REDACTED RECORD

Subject: Cab Driver Complaint

Hello,

On Friday, October 9, 2015, I jumped in cab 490 a little after 6 pm to take a ride from the airport to the Psifister Hotel. I believe the driver's name was Mohammad. He asked me why I was in town and I told him that it was to see my boyfriend play basketball against the Bucks.

The standard cab ride from the airport to downtown should be no more than \$35. The driver continued to go in circles adding up their fare. I even pulled up the GPS on my phone and told him that he was going in circles. He told me that he knew what he was doing. I was intimidated by him after his tone of voice escalated when I told him that I saw the same landmark twice in the drive to the hotel. The cab drive added up to \$53. This was unheard of. He took advantage of me just because he assumed I had the funds to pay for it. He can't take advantage of a 22 year old female like that, be confrontational with.

When I got to the hotel, they made a complaint about the driver after seeing how much he charged me and told him that he is not allowed back there. But, I want to dispute the charge. I really need a refund back. At least a partial refund. I've been taken advantage of, treated poorly, and I'm disappointed.

Please let me know if you can help me.

Thank you.

Kind regards,

THIS REPORT IS WRITTEN BY PO PENNY BROWN ASSIGNED TO THE LICENSE INVESTIGATION UNIT. ON TUESDAY, APRIL 28, 2015, AT APPROXIMATELY 2:10P.M., I WAS ON PATROL CHECKING TAXICABS FOR LICENSE VIOLATIONS.

I OBSERVED FIVER STAR TAXI #490 PARKED IN THE TAXI STAND AT THE HILTON HOTEL LOCATED AT 509 W WISCONSIN. I APPROACHED THE DRIVER AND INTRODUCED MYSELF AND REQUESTED TO SEE THE DRIVER'S PUBLIC PASSENGER VEHICLE LICENSE AS WELL AS DRIVER'S LICENSE, TO WHICH HE PROVIDED AND WAS IDENTIFIED AS MOHAMMAD F ALI A/M 12/01/58.

I THEN REQUESTED TO SEE THE DAILY SAFETY INSPECTION AND TRIP SHEETS. ALI OPENED A NOTEBOOK AND SHOWED IT TO ME, HOWEVER, THE LAST DOCUMENTATION WAS ON 03/18/15. I ADVISED ALI THIS NEEDS TO BE FILLED OUT DAILY AND ASKED FOR MORE RECENT RECORDS, TO WHICH HE COULD NOT PROVIDE AND STATED HE HAS BEEN SICK LATELY AND HASN'T WORKED. I ADVISED ALI THAT IT WAS HARD TO BELIEVE HE HAS NOT OPERATED THE CAB SINCE MARCH 18. I ASKED HOW LONG HE HAS BEEN DRIVING TAXI, TO WHICH HE REFUSED TO TELL ME HOW MANY YEARS, ONLY STATED "A VERY LONG TIME". I ADVISED ALI I WOULD BE ISSUING A CITATION AS HE IS WELL AWARE OF THE RULES FOR TAXI OPERATION IN THE CITY OF MILWAUKEE.

 Subject: Taxi 193 Customer Complaint

Hello,

My name is [REDACTED] and on Saturday afternoon 11/22/2014 Taxi driver 193 drove me and 4 other people from Mo's Irish pub Downtown to Potawatomi Bingo casino.

When we got in the car, he said it is a standard rate of \$20 to take us to the Casino. I questioned him, and asked why he wouldn't use the meter, and charge us appropriately...? He said its just a 'standard' price for trips of 5 or more people to the casino. So when I told him I will call yellow cab to confirm this \$20 fee, he just ignored me. I knew something seemed odd so I decided to call Yellow Cab to report the situation.

After 193 dropped us off, and we handed him \$20 (he also said that included tip) he drove away and I immediately got on the phone to report him. I spoke with operate 16, Nadine, and she told me that what he did was absolutely illegal. She looked up what my rate should have been and it should have been \$7.41, she rounded up to eight, and she said the max that trip should have been would be \$12. So as you can see, this taxi driver 193, not only ripped me off, but he also ripped your company off as he is not logging his trips and he is stealing from his customers.

Nadine was very helpful, and she told me that driver 193 would be back to drop my money off. I told her I have no interests in working with 193 because he is a liar and a thief and don't trust him and feared my safety, so I told Nadine that I would follow up with Yellow Cab on Monday as the appropriate was I can receive my \$20 back.

Then the cab drive called me later and asked where I was so he could drop off my \$8. This guy is an absolute idiot. He stole 20 dollars from me and thinks he only needs to pay me back \$8. I deserve my entire full amount back for having to deal with this whole situation.

Nadine mentioned that drive 193 is now suspended... Suspended, this guy needs to be FIRED. He is stealing from your customers and form you... and anywhere I have worked that is enough for anyone to be fired.

I hope you do the riaht thing and get rid of this criminal. My phone number is -----, please either call or email me so we can discuss how you will send my \$20 to me.

Sorry if this email sounds upset, but I am very upset, and disgusted when people are dishonest.

Thank you,

REDACTED RECORD

Subject: Taxi 193 is a known crook

I have enjoyed travelling to and working in Milwaukee since last July.

Last at about pm I took a taxi from the Hilton hotel to Mitchell airport – as I have been doing each week for the last six months.

The cab driver stayed in his cab but pushed a button to open the tail gate on his minivan.
I loaded my suitcase and briefcase into the car myself.

Once we arrived I asked him what the \$3 additional charges (see attached photo) were for and he told me "extra bag, and taxes".

I told him I believed taxes are included and nobody had charged me yet for an extra bag.

I paid him (tried to leave no tip but failed), unloaded my bags (this time he at least got out of the taxi) and called his firm Yellow taxi to ask about the fees.

They said I was correct – taxes are included, and the cab driver *can* charge for handling bags – but none of these charges should have applied.

The dispatcher asked which cab it was and I told her 193. "Oh him – we have had many complaints about him but we can't do anything".

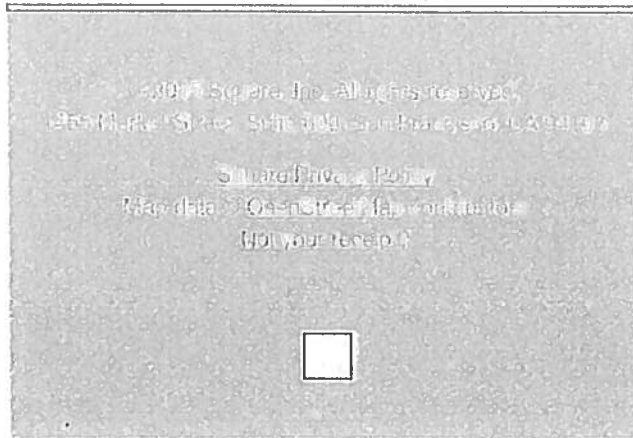

She gave me your information.

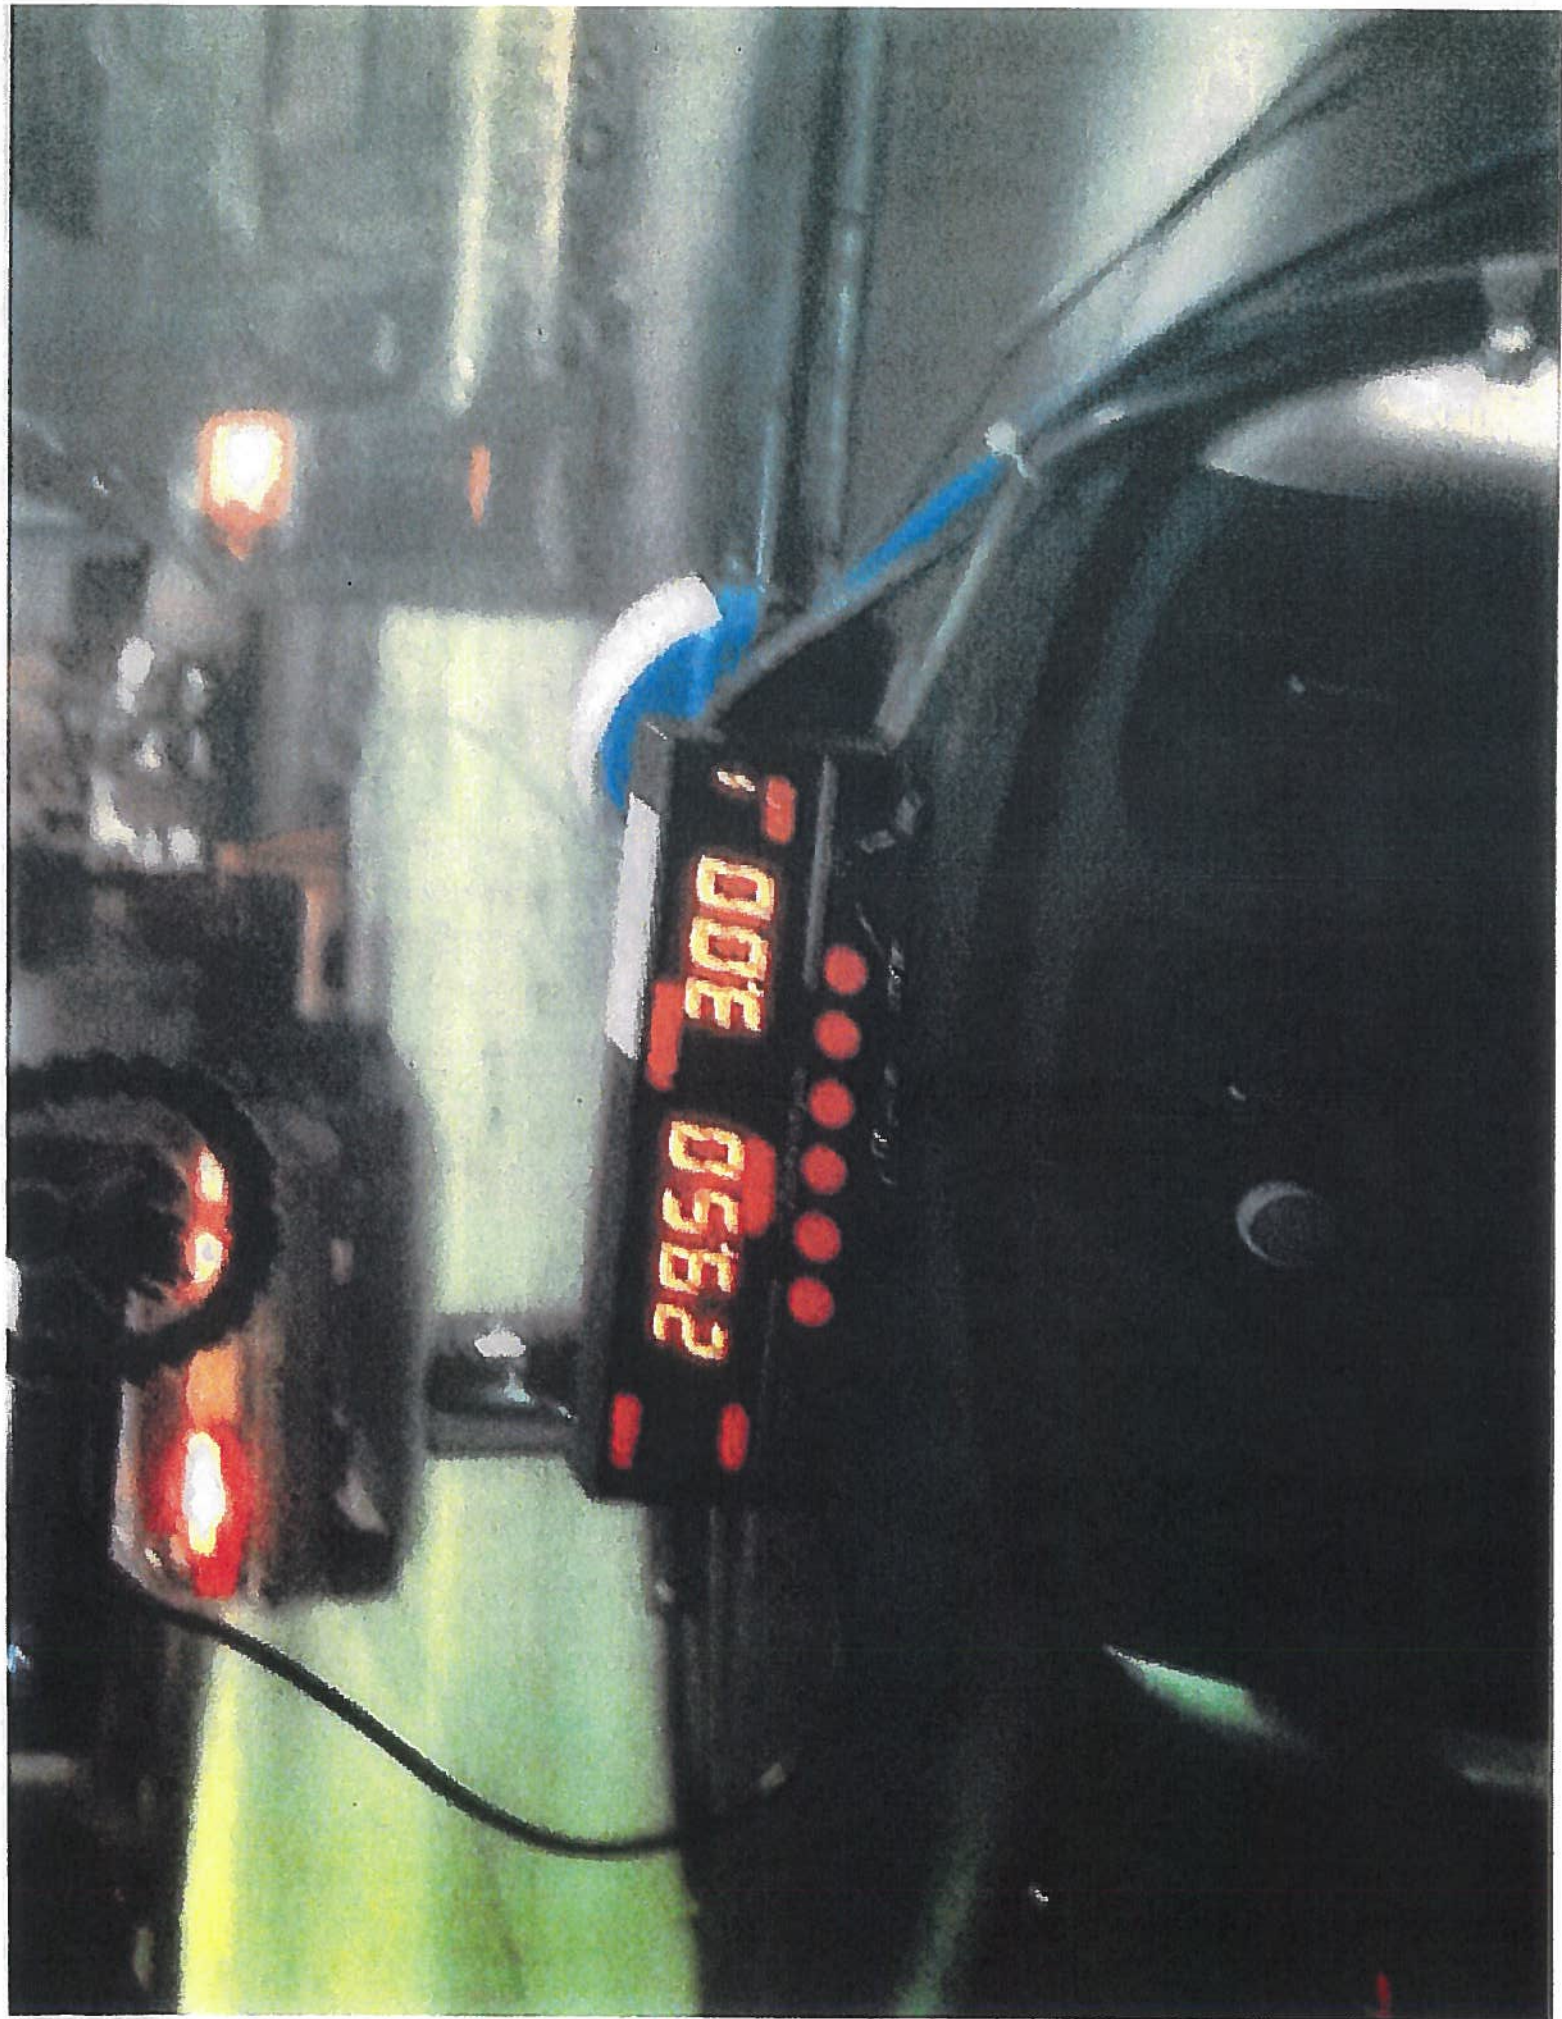

I also called the Hilton to let the know other guests were at risk of being cheated and they put out the word to forbid 193 from waiting in their lineup.

Not once in all my trips have I had an issue – but this clown is a crook and you may want to reconsider issuing him a license; it reflects poorly on this fine city.

REDACTED RECORD

To add more detail this occurred on

On Thursday, June 30, 2016, wrote:
I jumped into the cab to head home. I gave him my address (SOUTHSIDE OF I) he first stated I should take an uber. I told him I was fine and would give him a good tip. Then he pointed to the minimum fair and I agreed that I know that there. He proceeded to drive me home. I noticed that he didn't have the meter running during my trip.

As soon as we got to my home I paid him minimum + tip = \$22

