NARRATIVE SECTION: This report is written by P.O. Ashley VAN DRISSE, assigned to District 3, early power shift.

On Wednesday, May 21, 2014 an undercover operation was conducted regarding the illegal sale of single cigarettes occurring at 3627 W. Lisbon Ave "Ashraf Foods". This establishment does hold a valid Cigarette and Tobacco license through the City of Milwaukee.

This operation was conducted in response to complaints made by the Washington Park Association, which is comprised of residents in the Washington Park area, that are concerned with the illegal sale of single cigarettes occurring at the above listed convenience store.

At 3:08PM, P.O. James HUNTER, who was operating in an undercover capacity (plain clothes) did enter Ashraf Foods and was able to purchase two single cigarettes, "Maverick" brand, from the employee behind the register. P.O. HUNTER stated that the employee charged him \$1.00 in U.S. currency for said cigarettes, which he (the employee) had to open a new pack in order to give him (P.O. HUNTER) the two. Using a predetermined dollar bill (Serial #G52791971 C), P.O. HUNTER gave said dollar to the employee in exchange for the cigarettes. P.O. HUNTER initially attempted to purchase two "Newport" brand single cigarettes, but the employee advised P.O. HUNTER that they would be .65 cents apiece. However, the employee told P.O. HUNTER that he would be able to purchase two Maverick brand cigarettes for \$1.00, which is what he purchased. It should be noted that P.O. HUNTER did observe the same employee sell a single cigarette to a patron, who was ahead of him in line. P.O. HUNTER described the employee that sold him the single cigarettes as a Middle Eastern male in his 60s, approximately 5'4, wearing glasses. Due to attempts at establishing a pattern for this violation, uniformed officers did not enter the store or advise the licensee or employees of the violation to which they contributed in at this time.

Shortly after, P.O. HUNTER placed the purchased single cigarettes on MPD Inventory AC# 14019519, while at District 3.

NARRATIVE SECTION: This report is written by P.O. Ashley VAN DRISSE, assigned to District 3, early power shift.

On Friday, May 23, 2014 an undercover operation was conducted regarding the illegal sale of single cigarettes occurring at 3627 W. Lisbon Ave "Ashraf Foods". This establishment does hold a valid Cigarette and Tobacco license through the City of Milwaukee.

This operation was conducted in response to complaints made by the Washington Park Association, which is comprised of residents in the Washington Park area, that are concerned with the illegal sale of single cigarettes occurring at the above listed convenience store.

At 12:50PM, P.O. James HUNTER, who was operating in an undercover capacity (plain clothes) did enter Ashraf Foods and was able to purchase one single cigarette, "Newport" brand, from the employee behind the register. P.O. HUNTER stated that the employee charged him \$0.65 in U.S. currency for said cigarette, which the employee produced from underneath the counter near the cash register. Using a predetermined dollar bill (Serial #F52194597B), P.O. HUNTER gave said dollar to the employee in exchange for the cigarette. The employee also gave P.O. HUNTER \$0.35 in change. P.O. HUNTER described the employee that sold him the single cigarette as a Middle Eastern male, 25 to 30yoa, low haircut, sitting in chair behind the register, with a laptop computer.

Shortly after P.O. HUNTER purchased the single cigarette, P.O. Scott LESNIEWSKI and I entered the establishment and located the above described subject in the partially enclosed register area. Upon speaking with this subject, he identified himself as Asad R. MUSTAFA, M/W, 11-15-90, the licensee for the business. MUSTAFA admitted to selling single cigarettes to patrons and is aware that it is against the law to do so. MUSTAFA further stated that he believes that it is convenient to sell single cigarettes to patrons who cannot afford to buy a whole pack. He also stated that its beneficial to sell the single cigarettes patrons who are trying to quit smoking. While speaking with MUSTAFA, I did observe 2 opened packs of cigarettes, "Newport" brand and "Maverick" brand, underneath the counter, which is just below the register. Each pack should have 20 cigarettes within, however the pack of Newport's had 9 and the pack of Maverick's had 18. Both opened packs of cigarettes were placed on MPD inventory. Also, the predetermined dollar was not recovered at that time.

MUSTAFA was advised that he would be cited regarding this offense.

Later, P.O. HUNTER placed the purchased single cigarette on MPD Inventory AC# 14019833, while at District 3.

NARRATIVE SECTION: This report is written by P.O. Ashley VAN DRISSE, assigned to District 3, early power shift.

On Friday, May 23, 2014 an undercover operation was conducted regarding the illegal sale of single cigarettes occurring at 3627 W. Lisbon Ave "Ashraf Foods". This establishment does hold a valid Cigarette and Tobacco license through the City of Milwaukee.

