

Reply to Common Council File No. 160016
From DOA-Budget and Management Division

May 16, 2016

Ref: 16019

Common Council File 160016 is a communication from the Police Department relating to amending the 2016 Positions Ordinance relative to adding one position of Crime and Intelligence Specialist.

The Police Department currently has 16 authorized Crime Analyst positions that are divided into two functional work locations with one supervisory position. The intent of adding this position is to provide a supervisory position in each of the two functional work locations.

The Budget and Management Division granted a temporary 45 day authority to create the position on April 21, 2016. The position will be funded through projected vacancy savings during 2016 that result from timing of recruit classes.

RECOMMENDATION: PLACE ON FILE COMMON COUNCIL FILE NUMBER 160016 AND AMEND THE POSITION ORDINANCE ACCORDINGLY.
