ATTN: CLAIMS DEPARTMENT City Clerk 200 E Wells Room 205 Milwaukee, WI 53202

To Whom It May Concern:

Tuesday, April 1st, at about 10:30 a.m., I was going east on Oklahoma avenue in the right lane and due to the fact that I was low on gas and trying to make it to the Speedway station on Howell, I was driving slowly, about 25 mph. After Rexworks Giuffre Bros., between the two underpasses, before 3rd street, I hit the largest pothole I'd seen yet! It was almost the length of the lane! There was no way to avoid it because I didn't see it until I was right on top of it due to the shadows created by the underpass.

I went to Speedway and asked another person pumping gas what was wrong with my tire. He stated that I got a flat and it was really bad and I should get it fixed as soon as possible. I went home and called Firestone right away, because I didn't know where else to go, and I had just had a realignment due to the potholes a few weeks prior, and I had a card to pay for it, because I wasn't sure how much this would cost me. I drove downtown at 10 mph with my emergency flashers on and got there about noon. I have the paperwork, but I am NOT sure if the time is on it.

There is another bad pothole in the left lane on Howell avenue going South past Walgreens store before Howard. Driving down Howard or Layton is a "mine field" too, but I realize it HAS been a bad winter, and there are bound to be potholes.

I appreciate your consideration regarding this matter and would appreciate any monetary allowance due to this unforeseen occurrence. Thank you.

Sincerely,

Ms. Sharon Mary Theresa Maliszewski
