- 3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
- 4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
- 5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)

- 6. You may then provide testimony.
- a. Include only information relating to the above license application.
- b. Include only information you have personally witnessed or seen.
- c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
- d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
- 7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
- 8. Business Competition is not a valid basis for denial or non-renewal of a license.

Office of the City Clerk License Division

Regarding the application for a beer and package liquor store, I have several objections.

The need for carry-out liquor is already met in this area by Tina's market and Smith's Liquor. An additional store would cause these businesses a loss in clientele, and that clientele would be likely to bring more trash, cigarette butts, and parking stress to our street.

Farwell ave has struggled for decades to draw and maintain businesses that are vibrant and attractive for visitors to the street, while protecting the comfort and security of those of us who live here.

I'd like to see Farwell ave continue to strive for a lively and diverse business life, and to try emulate the loveliness of our sister street, Prospect ave.

Subject: 1556 North Farwell Avenue - New License Application

Dear Sir/Madam:

I have been at this location since August, 1980 and familiar with the entire area and particularly, Brady Street and Farwell and Prospect Avenues. There is limited parking from Brady south to Juneau on both sides of the street. There is a continuous flow of traffic southbound on Farwell Avenue which includes a bike lane. When one attempts to cross Albion in either direction, be it pedestrian or vehicle, because of the constant traffic flow, one must wait. There is also a bus stop on the northwest corner of Farwell and Albion which also impedes traffic and visual observation. There are numerous establishments on Brady and Farwell, including Glorioso's and Koppa's that provide the same items to be sold at the new establishment. The proposed premises will have a direct adverse effect on the health and safety and welfare of the public and the neighborhood.

RE: **Proposed Beer Market and Bharat Mart, 1556 N Farwell Ave** -- Application for Class A Liquor and Malt and Food Dealer – Convenience Food Store License

we object to this application. A business of the kind proposed is not well suited to this location, due in part to very limited street parking. Moreover, the proposed business would not fill any unmet need: There are already numerous retail establishments within a close radius where liquor, beer, and convenience foods can be purchased. Another convenience store enterprise started within this block in the past couple of years has gone out of business.

Further, it is our opinion that the attractive quality of this neighborhood, which has been improving steadily in recent years, would not be enhanced by the addition of this business--essentially a "gas station store" without the gas pumps. It would almost certainly bring increases in noise, litter, parking congestion, and traffic congestion and hazards, as traffic tends to move very fast on this stretch of Farwell.

In light of all this, we sincerely request that this application not be approved. Thank you.

This is an plead to please do not allow a liquor license for 1556 N Farwell. This Area is peaceful and historical being a block away from the lake and million dollar condos. Allowing a liquor store will bring allot of unwanted crime. I am a Milwaukee business owner and promote small business however I been in different areas of the city and seen what a liquor store can do to the neighborhood. I'm objecting I just spent a huge investment putting a Boutique at 1531 W Farwell also a high end furniture store is across the street. There are also boutique style restaurants in the area. The building I'm in houses men with mental health problems. These men like to hang out in front of the building. The owner of the building requested they not loiter with that being said this convince store would attract them. I'm hoping to see other high end retailers in the area. Please don't allow a license for liquor convince. I'm born and raised in Milwaukee and want to see our city move forward and be a beautiful safe great place to live.

Please contact me and keep me updated on any meetings

Subject: 1556 N. Farwell Ave

I received a notice of public interest regarding an application for a liquor and convenience store to be located at 1556 N. Farwell Avenue. I am writing to object to this application. We already have several businesses in the area that currently offer the items this location would sell. There is a Walgreens, CVS, Tina's Market, Koppa's, Smith Beer & Liquor, Glorios's, Metro Market, two Pick 'N Saves and a gas station on the corner of Ogden & Farwell. Not only do these established businesses meet the needs of the area, they do so while maintaining responsible business practices and they coexist without negatively impacting the sales of each other. Further saturating the area with a similar business could affect this delicate balance. In addition, there is a AL ANON Club around the corner located at 1521 N. Prospect Avenue. While its members must navigate through the challenges of addiction and temptation on a daily basis, allowing a liquor store to set up shop within a stone's throw is not, in my opinion, the most civically responsible. Thank you for your time in considering my concerns.

Beer Market and Bharat Mart at 1556 N Farwell Av
Class A Malt & Class A Liquor, Food Dealer's and Weights & Measures License Applications

Tuesday, January 26, 2016 at 8:45 AM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 1/26/2016 at 8:45 AM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

- 1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
- 2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
- 3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
- 4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
- 5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)

- 6. You may then provide testimony.
- a. Include only information relating to the above license application.
- b. Include only information you have personally witnessed or seen.
- c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
- d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
- 7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
- 8. Business Competition is not a valid basis for denial or non-renewal of a license.

Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.

I understand that the license for which I am applying must be posted on the premises or in my vehicle prior to opening for business or operating the device.

I understand that these device licenses are not transferable (with the exception of scanners). If the device is replaced or needs to be resealed, I must apply for and receive a new license so that an inspection of the device can be performed prior to its use.

I acknowledge that as a condition of being issued this license, I must allow the Health Department into the establishment to test the device to validate its specifications/tolerances. If my devices are found out of compliance, I may be charged inspection fees.

Date: /0/30/15

I have read, understand, and will adhere to all the above acknowledgments.

Notice of Public Hearing

STONE, Lorna K, Agent Pleasant Kafe at 1600 N Jackson St Class B Tavern-Service Bar Only License Application

Tuesday, January 26, 2016 at 8:45 AM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 1/26/2016 at 8:45 AM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

- 1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
- 2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
- No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
- 4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
- 5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)

- 6. You may then provide testimony.
- a. Include only information relating to the above license application.
- b. Include only information you have personally witnessed or seen.
- c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
- d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
- 7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
- 8. Business Competition is not a valid basis for denial or non-renewal of a license.

Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
