

## **Recommendations to amend CCFN 100626, Resolution creating a Bronzeville Advisory Committee**

### **From the Bronzeville Advisory Committee:**

- Expand the boundaries of the district under the purview of the committee to reflect the Bronzeville Tax Incremental District boundaries.
- Advisory Committee is to have the ability to review and provide input on the RFP process, issuance, and submittals/applications
- Advisory Committee is to have the ability to review all RFPs
- Advisory Committee is to have the ability to review all City-owned land sales within the Bronzeville Boundaries in broad general terms
  - Level and manner of review is to be a case by case basis and subject to the discretion of the committee
- Advisory Committee is to have the ability to conduct community meetings offsite in Bronzeville for purposes of gathering input from the community
- Advisory Committee is to have the ability to review and provide input on the Bronzeville Redevelopment Plan
- The Bronzeville Redevelopment Plan including all exhibits and elements that make up the “plan” is to be reviewed for implementation and impacts periodically every five (5) years starting this year
  - The advisory committee will submit its suggestions and recommendations to the alderperson and the Redevelopment Authority.
- Advisory Committee is to work in conjunction with the Friends of Bronzeville to seek public and private funding for activities impacting Bronzeville and residents and have input on how funds are utilized
- Department of City Development is to work with community groups and local artists to own and occupy vacant properties inside Bronzeville and board up vacant properties in an artistic manner that positively impacts Bronzeville
- City to partner with organizations and or businesses for temporary lot usage, structures, art projects, adopt a lot, etc..
- Advisory Committee is to have the ability to review and provide input on signage in Bronzeville

- Until a business improvement district is formed, two neighborhood ambassadors from the City's Transitional Jobs Program/ or other summer employment programs shall be placed in Bronzeville for maintaining streetscape and landscape
- Any public or private development or major initiatives happening in or adjacent to the Bronzeville Redevelopment District should make a presentation to the advisory board (if nothing more than to provide information about the project)
- At least one, perhaps two, young persons between the ages of 18-25 should be added to the advisory board as members

**City Clerk Office recommendations:**

- The City Clerk's Office is to provide clerical support
- The Department of City Development is to provide staff support or formally be added to the Advisory Committee in some capacity or title to reflect its current and future participation and support to the committee