He informed me that the fair would be \$25. I told him that the minimum fair from the airport was \$15, as it said on the sticker. He stated that was only from a hotel. I knew that was incorrect, so I told him that I would look. Before I could finish the sentence he began to drive from my destination and speed informing me he was driving me back to the airport. He then sped through a few red lights. I told him that I felt threaten and unsafe and would be calling 911 if he didn't stop the vehicle. He didn't listen, and fearing for my safety, I dailed 911. As I was speaking to the dispatch he began to speed and drive on the opposite side of the road.

I was a little frustrated because dispatch didn't really understand that I felt unsafe with the aggressive and unsafe driving he was doing.

He pulled over a few times to yell at me but would peel off the road and began to drive to the airport.

As soon as we got to the airport he locked the door, to lock me. I jumped out to talk to the taxi dispatch. I had informed her that I was a federal employee and I was late for a meeting with The VA and he was withholding me and my possession against my will.

The other cab drivers hearing the commotion and listening to my statement grabbed his keys and opened the back to allow me to get out.

Fearing that the situation could escalate quickly, I left and called an uber avoiding the driver.

Attached are photos of his vehicle.

CAB DRIVER COMPLAINT

To info@yellowcabmilwaukee.com

REDACTED RECORD

The below is in regards to an incident that occurred at the Froedtert Memorial Lutheran Hospital-Clinical Cancer Center- 8800 W. Doyle Ave, Milwaukee, on Wednesday 6/10/15 between the hours of 10am and 2pm. This is in regards to the Driver with Cab #151 and the Driver's cell phone number is: 414-333-9321.

