To the Public Works Committee

Subject: Common Council Resolution File Number 130215

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 130215, being a resolution to grant a special privilege to Brewery House LLC to construct and maintain an excess sign projection; a fence; a cigarette butt disposal container; four sets of concrete steps; and a brick sidewalk in the public right-of-way at 1203 North 10th Street.

The applicant had requested permission to install and maintain a business sign that projects 5 feet into the public right-of-way, which is more than the 4 feet allowed by the Milwaukee Code of Ordinances. A site visit revealed the presence of a decorative metal fence, cigarette butt disposal container, four sets of concrete steps and a brick sidewalk in the public right-of-way.

We are not aware that the presence of said items will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said items to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
