Subject: Dave Fromans hot dog cart

BEDACTED RECORD

This is in regards to the hot dog cart that I've been dealing with for some time. every Friday and Saturday night he has until recently been parking it underneath my bedroom window so sleep is impossible until the wee hours of the morning. Talking to the vendor did no good so I've called the police several times. At br close I would consider it a fire hazard because we are talking about well over 100 people on the sidewalk causing a traffic jam of bodies. I have had to pick up half eaten sausages...napkins...peppers ...pickles...and the sidewalk gets stained with condiments. only after calling the police did he move to National ave but it is my concern that will be short lived as people exiting La Cage turn to the right rather than the left. I am one of only a few residents on the block but not for long. There will be many more voices soon with all the construction going up. I find it hard to believe they can just park anywhere...turn on a propane tank. What does he do when he has to use the bathroom? His cart has been vandalized...knocked over...his propane tank has been stolen and ran across the street by 3 women leaving another bar because they thought the dogs were to expensive. I understand he cant control how aggressive people act...but it makes me VERY uncomfortable to have aggressive people near a propane tank...if they want to cause a lot of damage they could do it very easily and I may have to pay the price...This is a quality of life issue for me. thank you all for listening... I

#### COMMITTEE MEETING NOTICE

**AD 04** 

KEMPLE, Matthew S, Agent Milwaukee Comedy LLC 6419 W Clarke St

Wauwatosa, WI 53213

You are requested to attend a hearing which is to be held in Room 301-B, Third Floor, City Hall on:

### Tuesday, May 10, 2016 at 10:00 AM

Regarding:

Your Class B Tavern and Public Entertainment Premises License Applications Requesting Art Gallery, Bands, Comedy Acts, Instrumental Musicians, Dancing by Performers, Poetry Readings, Magic Shows, 4 Theatrical Performances, and 1 Motion Picture as agent for "Milwaukee Comedy LLC" for "Underground Collaborative" at 161 W Wisconsin Av #I 1100

There is a possibility that your application may be denied for one or committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

### Notice for applicants with warrants or unpaid fines:

Proof of warrant satisfaction or payment of fines must be submitted at the hearing on the above date and time. Failure to comply with this requirement may result in a delay of the granting/denial of your application.

Failure to appear at this meeting may result in the denial of your license. Individual applicants must appear only in person or by an attorney. Corporate or Limited Liability applicants must appear only by the agent designated on the application or by an attorney. Partnership applicants must appear by a partner listed on the application or by an attorney. If you wish to do so and at your own expense, you may be accompanied by an attorney of your choosing to represent you at this hearing.

You will be given an opportunity to speak on behalf of the application and to respond and challenge any charges or reasons given for the denial. No petitions can be accepted by the committee, unless the people who signed the petition are present at the committee hearing and willing to testify. You may present witnesses under oath and you may also confront and cross-examine opposing witnesses under oath. If you have difficulty with the English language, you should bring an interpreter with you, at your expense, so that you can answer questions and participate in your hearing.

You may examine the application file at this office during regular business hours prior to the hearing date. Inquiries regarding this matter may be directed to the person whose signature appears below.
