It was brought to my attention that Mr. Jocy Davis has applied for a Public Passenger Vehicle license from the City of Milwaukee. Mr. Joey Davis is currently on a 5Yr Extended Supervision term which is scheduled to discharge on 06-03-2019 for the offense of 2nd -Degree recklessly Endangering Safety.

This letter is to inform you that such a licensure would not be in violation of his/her rules/conditions of supervision. If circumstances change, we will take whatever action we deem appropriate, including action which may affect such licensure. This decision was made based in part, on the following information:

- A - Residence Stability:** offender has maintained residence stability (yes - no)
offender has not maintained residence stability (yes - no)
- B - Reporting History:** offender has maintained required contacts with agent (yes - no)
offender has not maintained required contacts with agent (yes - no)
- C - Police Contact:** offender has had police contact while on supervision (yes or no)
offender has not had police contact while on supervision (yes - no)
- D - Overall level of cooperation:** has offender complied with referrals and services designed to address criminogenic needs (yes or no)

**** DCC recommends license not be granted due the following: (check one)

- * License/employment has a direct nexus to committing offense.
- * License/employment would have a negative impact on the offender based on specific treatment needs. (HIPPA prohibits the disclosure of specific treatment needs) _____
- * Sex offenses. _____

In providing the information within this letter, the Department of Corrections assumes no liability for the Council's reliance on such information.

Sincerely,

For this one the recommendation is license not be granted? Just seeking to clarify as the second paragraph indicates would not be a violation but the end of the letter indicates otherwise.