This operation was conducted in response to complaints made by the Washington Park Association, which is comprised of residents in the Washington Park area, that are concerned with the illegal sale of single cigarettes occurring at the above listed convenience store.

At 12:50PM, P.O. James HUNTER, who was operating in an undercover capacity (plain clothes) did enter Ashraf Foods and was able to purchase one single cigarette, "Newport" brand, from the employee behind the register. P.O. HUNTER stated that the employee charged him \$0.65 in U.S. currency for said cigarette, which the employee produced from underneath the counter near the cash register. Using a predetermined dollar bill (Serial #F52194597B), P.O. HUNTER gave said dollar to the employee in exchange for the cigarette. The employee also gave P.O. HUNTER \$0.35 in change. P.O. HUNTER described the employee that sold him the single cigarette as a Middle Eastern male, 25 to 30yoa, low haircut, sitting in chair behind the register, with a laptop computer.

Shortly after P.O. HUNTER purchased the single cigarette, P.O. Scott LESNIEWSKI and I entered the establishment and located the above described subject in the partially enclosed register area. Upon speaking with this subject, he identified himself as Asad R. MUSTAFA, M/W, 11-15-90, the licensee for the business. MUSTAFA admitted to selling single cigarettes to patrons and is aware that it is against the law to do so. MUSTAFA further stated that he believes that it is convenient to sell single cigarettes to patrons who cannot afford to buy a whole pack. He also stated that its beneficial to sell the single cigarettes patrons who are trying to quit smoking. While speaking with MUSTAFA, I did observe 2 opened packs of cigarettes, "Newport" brand and "Maverick" brand, underneath the counter, which is just below the register. Each pack should have 20 cigarettes within, however the pack of Newport's had 9 and the pack of Maverick's had 18. Both opened packs of cigarettes were placed on MPD inventory. Also, the predetermined dollar was not recovered at that time.

MUSTAFA was advised that he would be cited regarding this offense.

Later, P.O. HUNTER placed the purchased single cigarette on MPD Inventory AC# 14019833, while at District 3.

This report is written by PO Penny BROWN assigned to the License Investigation Unit. On Saturday, 09/20/14, I was assigned to work the Wisconsin WINS Tobacco Initiative, which checks area vendors for age compliant tobacco purchases. Assisting in this assignment was: Xavier T. ASHFORD B/M 04/07/97 of 4506 N. 21st St. ASHFORD is 17 years old and not of legal age to purchase tobacco.

At approximately 11:45am., ASHFORD entered Ashraf Foods, located at 3627 W. Lisbon Ave., and purchased a 3 pack of White Grape flavored Jackpot Cigars, from the cashier described as A/F 40's wearing a grey and black sweater. I entered the store and identified the cashier based on the description as Zahra A. Mustafa A/F 09/20/64. Mustafa initially denied the sale, then after viewing a photo of ASHFORD, stated "I may have sold it to him, because I was distracted and on the phone at the time of the sale".

RE: 3627 W. Lisbon Av Food Dealer Retail Application Renewal

Dear License Committee Members,

Washington Park Partners opposes the use of Ashraf Foods at 3627 W. Lisbon Avenue as a convenience store and the applicant’s Food Dealer Retail Application Renewal. Washington Park Partners is a collaborative of neighborhood residents, businesses, organizations and other stakeholders working together to create a thriving and safe neighborhood. The renewal of the existing use (a) significantly impairs the use, value and enjoyment of other property in the neighborhood and (b) does not protect the public health, safety and welfare.

In June 2015, Washington Park Partners met three times with the owner-operator to discuss the current building condition and business operations. In regards to improving the exterior façade of their building, the operator applied for a Washington Park Business Improvement Grant, for repairing and securing exterior doors and a window on the building. In order to qualify for the grant, a business must sign the Washington Park Good Business Agreement(see attached), which the owner agrees to improve the façade and signage of the building, address nuisances such as the removal of dead payphones, litter, and loitering, and not sell blunt tobacco products typically used as drug paraphernalia amongst other requirements. The operator would not sign the Good Business Agreement because of a desire to continue selling tobacco products and unwillingness to address signage and façade (see attached). Due to the unwillingness to sign the Standards Agreement, poor building conditions, loitering, products and lack of involvement with the surrounding community, the application was rejected by the WPP Business & Jobs Committee.

