

June 15, 2016

Honorable Terry L. Witkowski
Alderman, 13th Aldermanic District
Room 205, City Hall

SUBJECT: 13th ALD. DIST. - FILE #160205
INSTALL NO PARKING ON THE WEST SIDE OF
SOUTH HOWELL AVENUE FROM
WEST PLAINFIELD AVENUE TO A POINT 50 FEET NORTH

Dear Alderman Witkowski:

This is in response to your request on behalf of a local resident and local businesses owners to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found east bound motorists on West Plainfield Avenue have a difficult time seeing traffic traveling south bound on South Howell Avenue when vehicles park close to the corner. Therefore, in the interest of public safety, we recommend installing this restriction to increase cross traffic visibility at the intersection.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
City Engineer

June 15, 2016

Honorable T. Anthony Zielinski
Alderman, 14th Aldermanic District
Room 205, City Hall

SUBJECT: 14th ALD. DIST. - FILE #160205
INSTALL NO PARKING 9:00 AM TO 5:00 PM MONDAY
THROUGH FRIDAY ON THE SOUTH SIDE OF
EAST DOVER STREET FROM SOUTH GREELEY STREET
TO A POINT 80 FEET EAST

Dear Alderman Zielinski:

This is in response to your request on behalf of the businesses at 2612 South Greeley Street to restrict on-street parking to allow trucks to maneuver to their loading area.

Our traffic engineering staff has investigated this request and found that trucks do have a difficult time maneuvering to and from their loading docks due to the narrowness of the local roadways. The installation of this restriction will make it easier to access the loading docks. Therefore, we recommend the installation of the above-captioned parking restriction.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
City Engineer