received phone call from Clinic Nurse that patient needed to come into the Cancer Center for emergent lab work and transfusion by this afternoon today (6/10). The patient normally uses Interfaith volunteer services but they are unable to do last minute/same day arrangements. This Social Worker agreed to arrange a cab voucher (with Froedtert paying) for her to be brought from home to the Cancer Center. This Social Worker scheduled pick up time for 1015 via main office scheduling (Elizabeth (I believe) at p: 271-1800) and she provided the roundtrip rate of \$42 for the voucher. I confirmed with Elizabeth that this was a round trip ride from pt's home address to CCC. The patient was picked up on time and brought to Cancer Center. Our front Main Lobby desk Rep- Mary- phoned Yellow Cab when R.R. was ready to be picked up after treatment. This Social Worker had already provided the cab voucher to Mary in the Lobby to give to the driver. This Social Worker received a phone call from Mary advising that cab driver is arguing the voucher price and is present to transport pt home (roundtrip). Mary put the driver (name unknown but Cab # 151, his cell: 414-333-9321) on the phone with this SW, who was in a different part of the building. The driver was rude in tone and stated "there is no way that \$42 is for round trip, she lives all the way in Brown Deer." SW agreed to verify price again with the office but instructed the driver that this was already pre arranged and approved at the voucher price of \$42 with the main office. SW then phoned the main scheduling office and spoke to a gentleman and explained the above. The Rep agreed with the voucher price of \$42 and stated he would phone his driver to resolve his concern and transport home could continue. This SW assumed this was resolved and pt was transported home. SW then received another call from Lobby Rep- Mary 20 minutes later, that while she was at lunch break a volunteer notified her that the cab driver "kicked her out of the cab" and told the pt to go back to the lobby. SW then phoned Yellow Cab p: 271-1800 back immediately and asked to speak to a Supervisor and was transferred to speak with Omar- Secretary on Board of Directors updating him on above of the inappropriateness of the driver to: 1. Being rude with the CCC staff, 2. Challenging the cost of the cab voucher when the policy/protocol is for SW to arrange payment/voucher with main office staff not driver 3. Continuing to argue the price of the cab voucher with this SW when his job was to drive the cab, not argue cost of a charity voucher 4. To force pt to exit the vehicle when he was instructed to honor the cab voucher. Omar requested SW email a formal complaint against the driver. Omar insisted he was sending a cab asap to transport pt back to her home, as reflected in the existing cab voucher. SW reiterated that this is an elderly dying cancer patient who did nothing wrong nor deserve to be treated this way by the driver. Please feel free to contact me regarding any questions.

Subject: Yellow Cab #036, May 30, 2016

I am writing to verify a complaint. My name is [REDACTED] and on May 30, 2016 my friend [REDACTED] and I were at the American Legion Post 449, at 3245 N 124th St, Brookfield, Wi. At approximately 5:30 to 6:30 pm, both [REDACTED] and I were too intoxicated to drive home, so the Legion Post called the Yellow Cab Co. A cab driver arrived and was given \$140 in cash to take us both home. Shortly after that, this driver called another driver, Dalip Singh, cab #036, and he proceeded to ask me to get into his cab, while [REDACTED] stayed in the first cab. I was confused, and obviously would have questioned this, had I been more alert. Since [REDACTED] and I live only five minutes apart, [REDACTED] and the second cab was not necessary.

So, each cab drove us home separately, and when I arrived home, I was charged \$73 on my credit card, and an added tip to total \$91.25. I questioned the driver and mentioned that my ride was prepaid by the Legion Post, but he shook his head and said no. He then gave me his card, which gave me his name. [REDACTED] .poke with Mr. Jonathan Koberstein and he told her Dalip Singh's cab #036.

Needless to say, Legion Post 449 is very upset about this, and so am I. [REDACTED] and I have since paid the Post back for their kindness, and I have paid twice, due to my credit card charge. Both [REDACTED] and I were taken advantage of, as was the Legion Post. This offense needs to be rectified.

Subject: Unsafe driving/incorrect change

To whom it may concern-

At approximately 8:30pm today 8-26 I was picked up by cab 220 (a van cab). The gentleman driving not only took me on the longest route possible (whatever not a big deal) but twice he drove the wrong way into in coming traffic...this is very disturbing to me. After finally getting to my destination approximately 4-5min longer than the person that picked me up, I gave the gentleman a 20\$ and he claimed he didn't have change. He said just wait a min and said he would drive to get change. He then started driving the wrong way on a one way (Jackson st) and I told him to turn around and let me out I feel unsafe with you driving. He then gave me 10 ones (the total was 7.25) and said "good" and I said no! I would not only like a refund but to report this person as they are a hazard to themselves, your customers and other drivers. This makes me think twice before calling a cab for customers at a very busy bar that I operate. I would appreciate a response and resolution no later than tomorrow during regular business hours.