Use, Value and Enjoyment of Other Property. Washington Park has recently seen millions of dollars of investment in the area and the current use as a convenience store is not consistent with the other development in the area. Three blocks east on Lisbon Avenue from this Property is Autumn West Safe Haven, a \$2 million real estate development built in 2012, which houses 21 people who are homeless and living with mental illness with immediate shelter and assists those individuals to become healthy and independent. One block east, Progressive Community Health Center, a \$10 million, 42,000 square ft. community health center was completed in 2015. The new space includes an additional exam and procedure rooms, dental suites, a health education center, radiology and mammography services, and an area for specialty care access. This increased capacity will allow the agency to accommodate an additional 11,000 patients annually. One block west at 3726 W. Lisbon Av., Milwaukee Living LLC is currently undertaking a \$400,000 renovation of the former blighted, vacant “Charlet” mixed-use apartment building for affordable housing, and to open a day care center and the office for SGR Construction Contracting on the street level commercial spaces. In addition, two blocks west, Easley Construction is also undertaking renovation of a former city-owned mixed-use building at 3830 W. Lisbon for conversion into commercial retail space and residential apartments. The traffic and congestion a convenience store attracts, diminishes the use, value, and enjoyment of the major investments nearby property owners have made recently in the area, and the

existence of these types of stores may deter future investments and further inhibit additional revitalization along Lisbon Av.

Threat to Public Health, Safety, and Welfare. Milwaukee City Ordinances 295-311-2-d-1 indicates the geographic concentration of the proposed use is evidence of a threat to public health, safety and welfare. As indicated by the attached map, there is an overconcentration of convenience store uses already in the neighborhood. There are approximately twice as many convenience stores in our neighborhood than the city average. There are five convenience stores within a five block radius of the property, three of which have existing liquor license, in addition to the twenty-six licensed food operators within the Washington Park neighborhood. Organizations like Autumn West and Progressive Community Health Center support individuals suffering from mental health issues including substance abuse and these individuals receive treatment one block away from the property.

If you have any questions, comments, or concerns, please do not hesitate to contact me.

Sincerely,
Matthew Armbrust

Non Illuminated Signs

GOOD

Non-Illuminated signs should be hung perpendicular to the building façade. Signs should be hung using wrought iron looking fasteners. Sign itself should be made of durable outdoor material and be 3 dimensional and well designed.

Alternatively, a sign can be placed above the store front window. Again signage should be 3 dimensional and well designed.

BAD

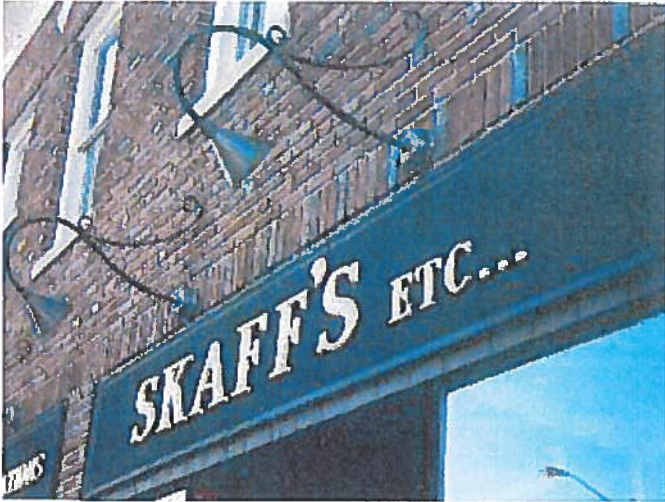

Cheap one dimensional signs printed on cardboard, plywood, or corrugated plastic should be avoided. Simple undersigned text should also be avoided.

Hand painted signs of all kinds should be avoided. Only one sign should be used and placed similar to the pictures at the left. Sandwich board signs should be avoided.

Illuminated Signs

GOOD

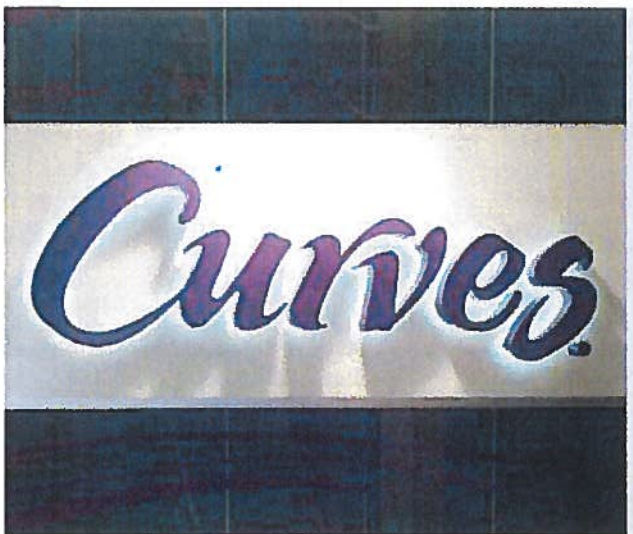

Signs should be illuminated using well designed architectural lighting that should either "up-light" or "down-light" the sign.

