RE: Execution of the Option Term of the Intergovernmental Agreement for Police Services between the City of Milwaukee and County of Milwaukee

Dear Chief Flynn:

The County of Milwaukee respectfully requests to execute the Option Term of two-years commencing on January 1, 2016 and terminating on January 1, 2018 for services related to the Intergovernmental Agreement (IGA) for cellular 911 emergency calls.

An agreement of extension is contingent upon County Board approval of an Amendment to the IGA in the December cycle; of which I am confident will be achieved.

The compensation for such services shall extend the fee structure published in the original Intergovernmental Agreement of a 2% escalator, thereby making the County's payment to the City of Milwaukee in the 2016 calendar year a total of \$491,339 and the 2017 payment \$501,166.

The County of Milwaukee sincerely appreciates the collaborative efforts of the Milwaukee Police Department with OEM in discovering efficiencies and enhanced partnership in our 911 call taking and command center capabilities.

Please contact Christine Westrich, Director OEM at (414) 278-4751 with any questions or concerns.
