As they approached 514 E Center Street, officers smelled the strong odor of burning marijuana. Officers stopped at the front door of the business identified as "Ink Hogs" tattoo shop. Officers spoke with the owner, identified as Donnell Dyson, and as he opened the door to the business, officers could tell the smell came from his shop. Dyson stated to police the reason for the smell by stating sometimes his customers come into his shop and smoke marijuana while they are there being tattooed or waiting. Dyson was explained that this is illegal and would not be tolerated. Dyson allowed officers into the business to do a walk around of the interior of the building that included the basement and upstairs level, which was Dyson's residence. There was approximately 15-20 people inside the location that he stated were a mixture of customers and the customers' friends. Dyson further stated they were having a tattoo party which is where up and coming tattoo artists use Dyson's facility to promote their artwork and sell tattoos. Dyson was somewhat cooperative, but appeared to be very agitated and uncomfortable with officers checking his business. No paraphernalia or other contraband was located at the time.

REDACTED RECORD

*****I REQUEST TO REMAIN ANONYMOUS*****

This letter is concerning an objection to the Milestones Spots Bar at 2978 North Mother Simpson Way. My objection stands to the fact that since this bar has opened there has been nothing but trouble. The patrons hang outside of the bar most nights, on the corner, sitting on top of cars in the street.

to the sounds of gunshots.

patrons before entering the facility,

hide

guns

on numerous occasions.

a loud boom

at the back of the bar and one guy with what

looked like an AK-47 gun, facing west on Chambers street and firing the gun, as others stood

and watched. 911 and the police came, but the guys were gone by the time they arrived.

They guy had stored his weapons underneath car

some guys come out of the bar. I noticed

one of the guys had a gun in his hand.

shots were fired.

Another night some people had exited the bar, just hanging out on the corner. During this time a female and male begin to exchange words because she was not interested in him. The argument

became very heated. She proceeded to call someone on her telephone and tell them to come handle the guy she was into it with. She then gets into her as and as she drive away, the guy stood on the west side of Mother Simpson Way and fired about five shots into the vehicle as it drove off. Police came, but by the time of their arrival, the guy had pulled off.

Another night, it was bar closing time and the people had the streets blocked with cars, no one could get through. During this time, three girls were proceeding to jump on a guy for calling one of the girls out of their name. People got out of their cars to watch the fight. Therefore, those who wanted to move, could not move. A guy in a red Camry went to his car got a gun and fired three shots into the air. Others followed suit with their guns. The people begin to scatters, abruptly taking off in their cars. Police arrived and cleared the rest of the traffic and to perform their duties regarding gunfire.

Another night apparently there was an incident that went on inside the bar that carried outside. One guy standing on Mother Simpson Way facing north was firing a gun at a guy who standing at the intersection of Chambers and North 10th Street facing south. One Guy was apprehended by the police. The guys that was arrested friends returned to look for the gun,

They were there looking for the gun for some time, nothing was found. But this is ongoing things with people hiding their weapons on this property.

Another night the bar had closed and the people were gather outside, not going to their cars to depart from the area. Traffic was once again, at a standstill due to many blocking the streets, playing their loud music and sitting on the side of their cars. Some decided to fire off a gun and others begin to follow suit. A police detective car just so happened to be on the corner and there was a guy standing . that decided to fire his gun into the air (didn't see the detectives I guess). They quickly apprehended him and also retrieved the gun.

there is loud music almost every single night, especially on Mondays, Thursdays, Fridays and Saturday when they have a Disc Jockey. They keep the rear door open to the fenced in backyard

Also the patrons gather in the backyard to make drug purchases and use drugs. the marijuana as it reeks t

the drugs being sold, cocaine being sniffed. even seen someone perform a sexual act, but stopped before someone would catch them. There are many underage people that gather at this establishment.

This establishment has brought unnecessary trouble to a neighborhood that is usually quiet at night. The neighborhood is filled with many children and all these activities propose a greater risk to children being hurt or an innocent bystander.

The business operators do not seem to care about this areas because usually when the trouble arises, they leave for fear of the police coming into the bar, or they stay in with the lights out until they think the coast is clear. I totally objet to ANY future business for this place. The drugs and guns are not a good thing when it comes to a community trying to revive itself from years of downfall.

ADDITIONAL COMMENTS/RECOMMENDATIONS:

DRAFT DRAFT DRAFT

This supplemental report is written by P.O. Laurel Lammers, assigned to District Five as the Community Liaison Officer.

