COMMITTEE MEETING NOTICE

AD 04

HOWARD, Neal D, Agent Fenix Milwaukee LLC 777 N WATER St Milwaukee, WI 53202

You are requested to attend a hearing which is to be held in Common Council Chambers, Third Floor, City Hall on:

Tuesday, September 01, 2015 at 08:45 AM

Regarding:

Your Class B Tavern and Food Dealer License Applications as agent for "Fenix Milwaukee LLC" for "Rodizio Grill" at 777 N WATER St.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

Notice for applicants with warrants or unpaid fines:

Proof of warrant satisfaction or payment of fines must be submitted at the hearing on the above date and time. Failure to comply with this requirement may result in a delay of the granting/denial of your application.

Failure to appear at this meeting may result in the denial of your license. Individual applicants must appear only in person or by an attorney. Corporate or Limited Liability applicants must appear only by the agent designated on the application or by an attorney. Partnership applicants must appear by a partner listed on the application or by an attorney. If you wish to do so and at your own expense, you may be accompanied by an attorney of your choosing to represent you at this hearing.

You will be given an opportunity to speak on behalf of the application and to respond and challenge any charges or reasons given for the denial. No petitions can be accepted by the committee, unless the people who signed the petition are present at the committee hearing and willing to testify. You may present witnesses under oath and you may also confront and cross-examine opposing witnesses under oath. If you have difficulty with the English language, you should bring an interpreter with you, at your expense, so that you can answer questions and participate in your hearing.

You may examine the application file at this office during regular business hours prior to the hearing date. Inquiries regarding this matter may be directed to the person whose signature appears below.

Limited parking for persons attending meetings in City Hall is available at reduced rates (5 hour limit) at the Milwaukee Center on the southwest corner of East Kilbourn and North Water Street. Parking tickets must be validated in the first floor information booth in City Hall.

(Last Name, First Name, MI)

Date of Birth: 11/30/1957

This report is written by Police Officer Gilbert Gwinn, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

1. The applicant's Wisconsin driver's license revealed the following:

10/08/2007 Prohibited Alcohol Concentration

Kenosha County Circuit Court

- 2. On 03/22/12, Milwaukee police, along with an agent from ATF, conducted a License Premise Check at 6331 S 13th Street. The ATF agent received information that the establishment, due to an outstanding debt, could no longer purchase alcohol from wholesalers, and therefore, may be bringing in liquor from Illinois, which is where the licensee resides. Found on scene were at least 8 bottles of liquor with price tags on them, which is contrary to purchasing from a wholesaler. Police asked the agent, Cindy Grube, where the alcohol was purchased and Grube stated Oklahoma Liquor. Agent King advised Grube that Oklahoma Liquor has a wholesaler's license to sell beer, however, they cannot sell wholesale liquor. Grube stated she was not aware of this and has been calling in liquor orders to them periodically and having them delivered to the establishment, since she became aware of the outstanding debt owed to the wholesalers. Grube provided receipts from Oklahoma Liquor and further stated she has contacted the licensee, Bhupendra Bhatt, and had him bring a bottle or two of liquor they needed from Illinois. Bhatt, who was on scene as well, denied bringing liquor from Illinois to Wisconsin at first, however, eventually admitting it. Agent King also found that paperwork was not being properly filed. Agent King confiscated at total of 68 bottles of liquor.
- 3. On 09/01/12 at 12:56 am, Milwaukee police responded to a Fight complaint at 6331 S 13th Street. Investigation found a fight took place in the parking lot of Ramada Inn with subjects gone by the time police arrived. Officers checked the hotel and restaurant bar, as well as the hall that had been rented out for a VIP party until the conclusion of the event and there were no further incidents reported.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.