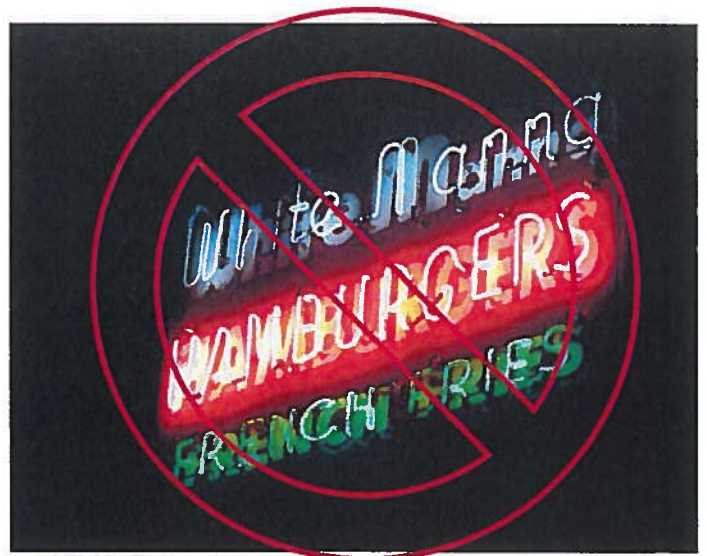

BAD

Back lit sign boxes, like the one pictured above, should be avoided.

Alternatively, a well designed sign could be back-lit as shown above.

Neon signage should be avoided.

Too many signs give customers an impression of clutter and disorganization.

How do you make sure customers know your business exists? Most businesses answer that question with one word: signs. They know signs promote awareness of their business name, products, hours, and special features that attract an impulse shopper.

But when it comes to signs, "more" isn't "better." Research shows signs like those in the picture above don't attract shoppers. As shoppers search for information among so many competing signs, the message of each one is lost. Based on the impression they receive from the signs, shoppers may conclude the store is disorganized and cluttered.

There's another reason "more" isn't "better." Milwaukee's zoning ordinance restricts the amount and type of signs that businesses may display. Businesses are subject to citations from a building inspector if they have more signs than the code allows, types of signs not allowed by the code, signs installed without permits, and damaged or abandoned signs.

This customer information sheet tells you what kinds of signs you may display, how to get sign permits, and sources of assistance to pay for quality signs for your business.

What kind of permanent signs may I have for my business?

Permanent signs contain information like the business name, type of services or products available, hours of operation, and so on. Businesses are allowed to display this information on permanent wall signs, projecting signs, lettering painted on clear window glass, neon signs, and lettering on the edge of window awnings.

Several types of wall signs are permitted: a professionally painted board-type sign, a cabinet box-type sign with a lexan or plastic panel insert, or individual letters mounted on the building.

All permanent signs require a permit from the Milwaukee Development Center. If your business is in a locally designated historic district, the Historic Preservation Commission must also approve the sign.

What kind of permanent signs are not allowed?

Exterior signs made of paper, cardboard, or flexible plastic are not allowed. Banners are not allowed.

Guide to Storefront Signs

How large can my permanent signs be? How many can I have?

The amount of signage you may display depends on the zoning district in which the property is located.

In the most restrictive zoning districts, businesses are allowed to have a maximum of 18 square feet of wall signage. This can be one sign or multiple signs; however, the total of all the signs added together may not exceed 18 square feet. In the most restrictive zoning districts, businesses may also have one projecting wall sign, no more than 12 square feet in area. If you have a non-lighted awning, you can have 10 square feet of signage on the awning. If you have an internally lighted, translucent awning, you are allowed to have only 5 square feet of signage on the awning.

Any information or graphics relating to your business painted directly on an exterior wall will be treated as signs, and counted in the calculation of how much signage you are allowed to have.

Some zoning districts allow more signage. Call the Milwaukee Development Center at (414)286-8210 to determine the amount of signage allowed for your building. You must provide the exact address of your building.

Are temporary signs OK?

Temporary signs are typically paper or plastic signs and displays that advertise special sales or promotions. Temporary signs are allowed under these conditions:

1. The sign must be installed inside the window, not on the exterior of the building.
2. The sign must be displayed for no more than 30 days.
3. All temporary signs, added together, may cover no more than 25% (one-fourth) of the business's windows.

