1. **080175**

An ordinance relating to zoning regulations for general or government offices in the industrial-heavy zoning district.

Sponsors: THE CHAIR

This ordinance was designed to cover a loophole at the request of the Department of City Development so that the government or general office is the primary, rather than the accessory, use.

Mr. Richardson moved, seconded by Mr. Mukamal, that this file be recommended for approval. There were no objections.

Meeting adjourned: 2:11 P.M.
