Please provide the following information:

1. Description of Grant Project/Program (Include Target Locations and Populations):

The purpose of this grant is to detect and apprehend motor vehicle operators in areas with the largest number of crashes due to excess alcohol use and speed.

2. Relationship to City-wide Strategic Goals and Departmental Objectives:

Public safety

3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):

N/A

4. Results Measurement/Progress Report (Applies only to Programs):

The DDACTS speed enforcement grant utilizes officers who are motivated in speed and other aggressive driving behaviors to take a zero tolerance approach to curb these behaviors. DDACTS utilizes computer mapping to determine the areas with highest crash history. Success will be measured by the number of violations cited and the effect enforcement has on the number of crashes within the target areas.

5. Grant Period, Timetable and Program Phase-out Plan:

4/1/16-9/30/16

6. Provide a List of Subgrantees:
