

MOTION RELATING TO FILE NO. 080012 – Ald. Bauman

TITLE: Substitute resolution amending the Agreement between the City of Milwaukee and the City of New Berlin for the purchase of water at wholesale.

SPONSOR: ALD. ZIELINSKI AND BOHL

MOTION

I move to amend File 080012 by substituting the map of the proposed water service area expansion in Appendix B-1 of the First Amendment to Agreement, which is attached to the file, with the MMSD service area map, and to amend the Agreement to state that the expansion of water service in New Berlin shall include only the current MMSD service area, as directed in Resolution File Number 071076, adopted December 11, 2007, and, to direct the appropriate City officials to re-draft the Agreement between the City of Milwaukee and the City of New Berlin to reflect this change in water service area.

ANALYSIS

Resolution File Number 071076, adopted December 11, 2007, directed the proper city officials to begin discussions and negotiations with the City of New Berlin relative to supplying water for use by those residents in the west side of the city who are served by MMSD, rather than the residents on the west side of the city of New Berlin who will eventually be served by MMSD.

The current map in the file, Appendix B-1 in the Agreement, defines the expanded water service area as the area currently served by MMSD and the area that will be eventually served according to the MMSD 2020 Facilities Plan. This motion substitutes that map such that the expanded water service area will include only the current MMSD service area.
