1. Description of Grant Project/Program (Include Target Locations and Populations):

The School Resource Officer (SRO) Program is a partnership between the Milwaukee Police Department and Milwaukee Public Schools. This program, which staffs 12 police officers, allows officers to focus not only on enforcing laws and ordinances, but educating students and staff on various issues related to safety and building meaningful relationships.

Each of the officers is assigned to schools in designated areas of Milwaukee. The expectation is that each will be able to offer programs, such as anti-bullying, drug education, and law enforcement knowledge to the administration. In addition, officers will make a positive presence in the school by reading to children, stopping in during the lunch hour, and by engaging in problem-solving.

This funding agreement covers salaries and benefits for 50% of the officers (6) assigned to the program. In addition, the agreement provides for paid overtime.
