Honorable Willie L. Wade
Alderman, 7th Aldermanic District
Room 205, City Hall

SUBJECT: 7th ALD. DIST. - FILE #150839
INSTALL STOP SIGNS ON NORTH 40TH STREET
AT WEST KEEFE AVENUE

REMOVE YIELD SIGNS ON NORTH 40TH STREET
AT WEST KEEFE AVENUE

Dear Alderman Wade:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the accident data received from the Milwaukee Police Department revealed an increase in accidents and also sight obstructions exist on the southeast and southwest corners of the intersection in the form of bushes that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
City Engineer

INSTALL STOP SIGNS ON NORTH 50TH STREET
AT WEST CONCORDIA AVENUE

REMOVE YIELD SIGNS ON NORTH 50TH STREET
AT WEST CONCORDIA AVENUE

Dear Alderman Wade:

A review of the intersection of West Concordia Avenue and North 50th Street has revealed the need to change the present yield control to a stop control, based on sight obstructions that exist on the northeast and northwest corners of the intersection in the form of bushes and trees that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