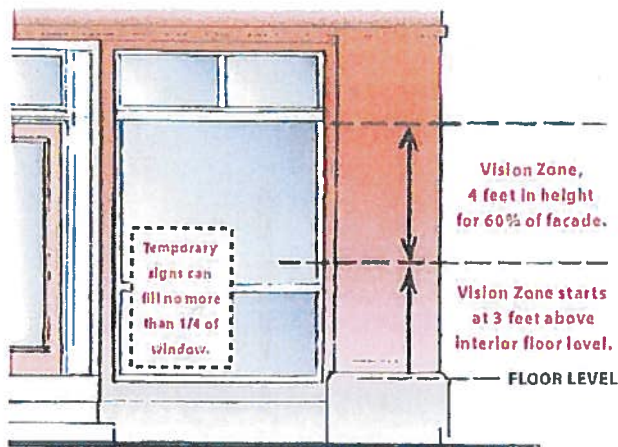

Temporary signs do not require a permit. However, if the temporary signs you install do not meet these three conditions, you are subject to a citation from the building inspector.

If you currently have temporary signs that are mounted outdoors, have been up for more than 30 days, or cover more than 25% of the window area, you must remove them now.

Special rules for store windows

Milwaukee ordinances require windows on retail businesses. At a minimum, windows must exist in a clear vision zone that starts about 3 feet from the floor and extends vertically to the spot 7 feet above the floor.

New buildings must be designed and built to meet these ordinances. For existing buildings, existing windows must be maintained and may be enlarged, but generally may not be reduced in size. Existing windows may not be painted over, blocked or filled in to restrict the view into the business from the street.

The window requirement affects the amount and type of signs that may be displayed in windows. It also affects what fixtures may be placed in front of windows inside the store.

Here are the rules:

1. Only two kinds of permanent signs are allowed in windows: individual letters painted on clear window glass, and neon signs consisting of individual letters. The permanent sign in the window may not obscure the view into the store in the vision zone. Permanent signs in the window may cover up to 25% (one-fourth) of the window area.
2. Display racks, point of purchase displays, and other items that significantly obscure the view in and out of the store may not be placed in front of windows in the vision zone.
3. Temporary signs may cover no more than 25% (one-fourth) of the store's window area.

What is an illegal sign?

Any permanent sign that was hung or mounted on a building or in a window without a sign permit is an illegal sign. Any temporary sign that doesn't meet the conditions listed on the previous page is an illegal sign. This is true even if a previous operator of the business put up the sign.

Anything put up for more than 30 days that displays the name of the business, services or products offered, special promotions, or even graphics depicting products is a sign and needs a permit. There are some small exceptions, such as small, neatly applied emblems relating to credit cards accepted, business associations, and hours of operation.

Guide to Storefront Signs

What should I do if I have an illegal sign at my business?

If no permits exist, you may either remove the sign, or apply for a permit for the sign. The permit will be granted if the size and other factors are allowed by City ordinances. If the existing sign does not meet the ordinances, you'll be required to remove it or alter it to meet the law. If you fail to take action to correct or remove illegal signs, you will receive a citation from the building inspector.

How can I find out if any of my existing signs are illegal?

The existing signs on your business may remain if they were installed with permits. If you cannot find permits in your files for each of the signs on your building, you can check the city files at the Milwaukee Development Center to verify that you or the previous operator took out permits. Permit files are available for public inspection from 8 a.m. to 4:30 p.m., Monday through Friday. The Development Center is located at 809 N. Broadway, first floor.

What are the penalties for illegal signs?

If a building inspector orders removal of illegal signs, and the property owner does not remove them, the owner faces significant financial penalties. The owner is subject to reinspection fees that range from \$50 to \$300 per reinspection. An owner who failed to remove illegal signs for a year would be charged reinspection fees of nearly \$3,000. The owner also is subject to citations that carry a fine of up to \$320 a day, and a municipal court fine of up to \$150 per day.

When I close or move my business, what should I do about the signs?

When a business leaves a location, the signs pertinent to that business must be removed. If you are a tenant, talk to your landlord to decide whether you or the landlord will remove the signs.

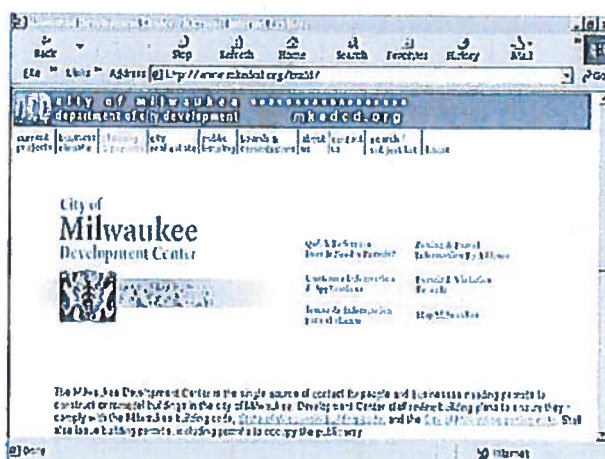

If a new business will be moving in immediately, a box-type sign cabinet may be re-used by the new business operator by inserting a new "face" in the sign. A permit is required to put this new face in. If a new business is not moving in within 90 days of the former leaving, a blank panel may be inserted temporarily until a new business rents the space. In no case can a sign box be left with a broken or missing sign panel for any length of time.

