September 8, 2015

Presiding Judge Philip Chavez
Milwaukee Municipal Court
951 N. James Lovell Street
Milwaukee, WI 53233

Dear Judge Chavez:

At my request, Common Council File Number 141033, a communication from the Milwaukee Municipal Court detailing the effects on the Driver's License Recovery Program, was introduced at the October 14, 2014 Council meeting.

As you know, the operation of the Court is of utmost importance to me as Chair of the Public Safety Committee as well as to the other members of the committee.

I am inviting you to appear before the Public Safety Committee on September 10, 2015 at 9:00am, in room 301-B, City Hall, to address issues related to the operation of Municipal Court, particularly the Driver's License Recovery Program. The meeting starts at 9:00am and the communication file is Item Number 20 on the agenda. Please be prepared to provide information to the Committee concerning the following:

1. The number of licenses suspended by the Court annually and reasons for the suspensions.
2. List of agencies that the Court is working with to help people reinstate their licenses.
3. Activities the Court provides relating to assisting people in gaining employment.

I am looking forward to your appearance before the Public Safety Committee.

Sincerely,

A handwritten signature in black ink, appearing to read 'Terry L. Witkowski'.

Ald. Terry Witkowski
Chair of the Public Safety Committee
