To the Honorable, the Common Council

Dear Council Members:

This revised agreement updates the funding breakdown from the previous project agreement with the Wisconsin Department of Transportation for the Teutonia Avenue Intersection Modification Project. The latest agreement is necessary to include funding break down for traffic signals, signs, and street lighting for the subject project.

The subject project is scheduled to be constructed in 2008.

In order to set up the necessary funding breakdown, we have prepared and recommend adoption of the attached resolution authorizing the Commissioner of Public Works to execute the revised State/Municipal Agreement (attached).

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