On Monday, December 07, 2015 at 4 pm, I met with Agnes Boone regarding her liquor license application for the tavern located at 2978 N Mother Simpson Way. This survey was conducted at that location. P.O. Walker did accompany me for this survey.

location is already open, but under a different licensee
we did inform Mrs. Boone that she cannot open or operate under the other person's license
Mrs Boone stated that her lease for the commercial space will begin once she is approved for her license

Mrs. Boone stated that she is the licensee, and that her daughter and son will be helping to operate the business. She further stated that her son will primarily be security for the business, and will work mostly on the weekends. She did state that he will not be armed for now.

Mrs Boone does not have a distributor, so PO Walker did explain to her that she must purchase her alcohol through a licensed distributor and he also advised that she keep all of her invoices
Mrs. Boone does not currently know about the camera system that is in place. We did advise her that all employees should know how to retrieve footage and that ideally the footage should be stored for at least 30 days.

P.O. Walker did highlight the importance of staying within capacity and how important it is to be involved with the actual operations of the bar.

There is currently a pool table inside of the tavern. Mrs. Boone stated that she will not run leagues right now. We did advise her that she may want to get a public entertainment license if she wanted to have live music or DJ's.

We also referred Mrs. Boone to connect with other succesful bar owners, such as Best Friendz Klubhouse and Skybox Sports Lounge.

ADDITIONAL COMMENTS/RECOMMENDATIONS:

This supplementary report is written by P.O. Laurel Lammers, assigned as the Community Liaison Officer for District Five. On Monday, July 13th, 2015 at 1:00 pm, I met with Mr. Cathie Fares regarding his new liquor license application for Freez Food Mart, which is already operating as Sparkle Foods at the address of 2526 W. Hopkins St. This survey was conducted at that location.

Upon arrival, I found that the building is zoned as a grocery store or convenience store. The main entrance to the store is on the south side of the building and opens towards Hopkins St. I observed two large lights on the exterior of the building to either side of the main entrance door. Also on the front of the building to both sides of the door, is a set of three windows each. There are however several signs in each of the windows. I observed four exterior security cameras. Posted inside of the west window are "No Loitering" signs. The building itself is situated between two properties on either side. To the west is a tavern (2534 W. Hopkins St.) To the east is a residential/commercial building, 2516 W. Hopkins St. which is owned by COGIC Inc, New Life New Beginnings. There is no parking lot. Patrons park on W. Hopkins St., which is a very busy main street.

The interior of the business was clean and appeared recently stocked. They do sell blunt wraps, but they are behind the counter area. I did observe their camera system to be in good working order. Mr. Fares did not know how long footage was stored for though. There is no partition to separate patrons from the store employees, just a counter. They do have a safe. Mr. Fares stated that he has attended the robbery prevention class, but that some of his employees have not. I did provide the phone number to him to have his employees schedule that training.

PA-33E Narrative

This Report was written by PO Michael WALKER, assigned to District Five, Community Prosecution Unit.

On Thursday, February 12, 2015 at 11:40 pm squad 5264 (PO Cory LOPEZ and myself) along with squad 5268 (Kevin SADOWSKI) assisted The Wisconsin Department of Revenue Agents with a Delinquent Tax Warrant at Atkinson Beer & Liquor Mart, Inc at 1101 W Atkinson Ave. Lisa BOHACHEFF, a Field Compliance Supervisor of the Income, Sales and Excise Tax Division, lead this investigation.

This store was being investigated for delinquent Sales and Use Tax with the State of Wisconsin totaling \$227,330.79.

The licensee Darrell C NICHOLSON was on scene with another store employee who was identified as Carla BREAU (B/F 12/12/70).

During the course of this investigation DOR Agent Georgeann KING informed PO SADOWSKI that she observed a clear sandwich bag filled with a green leafy substance, suspected to be Marijuana, lying abandoned and in Plainview in the rear of the store. Officers were unable to determine the owner of this substance at that time. This substance was conveyed back to District Five and subjected to the NARK II 05 test pouch. At that time this substance tested positive for THC at a weight of 6.95 grams. This substance was placed on MPD inventory # 15005069.

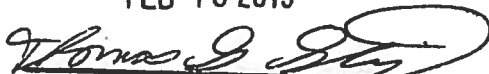

Also during this investigation NICHOLSON allowed DOR Agent Erin DORN to inspect a combination safe located in the rear office area of the store. At that time two handguns were observed inside. These handguns were observed to be a silver .25 caliber semi-auto and a black .380 caliber Cobra semi-auto handgun. NICHOLSON informed me that these handguns did not belong to him and were left in the safe by a customer who frequents his store, who is currently in jail. NICHOLSON refused to provide officers with the name of this subject.