Thank you in advance,

[RE: Yellow Cab Co-Op Taxi Incident- Cab Permit #517 Driver #5117]

This letter is intended to describe an incident that occurred on the afternoon of January , 2015 around involving the driver of Yellow Cab Co-Op Taxi number 517. I entered the taxi line outside of the Amtrak station and boarded the first available taxi. I entered the vehicle with my luggage and gave the driver my destination. The driver began en route to my destination, and aside from carrying on a cell phone conversation the ride appeared to be fairly typical. As we neared my destination the driver ended his cell phone conversation and asked for my address again. Being that traffic on Prospect Avenue was very busy as usual, I asked the driver to pull into the driveway of the apartment building neighboring my own. He did so and ended the trip requesting that I pay cash. After telling him that I did not have cash and would be paying with a Visa, I was told that his machine was not working but I could give it a try. After several failed attempts with the card transaction, he entered his glove compartment and proceeded to hook up a machine. After this, I was instructed to try processing my payment again. After doing so my payment was successfully processed and the driver began to pull out of the driveway into oncoming traffic on Prospect Avenue. He stopped directly in front of my apartment and waited for the payment receipt to print. In doing so, he stopped traffic and several cars began to blow their horns at the driver. I am not exactly sure why the driver pulled into the street versus finishing the transaction in the driveway.

After signing my receipt I asked the driver if he would pull up his seat and allow me to exit on the driver's side. After refusing I asked that he pull up a few feet into an open space that would allow me to get out without entering oncoming traffic. He became increasingly hostile as he moved his vehicle up and out further into the street. At this point cars were blowing excessively and zooming pass the driver in frustration. The driver then told me to get out and yelled "Fuck You". Afraid for my safety I began to gather my luggage and exit the vehicle slowly so that oncoming vehicles were aware that I was attempting to exit. The driver then began to exit his vehicle continuing to tell me to "Get the Fuck out". I exchanged words with the driver telling him that I would be reporting the incident to the city. As he approached me, I immediately jumped out of the vehicle dropping several of my items into oncoming traffic. He continued to

yell obscenities and stated, "Tell whoever you want. You can tell Obama." He then re-entered his vehicle and sped off. I waited for him to leave before retrieving my items that had fallen onto the street.

I am extremely disappointed in the events that occurred that evening. Not only was I treating poorly as a customer, but I was verbally assaulted and hostilely confronted. As a frequent user of taxis and rideshare services I have never encountered such an unprofessional, intimidating and blatantly disrespectful driver. While past experiences of poor service and refusal to accept credit cards has resulted in me avoiding Milwaukee taxis, I never imagined that an incident to this extent would occur. As a citizen and employee of Milwaukee, I am disgusted by the actions of the driver. While I understand that this could be seen as an isolated incident, it speaks volumes to the culture of Milwaukee taxi companies and the lack of accountability. The driver involved in this incident should not be allowed to service citizens of Milwaukee. Furthermore, Yellow Cab Co-op and the City of Milwaukee needs to be held responsible for ensuring that poorly trained drivers are not allowed to continue violating the rights of taxi passengers.

I have also filed a complaint with the Yellow Cab Co-Op and as of January 28, 2015 I have not heard from anyone regarding this incident. Please feel free to contact me about this issue. I look forward to discussing this incident and ensuring that the driver is held responsible for his actions.

Sincerely,

REDACTED RECORD

To Whom It May Concern:

Last night, at 8:27pm, I was crossing the intersection of Bellevue Pl. and Downer Ave. on the eastside of Milwaukee. The pedestrian walk signal was clearly displayed, but taxi cab number 696 was turning left onto Downer Ave. from Bellevue Pl. and nearly hit us as we were in the crosswalk. There were pedestrians about 20 feet in front of us, too, so it's not as if we darted out into the street and he was caught off guard. There was plenty of intersection pedestrian traffic, so the driver was clearly not paying attention or did not want to stop. This is not the first time a taxi in Milwaukee, as you probably know, has not been paying attention, which simply plays into the stereotype that they are all crappy drivers. I am confused, and quite curious, why taxis seem to function under the mentality that they are exempt from traffic laws.

Additionally, the driver did not acknowledge his error whatsoever. As a matter of fact, he blankly stared at us as if we were in the wrong. Myself, and the individual I was with, even double checked to make sure the walk signal was still on (it was, of course) in case we were in the wrong. All I know is that if that were me, I would be apologizing profusely to the pedestrian I nearly hit. I suggest this driver receive some sort of refresher class on driving rules/safety.

Please contact me with further questions.

Thank you,
