I am sorry about this disturbance but you are living right in the middle of the largest concentration of bars and clubs in Milwaukee and perhaps in the state. Water and Juneau is and has been one of Milwaukee's main entertainment districts for over 25 years. I discussed this issue with management when they chose to buy this building management that noise would be an issue for many students since there would be noise and crowds 4 or 5 nights a week until early morning. I even told management (as well as previous prospective buyers of this building) that prospective residents should be warned in advance about noise and crowds.

If you can identify the specific establishment that is producing the noise, I will enter a complaint in their licensing file and a hearing will held at their next license renewal time. However, you and your neighbors will have to be willing to attend this hearing and testify about excessive noise since only directly eye-witness testimony can be considered by the license committee.

Once again, I am sorry about these disturbances.

Subject: Community Complaint

Dear Alderman Bauman,

I am sending this email at such a late time because I am currently wide awake unable to sleep. The reason for that is because the bars across the street from me continue to play music at an unbearable level, late into the night.

and as you may know, acquired a new building on the corner of Water St and Juneau Ave (233 E Juneau Ave). When I first heard the news I was very excited to hear that they were going to be building new apartments for students to live in. Long story short, was excited to be independent: live on my own, pay my own rent, provide for my own needs. That was until I started being kept up late into the night by the bars across the street on Water St (Mcgillycuddys and Rogues Gallery to be specific). This started in the summer of 2015 and at first it was just on the weekends which was understandable. I worked in the summer, however I only worked Monday-Friday so it wasn't a big deal to be able to sleep early on the weekends, so I didn't think it was that big of a deal. However, as the summer progressed, Mcgillycuddys started playing very loud music late (until about 2am, sometimes even up until 4am!) on Sunday nights. This is when my frustrations started because I always had to wake up early for work on Mondays. I still managed to deal with it and look past the issue. The real problem started in September. The late nights slowly progressed from Friday-Sunday nights to then Thursday-Sunday nights and now even Monday's! To reiterate, the loud music is now being play (until 2am sometimes later) on Sunday, Monday, Thursday, Friday, Saturday. That leaves only 2 days out of the week that its actually quiet where I can sleep peacefully. I think that is completely ridiculous;

work (sometimes 40-50hours a week)

My rent is \$1500; I think for \$1500/month and all the hard work I do, I should be able to sleep peacefully at night so that I can be productive the next day. I've tried calling the cops on several occasions (sometimes up to 3 times a week) and the issue never gets solved. They'll turn the music down for about 10minutes then turn it back up again if not louder than it was before. I know that other residents in my building also complain frequently and no change ever happens. I'm asking as a community if we can have a set time of around 11pm where all outdoor music has to stop. There are over 100 residents (some students and some faculty) in this building who are all trying very hard to work and become something with themselves so they can contribute to society. How do you expect us to achieve that if we are limited to 4-6hours of sleep a night due to excessive noise. The suggested average nights sleep is 8hours, studies show you become exponentially less productive the less sleep you get; it becomes harder to focus and really work to your full potential. So I think it's absolutely ridiculous that we're forced to get less than that and I know a lot of people in my building agree with me. Let me know what I need to do to be able to have a peaceful community at night.

Thank you,

#### PA-33E Narrative

This report is written by P.O. Zachary JOHNSON assigned to District One, Late Power Shift.

On Friday, October 23, 2015 at approximately 01:38am, Squad 1430, (P.O. Steven ROUFUS and I) while working the Code Red Deployment in District One, were in McGillycuddy's Tavern at 1135 N. Water St. While inside P.O. ROUFUS and I were informed by a security guard, (Andrew PEVICH) that he was just stabbed.

PEVICH stated this was done intentionally and without consent, by a subject later identified as Joshua JOHNSON, B/M 04-01-1982.

PEVICH stated staff was attempting to escort JOHNSON and others from his group out of the tavern at the time of the incident. PEVICH stated he was working on the back patio as a bouncer. PEVICH stated he was informed by a bartender to escort some patrons out of the bar. PEVICH stated he went up to a B/F, later identified as Lorrainane LOGAN B/F, 10-23-1991. PEVICH stated he informed her she had to leave. PEVICH stated she started to yell at him. PEVICH stated during this JOHNSON sucker punched the other security guard that was with him (STAHOVIC). PEVICH stated he started pushing the group towards the exit. PEVICH stated JOHNSON then dropped his hand and thrust it back up, striking him on the left side of his stomach. PEVICH stated he felt his side and saw blood. PEVICH received a one-inch laceration to his left abdomen which required 3 sutures as a result of this incident.

I was then approached by a second victim identified as Eric W. STAHOVIC (W/M, 06/19/1993), who stated JOHNSON also punched him in the right eye. STAHOVIC stated this was done intentionally and without consent, causing pain.

STAHOVIC stated that JOHNSON'S girlfriend (LOGAN) as was the initial cause of the fight. STAHOVIC stated he walked over to see if there was an issue with the group. STAHOVIC stated that he heard Derrick (another bouncer) telling the group that they had to leave. LOGAN demanded to know why they had to leave the tavern. STAHOVIC stated that he also told LOGAN they had to leave. STAHOVIC stated LOGAN put her open hand in front of STAHOVIC's face and ignored him. STAHOVIC stated LOGAN continued to ask security why they had to leave. STAHOVIC stated he told LOGAN once the Bartender tells them to leave they have to leave. STAHOVIC stated that LOGAN then with her open hand, pushed his face, making him take a small step back to keep his balance. STAHOVIC stated they were eventually able to get the group out of the tavern and he was able to flag down Police.

P.O. FERRELL interviewed a Lauren T. HOVANEC, F/W 06-02-91, who is employed at McGillicudy's bar as a bartender. HOVANEC stated JOHNSON had been in an argument with her over a drink he ordered. HOVANEC stated JOHNSON was yelling at her that he had wanted Ciroc, and that she had already served him Ciroc. HOVANEC stated she repeatedly told him that the tavern doesn't carry Ciroc, and he had been given Patron. JOHNSON continued to verbally argue with her using profane language, and then called her a "Bitch".

JOHNSON and LOGAN were located outside of the tavern and taken into custody and conveyed to PPS for processing. LOGAN was issued a citation for disorderly conduct and later released. Charges are pending with the District Attorney's office for further information.

Regarding:

Your Class B Tavern License Application as agent for "Camp Bar Inc" for "Camp Bar" at 525 E Menomonee St.

There is a possibility that your application may be denied for one or more of the followill asons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

FW. Class B Tavern License - Camp Bar

Jim Cooney License Specialist III City of Milwaukee, License Division 200 E Wells St #105 Milwaukee, WI 53202 414-286-2238

From:

To: License

Subject: Class B Tavern License - Camp Bar

To whom it may concern:

I object the Class B Tavern License for Camp Bar, 525 E Menomonee St. Milwaukee, WI 53202.

I am concerned with the adverse noise which will occur from customers entering and leaving the bar at late hours of the night in an area which is normally quiet. I am also concerned with smoking which will need to occur outside the bar on the sidewalk

This cigarette smoke may waft into the open windows

thus causing

windows closed all the time to prevent smoke and the extra noise from entering

I am also concerned with the safety outside

from rowdy people which may gather outside of the bar.

Thank you