In cases where totally new signs or awnings are being put up for a business, the old signs they replace must be completely removed.

If signs belonging to a former business are not removed, the property owner will receive a citation from the building inspector.

Where do I apply for sign permits?

To apply for a permit, you need to present drawings and measurements of the proposed signs, photos of your business, and a permit fee to the Milwaukee Development Center, located on the 1st floor at 809 N. Broadway. The Development Center is open from 7:30 a.m. to 4:30 p.m., Monday through Friday. Call (414)286-8210 for information about how many and what types of signs you may install. Information about the permit process is available on the Development Center's web site, www.mikedcd.org/build. Click "customer information and applications" and consult the article titled "Signs."

How can I improve the signs on my business?

Following these guidelines will help you achieve signage that conveys a positive image of your business.

1. Many buildings were designed with sign bands. These are areas above the front door with space for signage. If your building has a sign band, install your sign in the band rather than at some other spot.
2. If you want signage on a building awning, choose an unlighted cloth style, rather than a lighted plastic model. You'll be allowed to devote a larger portion of the awning to your message, and your building will have a more distinctive look than would be achieved with a "pre-fab" plastic awning.
3. If the windows of your business have been blocked in or painted over, open them up! Remove the paint! Install clear glass that allows your customers to see inside your business.
4. Avoid painting sign information directly on the wall. Painted wall signs are vulnerable to graffiti, and they're hard to maintain.
5. If you've got a broken sign at your business, repair or remove it. Broken signs are illegal, and they send a negative message about your business and your neighborhood.

Once you are able to determine the type of nuisance activity occurring at the premises, please review the following examples of nuisance abatement measures that you may include in your written course of action to abate the nuisance activity. These suggestions are not exclusive, may not apply to the particular premises, and you may propose other nuisance abatement measures that would be appropriate under your particular circumstances.

- Participate in the Department of Neighborhood Services' Landlord Training Program and make a good faith effort to apply the knowledge from the course and attend refresher classes. Information on this training program may be obtained by calling (414) 286-2954.
- Exchange names and telephone numbers with the owners and operators of neighboring premises.
- Participate in a local block watch, neighborhood association, landlord compact and property management association.
- Attend the monthly crime prevention meetings conducted by the local Milwaukee Police District Community Liaison Officer who can be contacted at CLO Phone Number.
- Institute the use of written screening criteria that are provided to each applicant at the time each proposed adult resident receives a written application; and, conduct background checks of all prospective adult tenants and residents.
- Institute the use of a written lease for each adult tenant that include provisions relating to disorderly behavior, noise, garbage disposal, use of common areas, illegal activity, tenant responsibility for guest conduct, and the prohibition of sub-leasing and long-term guests. Timely enforce any lease violations.
- Review the tenancies of all the current residents in the property. This may include the termination of tenancies and reapplication by existing tenants for new tenancy.
- Regularly inspect the interior of the property to confirm that the residents are your tenants, confirm that the premises are actually used as a residence, and to determine if the doors and windows have been fortified or the premises outfitted with surveillance or delivery mechanisms.
- Monitor the property for evidence of drug activity. This may include observation of clear corner cuts of baggies strewn about, excessive quantities of plastic sandwich baggies found in odd places, presence of numerous weight scales or communication devices and drug paraphernalia such as unusual pipes, empty cigar wrappers, burned hollow tubes, etc.

- Install "No Loitering" signs in the front and rear of the exterior of the property. This signage permits police to cite loitering individuals in the yard and sidewalk area.
- Install "No Trespassing" signs in the front and rear of the exterior of the property. This signage permits police to cite trespassers in commercial properties.
- Install a sign with your name and contact information in a common area requesting law enforcement contact you if they are responding to a call for service at the premises.
- Record all rental properties owned by you with the Department of Neighborhood Services as required by local ordinance.
- Participate in the E-Notify system for email updates regarding the premises.
- Regularly file open records requests for Milwaukee Police Department Computer Aided Dispatch System (CADS) reports regarding the property.
- Institute a standing complaint with the local Milwaukee Police district station that will allow the police department to remove any individuals loitering on the property.
- Draft and serve a no trespassing order against identified nuisance persons and provide the local police district station a copy of the served order.
- Provide the local police district station with an updated current tenant list.

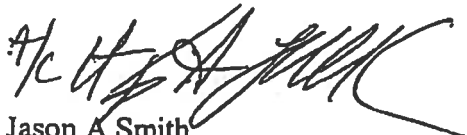

If you propose a course of action which is rejected by me or fail to timely respond to this request, and a subsequent nuisance activity occurs on or after 13 days after receipt of this notice, the premises will be subject to placement of a special charge as a lien on the property by the Commissioner of the Department of Neighborhood Services for the cost of any police services and enforcement.