Both handguns were taken for safekeeping and placed on MPD inventory # 15005079. A check of both handgun serial numbers revealed that the .380 cobra semi-auto was reported to the Milwaukee Police Department in 2014 as being lost. See IR# 14-042-0065.

DOR Agents seized a total of \$8,771.00 in US Currency, located inside this store during this Delinquent Tax Warrant.

COMMITTEE MEETING NOTICE

AD 06

SINGH, Jaswinder, Agent
Gurnoor Food Mart, Inc
3021 W Wanda Av #4

Milwaukee, WI 53221

You are requested to attend a hearing which is to be held in Room 301-B, Third Floor, City Hall on:

Tuesday, January 05, 2016 at 09:30 AM

Regarding: Your Class A Fermented Malt Beverage and Food Dealer's License Applications as agent for "Gurnoor Food Mart, Inc" for "Gurnoor Food Mart" at 200 & 204 E Center St.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence. Possible denial because: This proposed location is in an area that has previously been found by the Common Council to be over concentrated with alcohol outlets. Attached is the concentration of alcohol beverage outlets in the area map existing at the time of the determination of the over concentration based on an address of 109 E. Burleigh Street. The Licenses Committee will consider concentration of alcohol beverage outlets as one question regarding the suitability of this location to be licensed as an alcohol beverage establishment. You may present evidence supporting your application. One issue that evidence should address is whether the licensure of this location is appropriate in light of the concentration of alcohol beverage outlets.

**Notice for applicants with
warrants or unpaid fines:**

Proof of warrant satisfaction or payment of fines must be submitted at the hearing on the above date and time. Failure to comply with this requirement may result in a delay of the granting/denial of your application.

Failure to appear at this meeting may result in the denial of your license. Individual applicants must appear only in person or by an attorney. Corporate or Limited Liability applicants must appear only by the agent designated on the application or by an attorney. Partnership applicants must appear by a partner listed on the application or by an attorney. If you wish to do so and at your own expense, you may be accompanied by an attorney of your choosing to represent you at this hearing.

You will be given an opportunity to speak on behalf of the application and to respond and challenge any charges or reasons given for the denial. No petitions can be accepted by the committee, unless the people who signed the petition are present at the committee hearing and willing to testify. You may present witnesses under oath and you may also confront and cross-examine opposing witnesses under oath. If you have difficulty with the English language, you should bring an interpreter with you, at your expense, so that you can answer questions and participate in your hearing.

You may examine the application file at this office during regular business hours prior to the hearing date. Inquiries regarding this matter may be directed to the person whose signature appears below.

Limited parking for persons attending meetings in City Hall is available at reduced rates (5 hour limit) at the Milwaukee Center on the southwest corner of East Kilbourn and North Water Street. Parking tickets must be validated in the first floor information booth in City Hall.

ADDITIONAL COMMENTS/RECOMMENDATIONS:

This supplemental report is written by P.O. Laurel Lammers, assigned as the District Five Community Liaison Officer. On Monday, November 16th, 2015 at 12 pm, I met with Mr. Jaswinder Singh regarding his application for a new liquor (wine) license for 200 E Center St., which will be under the business name of Gurnoor Food Mart.

The business is located on the northeast corner of the intersection of N. Palmer St. and E. Center St. The main entrance is on the southwest corner of the building and faces out towards E. Center St. The main entrance door is the only window of the location. There are some small signs on the window, but you can still see slightly into the business through this window. There is a light in the doorway as well as lights on both the west and south sides of the building. The business is currently open 7 days a week, and they are open from 8 am – 9 pm daily. The business is street parking only. There is a parking lot on the north side of the building that is fenced in, but that is for use only by the residents of the building. I did observe several exterior cameras; they were all in good working order. They currently have no loitering signs posted from the District Five standing complaint form. I did have them sign a current form. The business is surrounded primarily by residences, but there is also a church and two schools.

The interior of the business was neat and clean. Product did look fresh and well rotated. The cash register area is enclosed and just to the right (east) of the door as you walk in. I did observe that the store does sell blunt wrappers, but they are behind the counter in the employee enclosure and off to the side so they are not in the main area where children would see them. I did not see any other items being sold that could be used as drug paraphernalia.

Mr. Jaswinder Singh has not yet attended the Robbery Prevention Training. I did provide him with the phone number to obtain information on when the next classes will be held.
