MADISON, WISCONSIN 53708

September 30, 2015

JAMES OWCZARSKI 200 E WELLS ST RM #205 MILWAUKEE, WI 53202-3515 MUNICIPALITY OF MILWAUKEE MUNICIPALITY CODE 40251

Dear Village or City Official:

The Wisconsin Department of Revenue (DOR) is providing your tax district's 2015 equalized value of tax exempt computers located within a Tax Incremental District.

Your municipality will receive 2016 state exempt computer aid. You must include this state aid payment and tax increment generated in each TID, as a revenue for that TID.

Calculating exempt computer aid:

If you follow these steps, your estimated payment will be the same amount DOR calculated. If you have multiple TIDs, review the data below.

- 1. Finish your tax district's tax increment worksheet and determine the interim rate in column C.
- Multiply your exempt computer value in each TID by the corresponding interim rate.
 Note: If you do not have a TID in more than one school district or special district,
 you should only have one interim rate. If you only have one rate, apply it to all TIDs.
 When determining if a TID generated enough tax increment to equal the qualified
- expenses, include the amount calculated for each TID as a tax increment. When you close a TID, if any excess tax increment was generated, you must distribute to the other taxing jurisdictions.

Note: The excess amount includes the exempt computer aid.

If you have any questions, contact us at Igs@revenue.wi.gov.

Sincerely,

Valeah Foy, Director Bureau of Local Government Services