Once you have been billed for the costs of police services and enforcement for three or more separate nuisance activities within one year of the date of this notice of nuisance premises, the premises may be designated a chronic nuisance, pursuant to MCO § 80-10-6, and each and every subsequent incident of nuisance activity at the premises may be deemed a separate violation and result in a citation being issued to you for failure to abate the nuisance activity. Each citation would subject you to a forfeiture of not less than \$1,000.00 or more than \$5,000.00. Upon default of payment of a chronic nuisance citation you would be subject to imprisonment in the county jail or house of correction for a period of not less than 40 days or more than 90 days for each violation.

Please contact PO S Lesniewski at 414-935-7972 with any questions, and I look forward to hearing from you.

PA-33E Narrative

This report is submitted by P.O. Kevin BOLYARD, assigned to District Three, Modified Early Shift.

On Saturday, January 03, 2015, P.O. Matthew THOMPSON and I (Squad 3235), responded to 2339 N. 49th St (District Three) for a walk-in armed robbery complaint. The victim, Frederick L. GREEN (B/M 12-21-76; 4719 W. Garfield Ave), stated he had just left Ralph's Coffee Shop Bar, located at 4538 W. Lisbon Ave, when two individuals robbed him at gunpoint.

The armed robbery (IR#: 15-003-0058) occurred in the northeast corner of the parking lot, as GREEN was walking to his vehicle. The two subjects were armed with AK-47 ^{pistols} assault rifles. There were a number of witnesses in the parking lot during the time of this armed robbery; however nobody called the Police.

After getting the story from GREEN, P.O. THOMPSON and I went to the tavern to view the video. The owner, Ralph E. NEELY (B/M 12-16-51; 3525 N. 50th ST), was at the tavern at the time and was very cooperative. There was an exterior video camera that caught part of the incident on film. The camera was affixed to the south east corner of the building facing northeast towards the direction of the incident. A copy of the incident was downloaded from the recording hard drive and placed on Police inventory.

NEELY stated he was at the tavern at the time of the incident, but did not see anything. NEELY stated he was inside the tavern closing up at the time the incident took place.

Subject: Dear Alderman Murphy

I am writing regarding the Uptown Cafe on 50th & Center. Closing time this Sunday early AM (2:00) brought a flurry of gunshots. Shots are fired periodically at the closing time of this establishment, but this Sunday morning's was prolonged and woke me out of a sound sleep. Police eventually showed up and by 2:30 things had quieted down.

I have come to dread Friday and Saturday nights. Customers of this bar park in the laundromat parking lot on

first and center and all the surrounding streets." Following the closing of the bar, there are screaming people, honking horns, loud music, screeching tires and speeding cars. Trash left behind by bar patrons is also an issue. And as I mentioned, gunshots periodically. This time of year windows are closed, and I am sure that I usually sleep through most closing hours. Warmer weather is sure to bring increased problems. It is only a matter of time before somebody is shot and killed.

I am not sure what you can do about this situation, but I hope it can be addressed in some way.

NARRATIVE SECTION: This report is written by P.O. Ashley VAN DRISSE, assigned to District 3, late power shift.

This report is a summary from IR # 14-117-0023 (1st Degree RES (2cts), 2nd Degree RES and ESBUDW) that occurred on Sunday, April 27 2014 at 2:09AM at the location of 5004 W. Center St. This incident occurred across the street from "Jay's Uptown Cafe", which was operating at the time of this offense.

As a result of this incident, two subjects were wounded by gunfire (Mark RILEY ROBERSON and Pierre C. BROWN) and an unrelated vehicle was damaged as a result of the shots being fired.

The victim of the 2nd Degree RES, David W. EDMONSON, stated to squad 9358, Det. Shaun LESNIEWSKI that he, his friend Pierre C. BROWN, who was struck 4 times by gunfire, and another unknown subject were in the area because they wanted to patronize "Jays Uptown Cafe", however, he, BROWN and the other subject never made it into the tavern because of this incident.

When viewing video surveillance of this incident, I was able to see two vehicle's pull up next to one another while facing westbound on W. Center St at 5004 W. Center St. Both vehicles were in the westbound lane of traffic. It appears that the passenger of the vehicle closer to the center lane of W. Center St., opened the door slightly and began to fire a gun. That vehicle then drives off quickly. The driver of the vehicle closest to the parking lane is then observed sticking a hand out of the drivers holding a firearm and shooting it at the other vehicle as it drove away. The vehicle that was closest to the parking lane then drives off westbound. A few minutes later, a B/M subject carrying a broom and dustpan is observed walking east from the south side of Center St at approximately 5005 W. Center St., which is near the front door to the tavern. This subject then crosses W. Center St. and begins sweeping up the exact area where this incident occurred. It appeared that this subject was wearing a dark shirt which is common for security from Jay's Uptown Cafe to be wearing. Also being that it was approximately 2:15AM, it should be noted that no other businesses in the immediate area were open.

