To the Public Works Committee

Subject: Common Council Resolution File Number 120553

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 120553, being a resolution to grant a special privilege to Milwaukee School of Engineering to construct and maintain several private items in the public right-of-way for the premises at 1305 North Broadway.

The applicant constructed a parking garage with a rooftop regulation collegiate soccer field and requested permission to construct and maintain a platform with steps; raised planter beds; and an underground communications duct package in the public right-of-way. A site visit revealed the presence of a wall-mounted flag pole; sidewalk that does not conform to the City-established grade; an emergency phone; and a trench drain in the public right-of-way.

We are not aware that the presence of said items will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said items to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Ghassan Korban  
Commissioner of Public Works

Art Dahlberg  
Commissioner  
Department of Neighborhood Services