According to reports, both vehicles involved in this incident were driven to St. Joseph's Hospital where BROWN was dropped off because of his injuries from one vehicle and Mark RILEY-ROBERSON was dropped off from the other vehicle RILEY-ROBERSON was treated at St. Joseph's Hospital for a gunshot wound to his left arm, however BROWN was later transported to Froedtert Hospital due to the severity of his injuries.

The unrelated vehicle that was struck by gunfire belonged to, Wesley RENFRO, who was patronizing Jay's Uptown Cafe when this incident occurred.

Three .45 cal casings, two .40 cal casings, two partially deformed bullets and two bullet fragments were located on scene and placed on MPD Inventory.

This case is pending.

This report is written by P.O. Frank YINKO, District Three, Late Power Shift. This report is a summary of reports filed under IR# 143130014. On Sunday, November 9th, 2014 at 1:17AM, Squad 3481 (P.O. Kyle JELINEK and P.O. Matthew CLAUDIO) responded to 5007 W Center St (Jay's Uptown Café) for a Subject with Gun complaint.

Upon arrival, P.O. JELINEK interviewed Chuck E. BRADY, who stated he was head of security and that there was a fight inside of the premise in which he was working. BRADY stated it was a typical busy night and there was also a birthday party being hosted. BRADY then stated there was a fight that broke out inside the premise and security tried to intervene. BRADY stated once security got control of the fight, two subjects were then kicked out of the bar and they were armed with guns. He described the first subject as a B/M, light complexion, 5'11", wearing a red plaid jacket, armed with a black semi auto handgun. He described the second subject as a B/M, dark complexion, wearing a puffy jacket, armed with a silver semi auto handgun. BRADY stated he thought the subjects retrieved the guns from their vehicles, but was uncertain. BRADY stated during the fight he thought a security guard named "James" was possibly hurt and was already taken to a hospital. BRADY was unsure if the premise video system was working.

P.O. JELINEK interviewed the victim, James H. PERRY, at St. Joseph's Hospital. PERRY was bleeding from the mouth, left side of his face and the back of his head. PERRY stated he was working as a security guard at Jay's Uptown Café located at 5007 W Center St. PERRY stated he works for himself (Internal Police Services) as an independent contractor. He stated he was working the door from inside of the premise. PERRY then stated while working the door he was approached by an unknown female who stated "they are fighting". He stated he then turned around and observed a bouncer attempting to break up a fight. PERRY stated he then went over to help the bouncer, at which time an unknown person grabbed him from behind by pulling on his hooded sweatshirt pulling him to the ground. He stated as he was on the ground he felt a "poke" to the left side of his face. PERRY then stated he grabbed his "bear mace" and began spraying it into the air. At this time PERRY said there were approximately 10 subjects surrounding him. PERRY also stated while on the ground he felt someone bite his right ear. He stated he continued to spray his mace and the crowd dispersed out of the bar. PERRY then stated he got up and went to the kitchen area to rinse his face when the bartender, "Dave", observed how bad he was hurt. He stated "Dave" drove him to the hospital. PERRY stated he did not know what was used to cut him and that he could not identify the subject(s) who cut him. "Dave" was not on scene when P.O. JELINEK arrived at the hospital.

PERRY's injuries:

Left cheek - 4" laceration that required approximately 30 stitches; back of head - 3" laceration that required 4 staples; right hand - 1" laceration that required 4 stitches; right ear - 1/2" puncture that required 3 stitches.

The licensee, Odean H. TAYLOR, was present during the incident, but stated he was in his back office and did not see the fight. TAYLOR told P.O. JELINEK there was no video at the premise. TAYLOR told P.O. Anthony WILSON that he didn't have the security code to assess the surveillance system. TAYLOR stated his wife, Kendria J. TAYLOR, has the security code to assess to their surveillance system. Odean was unable to contact his wife, Kendria, by phone.

On 11-13-14, I advised Odean TAYLOR there would be a License Premise Report filed regarding IR# 143130014. TAYLOR stated he noticed the video was not working on 11-06-14, but did not know the exact day it stopped working. He stated there was a problem with the hard drive, it was repaired, and is currently working. He stated he did not witness the incident, because he was in the back office.

Extension-Patio License Applications

Tuesday, December 01, 2015 at 10:15 AM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 12/1/2015 at 10:15 AM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
